<p><i>The Graduation of Jake Moon</i> Cambridge University Press</p> <p>Twenty years ago, a young pastor began keeping a diary of the great moves of God’s Spirit in his family and church. He saw mountain-moving miracles and dynamic answers to prayer. Month by month, he wrote down the prayers, the petitions, the headaches and heartaches. Always,he found victory through the One who lives in him, and who lives in each of God’s children! This devotional will remind you every day that as the Psalmist wrote, “This is the day the Lord hath made, let us rejoice and be glad in it!”</p> <p><i>Cambridge Learner’s Dictionary English-Turkish with CD-ROM</i> FriesenPress</p> <p>From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together</p> <p><i>Never Lark Nor Eagle</i> Book Venture Publishing LLC</p> <p>The Speech Situation is a term worn with age in the teaching of public speaking in America. That it is comprised of occasion, speaker, and topic is a gross oversimplification. It also includes challenge, anxiety, emotion, fear, responsibility, faults of memory, and instants of pride. Out of the circumstances arise an increase in heart rate, a change in blood pressure, an abnormal pattern of breathing, a noticeable build up in perspiration, and an ongoing evaluation. For students this may be merely a grade or perhaps a series of evaluative remarks, possibly addressed both to the speaker and the other participants, the audience. It may entail a replaying of a record of the speech, indeed a videotape. Most important is the lasting impression that remains with all of the participants. What of the vocabulary of the speaker under the circumstances of the speech situation? This speaker - in the major portions of this work we may say, "this young man" - has spent time seeking an appropriate topic. He has outlined a composition around a central idea or thesis. He has marshaled evidence, details. He has framed an opening paragraph. He has been admonished not to give an essay, but to strive for audience contact, interpersonal communication. He makes his audible approach through his vocabulary and accompanying phonology. Under the tension, the speaker repeats; he adds meaningless vocalizations in periods that might logically be pauses. There are slips of the tongue. At worst, failing, he withdraws to await another day.</p> <p><i>Good Morning, Mr. Mandela</i> Ginn</p> <p>Fourteen-year-old Jake recalls how he has spent the last four years of his life watching his grandfather descend slowly but surely into the horrors of Alzheimer’s disease.</p> <p><i>Granddaughter, I Love You So Much</i> Springer Science & Business Media</p> <p>“In Good Morning, Mr. Mandela, Zelda la Grange recounts her remarkable life at the right hand of the man we both knew and loved. It’s a tribute to both of them—to Madiba’s eye for talent and his capacity for trust and to Zelda’s courage to take on a great challenge and her capacity for growth. This story proves the power of making politics personal and is an important reminder of the lessons Madiba taught us all.” —President Bill Clinton</p> <p>“President Nelson Mandela’s choice of the young Afrikaner typist Zelda la Grange as his most trusted aide embodied his commitment to reconciliation in South Africa. She repaid his trust with loyalty and integrity. I have the highest regard for her.” —Archbishop Emeritus Desmond Tutu</p> <p>“Zelda la Grange has a singular perspective on Nelson Mandela, having served as his longtime personal aide, confidante and close friend. She is a dear friend to both of us and a touchstone to all of us who loved Madiba. Her story of their journey together demonstrates how a man who transformed an entire nation also had the power to transform the life of one extraordinary woman.” —Morgan Freeman and Lori McCreary, actor, producer of <i>Invictus</i></p> <p>A white Afrikaner, Zelda la Grange grew up in segregated South Africa, supporting the regime and the rules of apartheid. Her conservative family referred to the imprisoned Nelson Mandela as “a terrorist.” Yet just a few years after his release and the end of apartheid, she would be traveling the</p>	<p>world by Mr. Mandela’s side, having grown to respect and cherish the man she would come to call "Khulu," or “grandfather." Good Morning, Mr. Mandela tells the extraordinary story of how a young woman’s life, beliefs, prejudices—everything she once believed—were utterly transformed by the man she had been taught was the enemy. It is the incredible journey of an awkward, terrified young secretary in her twenties who rose from a job in a government typing pool to become one of the president’s most loyal and devoted associates. During his presidency she was one of his three private secretaries, and then became an aide-de-camp and spokesperson and managed his office in his retirement. Working and traveling by his side for almost two decades, La