Welcome to the Heart of Mercy. Jesus wants us to live merciful lives even through seasons of conflict with others that can challenge us to not just know about mercy, but to practice it. As Christians, the greatest opportunity we have to prove our faith is when we are rejected or when we are hurting, whether emotionally or physically. This is why Jesus told the leaders of His day in Matthew 9 that He didn't come to earth to witness their religious practices, but rather, He came to teach mercy and they should learn what it means. Wow That is powerful, isn't it? God has wonderful plans for you and me, but we can get stuck and never realize His great plans if we don't understand what He requires of us. As you will discover, mercy is of highest importance. As we work through this guide, we will learn exactly what it means to show mercy, and how our daily choices either grow or inhibit this important spiritual discipline. This study guide is accompanied by a six-session video teaching series. Ideally, participants will complete the study individually, then join with their small group to watch the video and discuss the study guide questions together. May the Good Lord speak right to the center of your heart and may we all be merciful followers of Christ.

It's back to school for the New York Times bestselling Cat when he steps in as a substitute teacher. Cat is not pleased to be tapped as substitute teacher. Not only is it cutting into his naptime, but a roomful of kittens is a little . . . much. At school, Cat follows the lesson plan of music, building, and painting—only in gradually more mischief-making Cat style. By the end, Cat has learned a thing or two about inspiring others by being himself. But even more heart-melting and humorous is what these adorable kittens have learned from Cat. Read it for back-to-school and year-round—great as a holiday or year-end teacher's gift! “[A] heart warmer.” —The Wall Street Journal ★ “Plenty to giggle over.” —Publishers Weekly (starred review) “Just purrfect.” —The Washington Post “Clever . . . #1 NEW YORK TIMES BESTSELLER! The women of the Bible lived timeless stories—by examining them, we can understand what it means to be a woman of faith. People unfamiliar with Scripture often assume that women play a small, secondary role in the Bible. But in fact, they were central figures in numerous Biblical tales. It was Queen Esther's bravery at a vital point in history which saved her entire people. The Bible contains warriors like Jael, judges like Deborah, and prophets like Miriam. The first person to witness Jesus' resurrection was Mary Magdalene, who promptly became the first Christian evangelist, eager to share the news which would change the world forever. In *The Women of the Bible Speak*, Fox News Channel's Shannon Bream opens up the lives of sixteen of these Biblical women, arranging them into pairs and contrasting their journeys. In pairing their stories, Shannon helps us reflect not only on the meaning of each individual's life, but on how they relate to each other and to us. From the shepherdesses of ancient Israel who helped raise the future leaders of the people of God, to the courageous early Christians, the narrative of the Bible offers us many vivid and fascinating female characters. In their lives we can see common struggles to resist bitterness, despair, and pride, and to instead find their true selves in faith, hope, and love. In studying these heroes of the faith, we can find wisdom and warnings for how to better navigate our own faith journeys. *The Women of the Bible Speak* outlines the lessons we can take from the valor of Esther, the hope of Hannah, the audacity of Rahab, and the faith of Mary. In broadening each woman's individual story, Shannon offers us a deeper understanding of each, and wisdom and insights that can transform our own lives today.

The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. The books of Judges and Ruth have relevance for our lives today. Judges, because it reveals a God who employs very human deliverers but refuses to gloss over their sins and their consequences. And Ruth, because it demonstrates the far-reaching impact of a righteous character. K. Lawson Younger Jr. shares literary perspectives on

the books of Judges and Ruth that reveal ageless truths for our contemporary lives. To bring the ancient messages of the Bible into today's context, each passage is treated in three sections: Original Meaning. Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights, they need to communicate God's Word with the same powerful impact it had when it was first written.

GOD IS RICH IN MERCY! Jesus wants us to live merciful lives even through seasons of conflict with others that can challenge us to not just know about mercy, but to practice it. As Christians, the greatest opportunity we have to prove our faith is when we are rejected or when we are hurting, whether emotionally or physically. Mercy is more than feeling sympathy toward someone. Powered by love, mercy takes action in order to spare someone from harm, pain, and suffering. Our Bible Fun Factory Lesson Plans are "the essentials". The lessons that every single Christian child between 4-12 needs to be taught. In this series of five lessons, starts a series of lessons on the theme of friendship. What's wrong with Israel's memory starts this series on friendship, with Israel forgetting that God is their best friend in the whole universe. Deborah was severely underestimated because she was a woman: she sparks the theme, don't judge a book by its cover; we should pick our friends based on their insides, not their outsides. Reinforcing that are two tales of Gideon, who is small and young, and who has a very small army. And finally, Delilah tempts Samson shows that peer pressure and two-faced people were certainly around in Bible times! Samson fell for it; maybe thanks to his experiences, we won't! Lessons Include: Lesson 1: What's Wrong with Israel's Memory (Judges 1-3) Lesson 2: Deborah is Underestimated (Judges 4) Lesson 3: Gideon: God Uses the Smallest Again (Judges 6) Lesson 4: Gideon's Army is Small Like Gideon (Judges 7) Lesson 5: Delilah Betrays Samson (Judges 16) We have 3 core beliefs when we create Bible Lesson Plans: 1) They should be EASY for the teacher to teach. 2) They should be FUN for the child. 3) They should actually TEACH the child bedrock principles of the Christian Faith and the Bible. -----

