Bold and inventive in style, *City of Night* is the groundbreaking 1960s novel about male prostitution. Rechy is unflinching in his portrayal of one hustling

'youngman' and his search for self-knowledge among the other denizens of his neon-lit world. As the narrator moves from Texas to Times Square and then on to the French Quarter of New Orleans, Rechy delivers a portrait of the edges of America that has lost none of its power. On his travels, the nameless narrator meets a collection of unforgettable characters, from vice cops to guilt-ridden married men eaten up by desire, to Lance O'Hara, once Hollywood's biggest star. Rechy

describes this world with candour and understanding in a prose that is highly personal and vividly descriptive.

He passes the time idly filling out contest applications, counting ceiling tiles, and estimating the wattage of light bulbs. It is through Daniel's growing attachment to Clarissa,

\*A New York Times Bestseller\* The first definitive, unauthorized, behind-the-scenes cultural

history of the Bachelor franchise, America's favorite guilty pleasure. For sixteen years and thirty-six seasons, the Bachelor franchise has been a mainstay in American TV viewers' lives. Since it premiered in 2002, the show's popularity and relevance have only grown—more than eight million viewers tuned in to see the conclusion of the most recent season of *The Bachelor*. Los Angeles Times journalist Amy Kaufman is a proud member of Bachelor

Nation and has a long history with the franchise—ABC even banned her from attending show events after her coverage of the program got a little too real for its liking. She has interviewed dozens of producers, contestants, and celebrity fans to give readers never-before-told details of the show's inner workings: what it's like to be trapped in the mansion “bubble”; dark, juicy tales of producer manipulation; and revelations about the alcohol-fueled debauchery that occurs long before

the Fantasy Suite. Kaufman also explores what our fascination means, culturally: what the show says about the way we view so-called ideal suitors; our subconscious yearning for fairy-tale romance; and how this enduring television show has shaped society's feelings about love, marriage, and feminism by appealing to a marriage plot that's as old as the best of Jane Austen.

How do we make social justice the most pleasurable human experience? How can we awaken within ourselves desires that make it impossible to settle for anything less than a fulfilling life? Editor adrienne maree brown finds the answer in

something she calls "Pleasure Activism," a politics of healing and happiness that explodes the dour myth that changing the world is just another form of work. Drawing on the black feminist tradition, including Audre Lourde's invitation to use the erotic as power and Toni Cade Bambara's exhortation that we make the revolution irresistible, the contributors to this volume take up the challenge to rethink the ground rules of activism. Writers including Cara

Page of the Astraea Lesbian Foundation For Justice, Sonya Renee Taylor, founder of This Body Is Not an Apology, and author Alexis Pauline Gumbs cover a wide array of subjects—from sex work to climate change, from race and gender to sex and drugs—they create new narratives about how politics can feel good and how what feels good always has a complex politics of its own. Building on the success of her popular Emergent Strategy, brown launches a new series of

the same name with this volume, bringing readers books that explore experimental, expansive, and innovative ways to meet the challenges that face our world today.

An interdisciplinary anthology of the rich Asian American influence on U.S. popular culture From henna tattoo kits available at your local mall to “faux Asian” fashions, housewares and

fusion cuisine; from the new visibility of Asian film, music, video games and anime to the current popularity of martial arts motifs in hip hop, Asian influences have thoroughly saturated the U.S. cultural landscape and have now become an integral part of the vernacular of popular culture. By tracing cross-cultural influences and global cultural trends, the essays in East Main Street bring Asian American studies, in all its interdisciplinary richness, to bear on a broad

spectrum of cultural artifacts. Contributors consider topics ranging from early Asian American movie stars to the influences of South Asian iconography on rave culture, and from the marketing of Asian culture through food to the contemporary clamor for transnational Chinese women's historical fiction. East Main Street hits the shelves in the midst of a boom in Asian American population and cultural production. This book is essential not only for understanding Asian

American popular culture but also contemporary U.S. popular culture writ large. *The Art of Saying No* The Passionate Pen Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and

“fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend

absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

'I want to wish all of you joy--because there is no better gift. Two spiritual masters, the Dalai Lama and Archbishop Desmond Tutu, share their wisdom in this uplifting book. I promise you, it's the best \$26 you can spend.'  
 Oprah Winfrey Nobel Peace Prize Laureates His Holiness the Dalai Lama and Archbishop Desmond Tutu have survived more than fifty years of exile and the soul-crushing violence of oppression.

Despite their hardships - or, as they would say, because of them - they are two of the most joyful people on the planet. In April 2015, Archbishop Tutu travelled to the Dalai Lama's home in Dharamsala, India, to celebrate His Holiness's eightieth birthday and to create this book as a gift for others. They looked back on their long lives to answer a single burning question: how do we find joy in the face of life's inevitable suffering? They traded intimate stories, teased each other

continually, and shared their spiritual practices. By the end of a week filled with laughter and punctuated with tears, these two global heroes had stared into the abyss and despair of our times and revealed how to live a life brimming with joy. This book offers us a rare opportunity to experience their astonishing and unprecedented week together, from the first embrace to the final goodbye.

*The Pleasure of My Company* Hachette Books  
In life and in death, Jesus' words were powerful and meaningful. Despite the serious effort and increased pain required for Jesus to speak as he

hung on the cross, Jesus spoke seven “final words”—statements that have much to teach us about Jesus, his Father, and ourselves: Father Forgive Them Behold Your Son...Behold Your Mother My God, Why Have You Forsaken Me? Today You Will Be with Me in Paradise I Thirst It Is Finished Into Your Hands I Commit My Spirit In 24 Hours That Changed the World, Adam Hamilton took us on a Lenten journey through the last day of Jesus' life. Now in this inspiring follow-up

book, Hamilton explores these final words as seen and heard through the eyes and ears of those who stood near the cross. Each chapter begins with the biblical account followed by a first-person story as might have been told from the viewpoint of one of the characters at the cross. Then the chapter explores the meaning of Jesus' dying words for our lives today. Following the last statement, a postscript recounts the words Jesus spoke following his resurrection, including

what truly were the final words Jesus spoke while walking this earth. Join the crowd now and experience the final words

from the cross. Final Words from the Cross offers six chapters/sessions plus a

postscript chapter/session, so that classes have the option of a seventh session on Easter Sunday.
