TIANA CASSIUS

If It Rains Pancakes Holiday House
A romantic novel set in Montana. Colleen Merrill, drawn by dreams of an Indian warrior, travels to Montana with her brutal husband to establish a homestead. She meets and falls in love with Lieutenant Matthew Douglas, a U.S. Cavalry officer. Wounded Bear, a young Cheyenne warrior and medicine man, has been told in a vision that a golden haired woman has the power to save his people from invasion by the white man. He seeks out this woman and finds Colleen. The two become lovers.
The Little Prince University of Arizona Press

From A to Z, the Penguin Drop Caps series collects 26 unique hardcovers—featuring cover art by Jessica Hische It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the

world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. Z is for Zafón. *Barcelona, 1945: A city slowly heals in the aftermath of the Spanish Civil War*. Daniel, an antiquarian book dealer's son who mourns the loss of his mother, finds solace in what he finds in the "cemetery of lost books," a mysterious book entitled *The Shadow of the Wind*, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's seemingly innocent quest opens a door into one of Barcelona's darkest secrets--an epic

story of murder, madness, and doomed love.

How Do Wind and Water Change Earth?

Mariner Books

Reminiscences by a flyer in Africa, South America and Europe.

Sand, Stars, Wind, & Water Xist Publishing

Fasten your seatbelt to experience the spectacle and solitude of flying high in the Andes in this novel from the author of *The Little Prince*. No writer has equaled Saint-Exupéry in describing the perilous and poetic experience of flying, in submission to what he calls “those damn elemental divinities—night, day, mountain, sea and storm.” In this gripping, beautifully written novel inspired by his experience as a pilot in South America, he tells of the brave men who pilot night mail planes from Patagonia, Chile, and Paraguay to Argentina in the early days of commercial aviation. They are impelled to perform their routine acts of heroism by a steely chief named Rivière, whose extraordinary character is revealed through the dramatic events of a single night. Preface by André Gide. Translated by Stuart Gilbert. “The book stands out by reason of the quality of its style, the beauty of the passages in which flight is described better than it ever has been before, but more especially because of the emotions of the men of heroic mold.”—André Maurois, *Saturday Review*

Sand Sister Houghton Mifflin Harcourt

A delightful collection of inspiring quotations from the mind of Antoine de Saint-Exupéry, author of *The Little Prince*. “One sees clearly only with the heart. Anything essential is invisible to the eyes.” For more than sixty years, this insight from *The Little Prince* has been quoted in more than 130 languages by fans around the world.

Now, for the first time, quotations from the collected works and letters of Antoine de Saint-Exupéry are presented in a charming gift edition. Six chapters—“Happiness,” “Friendship,” “Responsibility,” “Fortitude,” “Love,” and “What Is Essential”—offer inspirational and thought-provoking words about the subjects held most dear by the author. A perfect gift for graduates—or for anyone who wants gentle guidance.

Airman's Odyssey Bloomsbury Publishing USA

A gripping narrative of friendship and exploration, and an homage to Antoine de Saint-Exupéry, an unforgettable writer who touched the lives of millions of readers, and who was able to see the world through the eyes of a child. In the 1920s, long before he wrote *The Little Prince*, Antoine de Saint-Exupéry was an accomplished pilot. Along with Jean Mermoz and Henri Guillaumet, he was chosen to pioneer new mail routes across the globe. No distance was too far and no mountain too high—each letter had to reach its destination. The three friends soared through the air, while back on solid ground, they dealt with a world torn apart by wars and political factions.

Fate is the Hunter Knopf

A little girl misses having anyone to play with on the beach -- until she realises she can create a companion of her own. But what will she do when her sand sister must return to the sea? This touching story is all about the power of the imagination. AGES: 3-7 AUTHOR: Amanda White was born and brought up in London but now lives with her family in Cornwall, having been lured there by

the beautiful landscape and thriving arts scene. An only child herself, she easily identifies with the main character in 'Sand Sister'. Amanda is married to an architect and has three children.

ILLUSTRATOR: Yuyi Morales is an award-winning artist, author, puppet maker and former host of a Spanish-language storytelling show. A native of Mexico, Yuyi now lives in California. She says of her work, "What I am trying to do through my books is mostly to surround myself with the things I love, the stories that bring me closer to my homeland, the tales and customs I want my son to know." SELLING POINTS: * Illustrated by Mexican artist Yuyi Morales: Yuyi has worked in acrylics to create an intimate story about the friendship between a child and her imagined playmate * A story of loneliness: Paloma, the main character of this story, is an only child. However, her adventure and her attitude to play will speak to the imaginations of children everywhere * Seaside setting: Wonderful beach and seascapes make this an adventure for the senses in which you can almost feel the hot sun, wet sand and taste the salty waves
Wartime Writings 1939-1944 Houghton Mifflin Harcourt