----- Each of the Lessons Include: -Materials List (Don't worry, nearly everything can be gathered up at a moments notice from your own house. For example, you might need to grab a big spoon) -Complete Lesson (Including our much loved "teaching script" that tells you exactly what to say!) -Scripture Reading (we put the scripture reading in the lesson, to make it easy!) -2 Games (Kids LOVE games, each game teaches an important element of the overall lesson and lets the kids get up out of their seat and move around. Typically one game is geared to young children 4-7 and another for the 8-12 year olds) -2 Intro Activities (These activities get the kids engaged in the lesson and help to fill the time as kids trickle in.) -2 Lesson Activities (These activities vary from object lessons, crafts, treasure hunts, and more) -Closing Prayer (Our closing prayers are each designed to leave the kids with a positive message and reminder of the lesson). -----

----- Class Length: The lessons are designed to run for one hour, but can easily be expanded to cover more time if needed. Age Level: The lessons include age-appropriate activities, discussion, and questions for children ages 4-12. Equally effective with mixed age groups or single age classes. Prep Time: Each lesson was designed to be taught after only 5-10 minutes of prep time. You don't need to go around collecting craft materials or spending an hour before class getting organized. You can literally "glance & go". Denomination: Our lessons can be used by churches of all denominations, as the topics covered are truly the foundation of Christian faith. In addition, any Bible translation can be used.

Most Christians don't quite know what to do with the first half of the Bible. Some are fascinated by the historical sweep of the Old Testament. Others are blessed by its poetry. Still others focus on its prophecies. But what are the heart and soul of the Old Testament? In *From Creation to the Cross*, Al Baylis is a guide who shares with us his love for, and profound understanding of, the Old Testament. He walks us through the Old Testament, pointing out along the way perspectives and insights that leave us with a new, personal understanding of these thirty-nine books -- and more importantly, of the God of the Old Testament, who lovingly prepared the way before sending his Son. As Bruce Wilkinson puts it in the Foreword, "I could almost picture (Baylis) as a seasoned

rabbi surrounded by a huddle of eager listeners. He doesn't simply teach the Old Testament; it's as if he personally reminisces through it." From Creation to the Cross is one of those rare books that speaks to a wide range of readers, from high school students to homemakers to college professors. This revised and expanded edition of On the Way to Jesus makes this unique and highly readable approach to the first half of the Bible available once again. It is ideally suited for use in Bible study groups.

Do you want the goodness and mercy of God to follow (pursue) you all the days of your life? The miraculous life stories and wisdom that Deborah Markowitz Solan shares in Chesed-A Jewish Woman's Discovery of God's Mercy will show you how. The COVID-19 pandemic and other national crises have a way of getting our attention. It was the assassination of President John F. Kennedy, Jr., in 1963, when Deborah was only five years old, that changed her life forever. She watched her mother collapse in

uncontrollable grief, and she began to subconsciously think that no amount of happiness in life could outweigh the tragedy of suffering and death. Deb made dangerous and unhealthy life choices throughout her childhood and teenage years and lived a life without passion or purpose. All of that changed, however, when the God of her ancestors—the God of Abraham, Isaac, and Jacob—made Himself real to her, even when she did not know He existed.

[The Golden Children's Bible](#) Multnomah

The complete biblical historical fiction compilation by the New York Times bestselling author of Redeeming Love and A Voice in the Wind. The Bible is filled with inspiring stories of unlikely candidates God chose to change eternity. This bestselling compilation in one volume contains five novellas about such people—women in the family tree of Jesus Christ. Tamar. Rahab. Ruth. Bathsheba. Mary. Each was faced with extraordinary—even scandalous—challenges. But they had courage. They lived daring lives. Sometimes they made mistakes—big mistakes. And yet God, in His infinite mercy, used them to bring forth the Christ, the Savior of the world. Their stories still hold great meaning and inspiration for us today. Tamar risked her life and her reputation to be the woman she was called to be. See how God uses our circumstances and our steps toward Him, however faltering, to fulfill His plan. Rahab was exploited by men who saw only her beauty, yet she held fast to her faith in God and was rewarded. Discover how God seeks and finds those whose hearts are tender toward Him, no matter how far away they are. Ruth's loyalty, especially toward her mother-in-law Naomi, helped her to persevere in the face of tragedy, and God gave her a second chance at love. Be encouraged that God will provide even when all hope seems lost. Bathsheba's scandalous affair with David did not end in one night. Learn that God is willing to restore those lost in the depths of despair who call out to Him. Mary is one of the most revered women in history. But first, she was an ordinary woman striving to please God in the same way that women still do today. When God spoke, Mary responded in obedience which changed the world forever. Each novella includes an in-depth Bible study perfect for personal reflection or group discussion. [Heart of Mercy: Bible Study](#) by Deborah Buckingham Charisma Media
