"Courageous and thought-provoking." —David Brooks, The New York Times "Breathtakingly personal . . . [Chua’s] tale is as compelling as a good thriller." —The Financial Times "[F]ascinating. . . . the most stimulating book on the subject of child rearing since Dr. Spock." —Seattle Post-Intelligencer "Chua’s memoir, *Battle Hymn of the Tiger Mother*, is a quick, easy read. It’s smart, funny, honest and a little heartbreaking . . ."

—Chicago Sun-Times At once provocative and laugh-out-loud funny, *Battle Hymn of the Tiger Mother* ignited a global parenting debate with its story of one mother’s journey in strict parenting. Amy Chua argues that Western parenting tries to respect and nurture children’s individuality, while Chinese parents typically believe that arming children with skills, strong work habits, and inner confidence prepares them best for the future. *Battle Hymn of the Tiger Mother* chronicles Chua’s iron-willed decision to raise her daughters, Sophia and Lulu, the Chinese way – and the remarkable, sometimes heartbreaking results her choice inspires. Achingly honest and profoundly challenging, *Battle Hymn of the Tiger Mother* is one of the most talked-about books of our times.
