## MOORE MARSH

The Women of the Cousins' War Simon and Schuster  
#1 New York Times bestselling author of *Tidelands*—the “searing portrait of a woman that resonates across the ages” (People)—returns with an evocative historical novel tracking the rise of the *Tidelands* family in London, Venice, and New England. Midsummer Eve 1670. Two unexpected visitors arrive at a shabby warehouse on the south side of the River Thames. The first is a wealthy nobleman seeking the lover he deserted twenty-one years earlier. Now James Avery has everything to offer: a fortune, a title, and the favor of the newly restored King Charles II. He believes that the warehouse’s poor owner Alinor has the one thing he cannot buy—his son and heir. The second visitor is a beautiful widow from Venice in deepest mourning. She claims Alinor as her mother-in-law and tells her of the death of Rob—Alinor’s son—drowned in the dark tides of the Venice lagoon. Meanwhile, Alinor’s brother Ned, in faraway New England, is making a life for himself between in the narrowing space between the jarring worlds of the English newcomers and the American Indians as they move towards inevitable war. Alinor writes to him that she knows—without doubt—that her son is alive and the widow is an imposter. But how can she prove it? Set in the poverty and glamour of Restoration London, in the golden streets of Venice, and on the tensely contested frontier of early America, this is a novel of greed and desire: for love, for wealth, for a child, and for home.

#1 New York Times bestselling author Philippa Gregory joins two eminent historians to explore the extraordinary true stories of three women largely forgotten by history: Jacquetta, Duchess of Bedford; Elizabeth Woodville, queen of England; and Margaret Beaufort, the founder of the Tudor dynasty. In her essay on Jacquetta, Philippa Gregory uses original documents, archaeology, and histories of myth and witchcraft to create the first-ever biography of the young duchess who survived two reigns and two wars to become the first lady at two rival courts. David Baldwin, established authority on the Wars of the Roses, tells the story of Elizabeth Woodville, the first commoner to marry a king of England for love. And Michael Jones, fellow of the Royal Historical Society, writes of Margaret Beaufort, the almost-unknown matriarch of the House of Tudor. Slowly she adapts to the first Tudor court, and life as Arthur's wife grows ever more bearable. Unexpectedly in this arranged marriage, a tender and passionate love develops." "But when the studious young man dies, she is left to make her own future: how can she now be queen, and found a dynasty? Only by marrying Arthur's young brother, the sunny but spoilt Henry. She will do anything to achieve her aim; even if it means telling the greatest lie, and holding to it."--BOOK JACKET.

**Dark Tides** Simon and Schuster

The final book of the Tudor series from #1 New York Times bestselling author Philippa Gregory features one of the most famous women in history, Lady Jane Grey, and her two sisters, each of whom dared to defy her queen. Jane Grey was queen of England for nine days. Her father and his allies crowned her instead of the dead king's half-sister Mary Tudor, who quickly mustered an army, claimed her throne, and locked Jane in the Tower of London. When Jane refused to betray her Protestant faith, Mary sent her to the executioner's block, where Jane transformed her father's greedy power-grab into tragic martyrdom. "Learn you to die," was the advice Jane wrote to her younger sister Katherine, who has no intention of dying. She intends to enjoy her beauty and her youth and fall in love. But she is heir to the insecure and infertile Queen Mary and then to her sister Queen Elizabeth, who will never allow Katherine to marry and produce a Tudor son. When Katherine's pregnancy betrays her secret marriage, she faces imprisonment in the Tower, only yards from her sister's scaffold. "Farewell, my sister," writes Katherine to the youngest Grey sister, Mary. A beautiful dwarf, disregarded by the court, Mary keeps family secrets, especially her own, while avoiding Elizabeth's suspicious glare. After seeing her sisters defy their queens, Mary is acutely aware of her own danger, but determined to command her own life. What will happen when the last Tudor defies her ruthless and unforgiving cousin Queen Elizabeth?
