It's time to open your eyes to the freeing power of authentic grace—grace that releases us from trying to earn God's favor, grace that enables us to rest in the finished work of Christ, grace that liberates from the tyranny of trying to please others. That's what the theology of Martin Luther and John Calvin did in their own day for the people around them. Time magazine recently dubbed Calvinism as one of the top ten ideas changing the world right now. And yet most of these discussions center on the issue of predestination or on whether particular people agree with the five points of Calvinism. Daniel Montgomery and Timothy Paul Jones think it's time to rescue the theology of the Reformers from such stale scholasticizing and to declare anew the dangerous and intoxicating joy of the gospel that they proclaimed. PROOF stands for planned grace, resurrecting grace, outrageous grace, overcoming grace, and forever grace. The authors offer proof of God's grace upon which people can stand against the attacks of legalism that have led many of God's people to lose sight of the freedom and joy of the gospel. And this proof is intoxicating—it's like a 200-proof drink that will leave you spiritually staggering at its effect on your life. God's grace not only declares us "not guilty!" in his presence, it changes our relationship with God—forever.?

A Washington Post bestseller! A chilling and compassionate look at how close an innocent man was to being put death with a foreword by Sister Helen Prejean, author of *Dead Man Walking*. What is worse than having a client on Death Row in Texas? Having a client on Death Row in Texas who is innocent and not knowing if you will be able to stop his execution in time. *Grace and Justice on Death Row: A Race Against Time to Free an Innocent Man* tells the story of Alfred Dewayne Brown, a man who spent over twelve years in prison (ten of them on Texas' infamous Death Row) for a high-profile crime he did not commit, and his lawyer, Brian Stolarz, who dedicated his career and life to secure his freedom. The book chronicles Brown's extraordinary journey to freedom against very long odds, overcoming unscrupulous prosecutors, corrupt police, inadequate defense counsel, and a broken criminal justice system. The book examines how a lawyer-client relationship turned into one of brotherhood. *Grace And Justice On Death Row* also addresses many issues facing the criminal justice system and the death penalty - race, class, adequate defense counsel, and intellectual disability, and proposes reforms. Told from Stolarz's perspective, this raw, fast-paced look into what it took to save one man's life will leave you questioning the criminal justice system in this country. It is a story of injustice and redemption that must be told.

on presentations at the 27th General Assembly of the International Union of Geodesy and Geophysics (IUGG). The meeting was held from July 8 to 18, 2019 in Montreal, Canada, with the theme being the celebration of the centennial of the establishment of the IUGG. The centennial was also a good opportunity to look forward to the next century, as reflected in the title of this volume. The papers in this volume represent a cross-section of present activity in geodesy, and highlight the future directions in the field as we begin the second century of the IUGG. During the meeting, the International Association of Geodesy (IAG) organized one Union Symposium, 6 IAG Symposia, 7 Joint Symposia with other associations, and 20 business meetings. In addition, IAG co-sponsored 8 Union Symposia and 15 Joint Symposia. In total, 3952 participants registered, 437 of them with IAG priority. In total, there were 234 symposia and 18 Workshops with 4580 presentations, of which 469 were in IAG-associated symposia.

A gruesome suicide, a likely murder, a tragic plane crash, wrongful imprisonment, and gripping courtroom scenes draw readers into this compelling story giving them a frightening perspective on justice and who should be accountable when evidence is withheld. This is the true story of the strong-arm, illegal, and unethical tactics used by headline-grabbing federal prosecutors in their narcissistic pursuit of power. Its scope reaches from the US Department of Justice to the US Senate to the White House and is a scathing attack on prosecutors, judges, and all those who turned a blind eye to egregious injustices in the aftermath of the Enron collapse. The ramifications continue today as this corrupt cabal of former prosecutors now populates powerful political positions.