In this far-future classic, sexual attraction is a science, gender is a whole new construct, and information is both precious and perilous . . . With a burst of radiation to the brain, an angry young man is transformed into a dim-witted slave—suitable only for the most brutal work. But the tragedy of Rat Korga is the prologue to the story of Marq Dyeth, an "industrial diplomat," who travels from world to world in this exciting, sprawling future, solving problems that come with the spread of "General Information." The greatest fear in this future is Cultural Fugue, a critical mass of shared

knowledge that can destroy life over the surface of an entire world in hours. In this dizzyingly original novel, information is perilous, but without it a human is only a rat in a cage. Campbell Award winner Jo Walton described this science fiction landmark as being "like pop rocks for the brain. . . . Things sparkle and explode all over, and it's not entirely comfortable but it is quite wonderful." This classic read predicted the Internet and is packed with themes that still resonate today. This ebook features an illustrated biography of Samuel R. Delany including rare images from his early career.

Writer's Harbrace Handbook with APA Update Card Macmillan

From a master biographer, the life story of the daring French aviator who became one of the twentieth century's most beloved authors Antoine de Saint-Exupéry disappeared at age forty-four during a reconnaissance flight over southern France. At the time he was best known for a career of daring flights over the Sahara, the Pyrenees, and Patagonia and for his contributions to the science of aviation. But the solitary hours he spent above the earth in open cockpit airplanes gave birth to a more famous legacy, a series of enchanting, autobiographical novels and the classic story *The Little Prince*, still the most translated book in the French language. An impoverished aristocrat from one of France's oldest families, Saint-Exupéry moved at age twenty-seven to the western Sahara Desert, to live alone in a plank shack and manage the way station for the *Aéropostale*, the French mail service. His careers as a novelist and an aviator were born here, and his life once he returned to Europe was defined--with brilliant and catastrophic results--by the sense of isolated fascination and curiosity he developed in the desert. In

this definitive biography, Pulitzer Prize winner Stacy Schiff reveals an intrepid and unconventional life that rivals the best adventure stories.

Wind, Sand and Stars by Antoine de Saint-Exupéry (Book Analysis) HMH

In the spring of 1944, Antoine de Saint-Exupéry left his wife, Consuelo, to return to the war in Europe. Soon after, he disappeared while flying a reconnaissance mission over occupied France. Neither his plane nor his body was ever found. *The Tale of the Rose* is Consuelo's account of their extraordinary marriage. It is a love story about a pilot and his wife, a man who yearned for the stars and the spirited woman who gave him the strength to fulfill his dreams. Consuelo Suncin Sandoval de Gómez and Antoine de Saint-Exupéry met in Buenos Aires in 1930—she a seductive young widow, he a brave pioneer of early aviation, decorated for his acts of heroism in the deserts of North Africa. He was large in his passions, a fierce loner with a childlike appetite for danger. She was frail and voluble, exotic and capricious. Within hours of their first encounter, he knew he would have her as his wife. Their love affair and marriage would take them from Buenos Aires to Paris to Casablanca to New York. It would take them through periods of betrayal and infidelity, pain and intense passion, devastating abandonment and tender, poetic love. Several times in the course of their marriage they would go their separate ways, but always they would return. *The Tale of the Rose* is the story of a man of extravagant dreams, and of the woman who was his muse, the inspiration for the Little Prince's beloved rose—unique in all the world—whom he could not live with and could not live without. Written on Long Island in a quiet

spell of reconciliation, *The Little Prince* was Antoine's greatest gift to the woman he never stopped loving, the only child to emerge from their union. *The Tale of the Rose* is Consuelo's reply—the love letter she never could write to her husband—a fable of its own, just as magical, poetic, and tragic as *The Little Prince*. Praise for *The Tale of the Rose* "We find in these pages all the tenderness and patience, but also the tenacity, of a woman who loves. Consuelo does not seek to explain or even to understand her husband, she accepts him and leads him to what he must be. . . . Written with a strong and authentic voice, *The Tale of the Rose* is a book to read for its strength of character, and for the adventure that it offers."—Elle

The Little Prince Penguin

Peter Sís's remarkable biography *The Pilot and the Little Prince* celebrates the author of *The Little Prince*, one of the most beloved books in the world. Antoine de Saint-Exupéry was born in France in 1900, when airplanes were just being invented. Antoine dreamed of flying and grew up to be a pilot—and that was when his adventures began. He found a job delivering mail by plane, which had never been done before. He and his fellow pilots traveled to faraway places and discovered new ways of getting from one place to the next. Antoine flew over mountains and deserts. He battled winds and storms. He tried to break aviation records, and sometimes he even crashed. From his plane, Antoine looked down on the earth and was inspired to write about his life and his pilot-hero friends in memoirs and in fiction. A Frances Foster Book This title has Common Core connections. *Stars in My Pocket Like Grains of Sand* Farrar, Straus and Giroux (BYR)

