Introduction to Sociology Pearson
Higher Ed

REA's Essentials provide quick and easy access to critical information in a variety of different fields, ranging from the most basic to the most advanced. As its name implies, these concise, comprehensive study guides summarize the essentials of the field covered. Essentials are helpful when preparing for exams, doing homework and will remain a lasting reference source for students, teachers, and professionals. Sociology reviews sociological perspectives, methods of research, socialization and self-formation, cultures, society, theories of societies, social structure and the social process, social groups and organizations, deviance, law and crime, the family, social stratification, gender and sexuality, ethnicity and race, aging and the elderly, health care, collective behavior, social movements and social change.

Sociology and You Prentice Hall

"Seeing Sociology in your Everyday Life"
"Macionis empowers students to understand the world around them through a sociological lens, so they can better understand sociology and their own lives. "Society: The Basics, 12th edition "is written to help students find and use sociology in everyday life. With a complete theoretical framework and a global perspective, "Society: The Basics "offers students an accessible and relevant introduction to sociology. The new edition continues to grow to meet readers' changing needs. With a newly integrated pedagogical framework, readers are guided through both the text - and optional new MySocLab - to build their critical thinking skills while learning the fundamentals of sociology. Teaching and Learning Experience This program will provide a better teaching and learning experience - for you and your students. Here's how: "Personalize Learning" - The new MySocLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes

from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. "Improve Critical Thinking" - Six new learning objectives per chapter help readers build critical thinking and study skills. "Engage Students" - New design, everyday life and pop culture examples make sociology relevant for students today. "Explore Theory" - Three main theoretical perspectives are discussed in every chapter. "Understand Diversity" - Contemporary research informed by expert reviewers and cutting edge data sources reflect a broad range of race / class / gender. "Support Instructors" - Author written activities and assessment in MySocLab, the test bank and instructor's manual help provide support for instructors. Note: MySocLab does not come automatically packaged with this text. To purchase MySocLab, please visit: www.mysoclab.com or you can purchase a valuepack of the text + MySocLab (at no additional cost).

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a

used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -

- A Down-to-Earth Approach James Henslin shares the excitement of sociology in *Essentials of Sociology: A Down-to-Earth Approach*, 11/e. With his acclaimed "down-to-earth" approach and personal writing style, the author highlights the sociology of everyday life and its relevance to students' lives. With wit, personal reflection, and illuminating examples, Henslin stimulates students' sociological imagination so they can better perceive how the pieces of society fit together. In addition to this trademark down-to-earth approach, other distinctive features include: comparative perspectives, the globalization of capitalism, and visual presentations of sociology. MySocLab is an integral part of the Henslin learning program.

Engaging activities and assessments provide a teaching a learning system that helps students see the world through a sociological lens. With MySocLab, students can develop critical thinking skills through writing, explore real-world data through the new Social Explorer, and watch the latest entries in the Core Concept Video Series. This title is available in a variety of formats - digital and print. Pearson offers its titles on the devices students love through Pearson's MyLab products, CourseSmart, Amazon, and more. 0133810607 / 9780133810608 *Essentials of Sociology Plus NEW MySocLab with Pearson eText* - Access Card Package Package consists of 0133803546 / 9780133803549

Learn the Secret to Success on the CLEP Sociology Exam! Ever wonder why learning comes so easily to some people? This remarkable workbook reveals a system that shows you how to learn faster, easier and without frustration. By mastering the hidden language of the subject and exams, you will be poised to tackle the toughest of questions with ease. We've discovered that the key to success on the CLEP Sociology Exam lies with mastering the Insider's Language of the subject. People who score high on their exams have a strong working vocabulary in the subject tested. They know how to decode the vocabulary of the subject and use this as a model for test success. People with a strong Insider's Language consistently: Perform better on their Exams Learn faster and retain more information Feel more confident in their courses Perform better in upper level courses Gain more satisfaction in learning The CLEP Sociology Exam Vocabulary Workbook is different from traditional review books because it focuses on the exam's Insider's Language. It is an outstanding supplement to a traditional review program. It helps your preparation for the exam become easier and more efficient. The strategies, puzzles, and questions give you enough exposure to the Insider Language to use it with confidence and make it part of your long-term memory. The CLEP Sociology Exam Vocabulary Workbook is an awesome tool to use before a course of study as it will help you develop a strong working Insider's Language before you even begin your review. Learn the Secret to Success! After nearly 20 years of

teaching Lewis Morris discovered a startling fact: Most students didn't struggle with the subject, they struggled with the language. It was never about brains or ability. His students simply didn't have the knowledge of the specific language needed to succeed. Through experimentation and research, he discovered that for any subject there was a list of essential words, that, when mastered, unlocked a student's ability to progress in the subject. Lewis called this set of vocabulary the "Insider's Words". When he applied these "Insider's Words" the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of workbooks and applications to teach this "Insider's Language" to students around the world.