Grange found herself negotiating with celebrities and world leaders, all in the cause of supporting and caring for Mr. Mandela in his many roles. Here La Grange pays tribute to Nelson Mandela as she knew him—a teacher who gave her the most valuable lessons of her life. The Mr. Mandela we meet in these pages is a man who refused to be defined by his past, who forgave and respected all, but who was also frank, teasing, and direct. As he renewed his country, he also freed La Grange from a closed world of fear and mistrust, giving her life true meaning. “I was fearful of so much twenty years ago—of life, of black people, of this black man and the future of South Africa—and I now was no longer persuaded or influenced by mainstream fears. He not only liberated the black man but the white man, too.” This is a book about love and second chances that honors the lasting and inspiring gifts of one of the great men of our time. It offers a rare intimate portrait of Nelson Mandela and his remarkable life as well as moving proof of the power we all have to change.</p> <p><i>Nueva Vida</i> Flatiron Books</p> <p>The scene is Colombia, 1996. A young American, Gabriel Ferrero, is staying in the town of Nueva Vida to do some soul searching after graduating from college. A bit disillusioned and lost, he is eager to discover a renewed sense of meaning in his life, and does so by securing a job teaching English. All goes well for Gabriel until the socio-political crisis in Colombia suddenly rocks the once quiet and remote Nueva Vida. The recent college grad quickly gets caught in the middle of the upheaval and becomes a powerless victim of the forces threatening to tear Colombian society apart. When an army is sent to quell the turbulent events unfolding in Nueva Vida, things turn worse for Gabriel and others seeking to find a solution to the myriad problems they are facing. The survival of Gabriel, the town, and perhaps the country are soon thereafter in the hands of a few powerful individuals.</p> <p><i>ONE VOICE: More Notes From the Common</i> Simon and Schuster</p> <p>A thoughtfully curated, cleverly designed keepsake that distills the wisdom of all those powerful graduation speakers—from Barack Obama and Gloria Steinem to Kermit the Frog—into the best advice for grads of all ages. Carpe Every Diem is a thought-provoking collection of quotes from famous graduation speakers meant to motivate and inspire the next generation of leaders. Paired by theme, many of the quotes complement one another. George Saunders, for example, riffs on the “failures of kindness” of his youth, encouraging grads to be kinder. Jimmy Buffett offers a simpler nugget of kind-spiration: “Be Santa Claus when you can.” Other quotes, however, are paired with conflicting advice, giving graduates the opportunity to choose what to believe in. Some may respond to Neil Gaiman’s “make good art” speech, while others may prefer John Waters’s call to arms to horrify and outrage others with their art. Which of these affirmations will you choose? Each quote is accompanied by a short bio of the speaker and stamped with the year and institution where the commencement speech was delivered. With advice from the likes of Abby Wambach, Angela Davis, David Foster Wallace, Oprah Winfrey, Spike Lee, Kanye West, and more, readers will be swept away by the wit and wisdom contained in this book—perfect for graduates, creative thinkers, or anyone seeking inspiration.</p> <p><i>The Harvard Graduates’ Magazine</i> Xlibris Corporation</p> <p>Have you ever known the pain and disappointment of a shattered dream, a hope deferred, a vision put on hold? "Dancing with God" is a book about the dance we call "life". Based on her original research study of Spiritual Life in mainstream, interfaith congregations, Dr. McKay takes us on a journey to discover God available everywhere for all people. She helps us find God in our lives by sharing stories from her own life and from some of the four thousand others in her study. Dr. McKay describes God as Mystery and Presence, reminding us that God's other name is always "surprise!" She challenges us to follow a God directed pathway; to trust that Love does not abandon us and to know that Spirit linked to Spirit will change the world. In 1999, Marjorie Harvey published a collection of her "One Voice" columns from the Littleton Independent. In the last few years, she began to select new columns for a second volume, but she was too busy writing, having fresh experiences, and growing seriously old to concentrate on a second book. It took two hospitalizations and entering hospice care to focus her attention. In the last two months of her life, although often confined to her bed, she made the final column selections, edited them, and wrote the introductory material. There is no need for biographical information here, if you would know her, read her book.
