The Gender  
Paradox

Alice in  
Genderland is  
the first ever  
memoir by a  
crossdresser

who is not content to live behind closed doors—and who takes it much further than his straighter, more circumspect peers might ever care to go. Most of the time, Harvard-educated psychiatrist Richard Novic is Rick, a caring doctor at the office and a loving husband and father at home. But one night a week, he is Alice, a brave trans woman about town, shopping, dining,

dancing, and more. In contrast to the life he leads today, Rick Novic suffered since his sporty, nerdy boyhood with a secret, a desire he was in no way equipped to handle, but one that eventually burst through his denial, a few months before his wedding day. Just once, he felt, while he still could, he had to know how it felt to be a woman. Like Alice in Wonderland, his curiosity led him to fall headlong

down a rabbit hole, through desperate straits, mind-opening surprises, heart-rending changes, gritty sex, and boundless love. By the time he was back on his feet, he was a different person, living a lifestyle he hadn't known existed. Anyone who has struggled to figure out who they are and how they want to live will surely appreciate this informative and engaging life story. Praise for

Alice in Genderland “Few know the transgender scene like GIRL TALK magazine’s Alice Novic. This exciting new memoir by her male alter ego takes us along with him and the people he loves, as he encounters and explores each twist and turn around him and within him. As much Lewis and Clark as it is Lewis Carroll, Alice in Genderland blazes a new trail in the world of crossdressing.” —Linda

Jensen, contributing writer, Transgender Forum “Alice bravely explores the limits of gender, sexuality, and relationships—a sexy, poignant, and often hilarious memoir of transgenderism.” —Vernon A. Rosario, M.D., author of The Erotic Imagination, clinical faculty, UCLA Neuropsychiatric Institute “More provocative than soothing, Alice in Genderland is fascinating and well worth

reading.” —Vern L. Bullough, Ph.D., author of Crossdressing, Sex, and Gender, past president of the Society of the Scientific Study of Sex [Miss Vera's Cross Gender Fun for All Way Out Publishing](#) Those who have heard Leslie Feinberg speak in person know how powerful and inspiring s/he can be. In Trans Liberation, Feinberg has gathered a collection of hir speeches

on trans liberation and its essential connection to the liberation of all people. This wonderfully immediate, impassioned, and stirring book is for anyone who cares about civil rights and creating a just and equitable society. From Man to Woman Independently Published New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as

the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea. WayOut World Carol Publishing Corporation

Monthly magazine with a focus on the Shemale, Tranny, Ladyboy and Transvestite world. *Transgender Liberation* Routledge The most comprehensive analysis of Latin transvestites, From Toads to Queens (a 2000 Lammy Nominee) rekindles the debate between nature and nurture. This crucial book adds important and new information against essentialist

theories on the etiology of sexual orientation.

Transgender Realities is a brief introduction to gender variant people and to the judgments made about them. The volume begins with a consideration of what gender is and does, and how this relates to all of us. Turning to specific consideration of transgender people, the book offers what research

reveals about them, but also what they report about themselves. The causes of transgender, how society responds to it, and how partners, family and friends relate to a transgender person are only a few of the matters discussed. Also included is a survey of transgender across history and around the world, how transgender interacts with religion, and the changing way mental health professionals

are working with transgender people. This volume is a "must have" introduction. Blending Genders  
Rizzoli Publications

Aiming with each new edition to increase awareness and understanding of the scale and diversity of the cross-dressing and transgender phenomena, the 11th edition features many unique and inspirational photo-reports from around the world.

With over 1000 photos, the aptly-named 'Tranny Bible' is not just for transgendered people anymore! Ladyboys Random House (NY) "This book is a document of transvestites, drag queens, and transsexuals. Photographer Vivienne Maricevic shows the transformations between genders for cross-dressers, and the physical changes undergone by transsexuals. Accompanied

by Vicki Goldberg's lucid text, the book is a celebration of the phenomenon of gender modification"-- Publisher's description Transvestism Lulu.com First published in 1998. This meaningful study looks at the transsexual experience from the point of view of those that are living experts, those that live transsexualism or cross-dressing and have been directly affected. **Boys Will be**

**Girls** Routledge This extraordinary book is an intimate portrait of Thailand's ladyboys: the men who have chosen to become women. Funny, passionate, angry and provocative, Ladyboys is a no-holds-barred look at the secret lives of Thailand's transsexual men. The book offers intimate details of the lives that they've never publicly revealed.

They talk about the choices they've made, their relationships, families, frustrations and hopes. The stories include those of an exotic cabaret performer, a sex worker and even a Muay Thai boxing champion. Ladyboys will leave you amused, saddened, and entertained. [Crossdressing in Context, Vol. 1 Dress & Gender](#) Lulu.com Not just for the transgendered

, "The Tranny Guide is meant to increase for all awareness and understanding of the cross-dressing and transgender phenomena and the scale, and diversity of this growing scene. *Male to Female* Lulu.com In 2014, Time magazine announced that America had reached the transgender tipping point, suggesting that transgender issues would become the next civil

rights frontier. Years later, many people even many LGBTQ allies still lack understanding of gender identity and the transgender experience. Into this void, Austen Hartke offers a biblically based, educational, and affirming resource to shed light and wisdom on this modern gender landscape. *Transforming: The Bible and the Lives of Transgender Christians* provides access into an

underrepresented and misunderstood community and will change the way readers think about transgender people, faith, and the future of Christianity. By introducing transgender issues and language and providing stories of both biblical characters and real-life narratives from transgender Christians living today, Hartke helps readers visualize a more inclusive Christianity, equipping

them with the confidence and tools to change both the church and the world.

**Blending Genders** PM Publishers Incorporated In Miss Vera's Cross Gender Fun for All, Dr. Veronica Vera applies both imagination and practical knowledge to the challenge of helping the reader discover the other-sexed person within. From imagining their 'second self', choosing a name, picking clothing and accessories - a

little or a lot - to communicate that persona, learning how to walk and talk, and finally, if they choose, launching that new person into the world... Cross Gender Fun for All is the calm, wise, experienced friend everyone needs to launch their new, fabulous existence! *Transvestites* Psychology Press Ekins vividly details the innermost desires and the varied practices of

males who wear the clothes of women for the pleasure it gives them (cross-dressers), or who wish to change sex and are actively going about it (sex-changers). This unique and fascinating book transforms an area of study previously dominated by clinical models to look instead at cross-dressing and sex-changing as a highly variable social process, tracing the path of the

'male femaler' from 'beginning' to 'consolidating' femaling. Based upon seventeen years of fieldwork, life history work, qualitative analysis, archival work and contact with several thousand cross-dressers and sex-changers, the book develops a theory of 'male femaling' which has major ramifications for both the field of 'transvestism' and 'transexualism', and for the

analysis of sex and gender more generally. **Girlfriend** Maverick House Much debate exists over the proper religious perspective on transgender realities and people. This volume examines transgender in the major world religions. Extensive consideration is given to Christianity, including the arguments presented both against transgender behaviors and by supporters

of transgender people. Religions covered include Christianity, Judaism, Islam, Hinduism, Buddhism, Jainism, Confucianism, Taoism, Shinto, and indigenous religions such as Native American religions of the United States.