Doing Sociology Network4Learning, inc. Seeing Sociology in Everyday Life Sociology, 15/e, empowers students to see the world around them through a sociological lens, helping them better understand their own lives. The text is written to help students find and use the science of social behavior in everyday life. John Macionis takes students step-by-step through the theories and research that make up the discipline of sociology. This narrative, along with a global perspective, makes for an accessible and relevant introduction to sociology. MySocLab is an integral part of the Macionis learning program. In concert with the main text, it helps readers build their critical thinking skills while learning the fundamentals of sociology. Engaging activities and reliable assessments provide a digital learning system that helps students succeed in the course. With MySocLab, students can watch the latest entries in the Core Concept Video Series in sociology, explore real-world data

through the new Social Explorer, and develop critical thinking skills through facilitated writing activities.

Society Pearson Higher Ed

Learn Sociology creates a new paradigm for student-centered learning in introductory sociology courses. Written with 21st century students in mind, this text presents introductory sociology content in a highly interactive format that is both easy to use and highly compatible with digital applications. Drawing on best practices in educational pedagogy, Learn Sociology emphasizes "immersive learning," an approach that pairs critical analysis of sociological concepts with examples from everyday life to engage students actively with the material. Weaved through the text are recurring themes that put sociology into context, such as social structure, social control, social inequality, the social construction of reality, scientific knowledge, and social change. Learn Sociology optimizes learning through enhanced coverage, study, testing, and review while emphasizing the "applying" that reinforces comprehension. Based on a modular concept format, each chapter in Learn Sociology addresses a major concept in the introductory sociology curriculum. Associated with each module are key learning objectives, preview statements, illustrations, and a concept learning check assessment. With Learn Sociology, students have access to immediate computer-based feedback on essay questions that helps them practice writing and revising, reason critically, and grapple with real-world issues. All content in Learn Sociology is highly visual, current, and easy to understand while avoiding distracting and off-topic material. Visual overviews play to dynamic learning and underscore important points. The result is an

introductory sociology curriculum that is engaging, consistent, and complete while providing students with a roadmap for learning, reviewing and self-assessment.

The *Basics of Sociology: Developing and Applying the Sociological Imagination* is a collection of articles, case studies, and data exercises designed to teach students about the sociological perspective, how it has been applied in various publics, and how they can apply and utilize the sociological perspective in everyday life. The anthology contains vital written pieces on public sociology, social theories, the science of sociology, social institutions, and social inequality. The anthology is divided into three units. The first unit addresses the foundations of the discipline of sociology, exploring social theories, the science of sociology, and deviance and social control. The second unit includes readings on age, class, race, and the institution of work, as well as gender, sexuality, and the family. In the final unit, students learn about demography and social change, and applied, clinical, and public sociology. The *Basics of Sociology* is cross disciplinary in nature and suitable for foundational courses in sociology.

A Comprehensive Sociological Dictionary Pearson College Division
This guide helps students review and reflect on the material presented in

Sociology, Eleventh Edition. Each of the twenty-four chapters in the Study Guide provides an overview of the corresponding chapter in the student text, summarizes its major topics and concepts, offers applied exercises, and features end-of-chapter tests with solutions.

Telecourse Study Guide for the Social Imagination Research & Education Association

"This text was developed to respond directly to critical needs that are increasingly evident among faculty and students in many colleges and universities throughout the United States. Chief among these is the current disconnect between many academicians who author textbooks and their publishers and the end users--the students--they are supposed to serve."-- Page xix.

Sociology and You Pearson

The use of this dictionary is designed to help students master the vocabulary used in the scientific discipline of sociology. I believe that an enhanced understanding of the vocabulary used by sociologists in their quest to discover social facts leads to a better understanding of the discipline by students. It is not easy to compile a dictionary of sociological terms, concepts, and processes because the discipline is a living discipline unlike some other scientific areas of study. Sociology is always evolving--terms, theories, and processes change as the discipline adapts to the changing social world. This dictionary represents an effort to incorporate those changes into the science known as sociology.

Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. - Frames social problems and solutions through politics. Macionis's book is the only social problems text that explains how society frames social problems and solutions through politics. The text analyzes social issues and policies, using the concepts of sociological theory and the everyday language of politics. It also helps students understand the attitudes

and values that define the political spectrum in the United States. Once students know how social problems are defined by our society through politics, and how the policies to solve these problems are developed, they can become involved in solving social problems through activism and political involvement. Teaching & Learning Experience Personalize Learning - The new MySocLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking - Chapter organization follows a logical framework that traces a problem from its origin to solution. Engage Students - International, national, and personal examples help students understand issues better. Explore Theory - Major sociological theories and how they explain each social problem are discussed. Understand Diversity - Features help students think globally about defining a solution to social problems. Support Instructors - The only Social Problems text with an annotated instructor's edition.