Celebrate gratitude and simple ways of brightening others' days with this sweet, brightly illustrated story about a girl's letters. . . . and her town's overwhelming response. After a wonderful party, birthday girl Grace sits down to thank her friends and family for all their kind gifts. But she doesn't stop there-- as she writes, Grace realizes there are so many things to be grateful for! So she thanks her teacher for helping her learn to write. She thanks her dog for his cheerful wagging tail. She even thanks the sky for being perfectly, beautifully blue. The Thank You Letter is perfect for starting conversations about gratitude-- both for tangible gifts and for the little things we don't always stop to appreciate. The sweet story encourages young readers to focus on positivity and share it-- to write letters of their own to family, friends, and loved ones and share their joys. For everyone who wants to encourage children to write thank you notes for gifts, and for everyone searching for new ways to connect with distant loved ones, The Thank You Letter is a perfect model for expressing gratitude-- and showcases the joyful response a simple gesture can create. When Grace returns home after delivering her notes, she finds a wealth of affection--cards, letters, and notes from her neighbors and friends, expressing their love for Grace and appreciation for her letters. A beautifully illustrated gatefold page shows how deeply her letters have touched the hearts of everyone around them, and Beloved storyteller and illustrator Jane Cabrera's vivid and textured acrylic paintings are filled with joyful cuteness and warmth. Collage elements, including patterns from the inside of envelopes, smartly add to the epistolary theme. This delightful celebration of mindful

thankfulness and community togetherness is perfect for curling up in a cozy spot and sharing one-on-one. *The Little Prince* Wadsworth Publishing Company
Sand, Wind, and War records the work, travels and adventures of one of the last of the great British explorers, a man who served in both world wars and carved out a special niche in science through his studies of desert sands. Ralph Alger Bagnold was born in 1896 into a military family and educated as an engineer. Posted to Egypt in 1926, he was one of a group of officers who adapted Model T Fords to desert travel and in 1932 made the first east-west crossing—6,000 miles—of the Libyan desert. Bagnold established such a name for himself that in World War II he was again posted to Egypt where he founded and trained the Long Range Desert Group that was to confound the German and Italian armies. Bagnold's fascination with the desert included curiosity over the formation of dunes, and beginning in 1935 he conducted wind tunnel experiments with sand that led to the book *The Physics of Blown Sand and Desert Dunes*. Eventually, he was to see his findings called on by NASA to interpret data on the sands of Mars. He devoted subsequent research to particle flow in fluids, and also served as a consultant to Middle Eastern governments concerned with the interference of sand flow in oil drilling. *Sand, Wind, and War* is the life story of a man who not only helped shape events in one part of the world but also contributed to our understanding of it. It is a significant benchmark not only in the history of science, but also in the annals of adventure. *Out in the Boondocks: Marines in Action in the Pacific* Penguin Classics

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

Night Flight Crabtree Classics

The little prince lives alone on a tiny planet no larger than a house. He owns three volcanoes, two active and one extinct. He also owns a flower-unlike any flower in all of the wide galaxy-of great beauty and inordinate pride. It is this pride that ruins the serenity of the little prince's world and starts him on the interplanetary travels that bring him to Earth, where he learns, finally, from a fox, the secret of what is truly important in life. A story full of life and light, this is a book that changes the world forever for its readers.

House of Earth and Blood Open Road Media

A NEW TRANSLATION BY MICHAEL MORPURGO, AUTHOR OF WAR HORSE
Meet the Little Prince, a young fellow who hails from a tiny, distant planet. He loves to watch sunsets and look after his flower, to ask questions and to laugh. And now here he is on Earth, appearing out of nowhere in the middle of the desert, looking for a friend. The friend he finds is the narrator of this story - a pilot who has crash landed and is in grave danger of dying of thirst. The Little Prince might be just a boy but he can help our pilot. Because he understands the really important things in life - things like flowers, stars, a drink of water or laughing. Many grown-ups have lost sight of what matters and children have to remember to be tolerant towards

them. But adult or child, very silly or very wise, this story is for you. Includes exclusive material: In the Backstory you can read a letter from master storyteller and translator of this book Michael Morpurgo!

Wind, Sand and Stars Houghton Mifflin Harcourt

A reconnaissance pilot for France during World War II, Antoine de Saint-Exupéry spent many dangerous days in the air above enemy occupied territory.

"Wartime Writings" recounts some of his aviation exploits.

Sand, Wind, and War Simon and Schuster

The release of the film *The Little Prince*, adapted from the masterpiece by Antoine de Saint-Exupéry and produced by Mark Osborne, offers a publisher the chance to shed new light on this universal work. The delicate stop-motion animation used in the feature film, created by cutting and animating pieces of paper, sets the stage for a poetic re-reading of this timeless classic. Both young and old are able to relate to the story of the little prince and discover for themselves that "the only way to see is with one's heart."

Wind, Sand and Stars Penguin Classics
The Little Prince (French: *Le Petit Prince*; first published in 1943, is a novella, the most famous work of French aristocrat, writer, poet, and pioneering aviator Antoine de Saint-Exupéry. The novella is one of the most-translated books in the world and has been voted the best book of the 20th century in France.
