**I Found My Friends** Hal Leonard  
Publishing Corporation

The Rough Guide to Nirvana in a new ePub format uncovers the magic and tragedy of this iconic 90's grunge band - from small-town gigs to the last days of Kurt Cobain, delve into the story of the life and afterlife of this extraordinary, all too short-lived group. Written by Gillian G. Gaar, a Seattle music journalist who has personally interviewed many of those involved in the story, no other book explores and documents Nirvana's history, critiques every Nirvana album, single, EP and compilation, including the rare, stray Nirvana tracks and solo

projects, and summaries the array of other Nirvana books and Nirvana films, in one volume. From Nirvana's early days on the burgeoning Seattle music scene, the birth of grunge, their global success and the untimely death of lead singer Kurt Cobain, the Rough Guide to Nirvana delivers a wealth of musical insight as the definitive guide to Nirvana.

*Until Nirvana's Time* HarperCollins (Drum Book). If you're new to the drums, you are probably eager to learn some songs. This one-of-a-kind collection provides an accessible combo of drum notation and kit legends for the most popular songs drummers like to play from artists like the Beatles, Nirvana, U2 and Metallica. Songs include: American Idiot \* Beast of Burden \* Clocks \* Free Fallin' \* Give It Away \* Hurts So Good \*

La Grange \* My Generation \* Peg \*  
Shake It Off \* Smells like Teen Spirit \*  
Under Pressure \* Walk This Way \* Wipe  
Out \* You Really Got Me \* and more.

**Dave Grohl - Times Like His: Foo  
Fighters, Nirvana & Other**

**Misadventures** PediaPress

includes a drum notation legend.

**The Drum Book** Hal Leonard

Corporation

Contains seventeen Drum transcriptions,

with melody lines of a selection of songs  
from four of Nirvana's albums, Bleach,  
Nevermind, Incesticide and In Utero. This  
title also includes such classic songs as  
Smells Like Teen Spirit, Heart Shaped  
Box and Come As You Are.

**The Best Beginner Drum Book** Da  
Capo Press

I Found My Friends recreates the short  
and tempestuous times of Nirvana  
through the musicians and producers  
who played and interacted with the  
band. The guides for this trip didn't just  
watch the life of this legendary  
band—they lived it. Soulsby interviewed  
over 150 musicians from bands that  
played and toured with Nirvana,  
including well-known alternative and  
grunge bands like Dinosaur Jr., The Dead  
Kennedys, and Butthole Surfers, as well

as scores of smaller, but no less fascinating bands. In this groundbreaking look at a legendary band, readers will see a more personal history of Nirvana than ever before, including Nirvana's consideration of nearly a dozen previously unmentioned candidates for drummer before settling on David Grohl, a recounting of Nirvana's famously disastrous South American shows from never-before-heard sources on Brazilian and Argentine sides, and the man who hosted the first ever Nirvana gig's recollections of jamming with the band at that inaugural event. *I Found My Friends* relives Nirvana's meteoric rise from the days before the legend to through their increasingly damaged superstardom. More than twenty years after Kurt Cobain's tragic death, Nick

Soulsby removes the posthumous halo from the brow of Kurt Cobain and travels back through time to observe one of rock and roll's most critical bands as no one has ever seen them before.

**Nirvana: The True Story** Hal Leonard Publishing Corporation

Lead sheets for 25 songs from the mega-hot video game phenom, including: Are You Gonna Be My Girl \* Black Hole Sun \* Dani California \* Detroit Rock City \* Don't Fear the Reaper \* Mississippi Queen \* Paranoid \* Should I Stay or Should I Go \* Suffragette City \* Wanted Dead or Alive \* Welcome Home \* Won't Get Fooled Again \* and more!

## Publications

Nirvana, the immortal grunge Rock and Roll Hall of Fame inductee, is as relevant and influential as ever. Kurt Cobain, Dave Grohl, and Krist Novoselic comprised Nirvana, the band that unintentionally tore the music world asunder with the 1991 album Nevermind. The record that includes hits such as "Smells like Teen Spirit," "Come as You Are," and "Lithium" continues to rattle speakers with grunge that truly rocks. Kurt Cobain and Nirvana, Updated Edition tells the fully illustrated story of the band that spoke for Generation X in the '90s. Here we are, a quarter century after Nirvana irrevocably changed rock and roll, and the band continues to make headlines and influence music lovers. A documentary about the band and

Cobain's solo album Montage of Heck: The Home Recordings were released last year, demanding a closer look at one of rock and roll's geniuses. Kurt Cobain and Nirvana reveals the band's history with fresh eyes, telling the story of a group that instigated a return to punk-inspired rock. This updated edition of the first-ever complete illustrated history of Nirvana features the writing of a sparkling team of grunge-rock experts and word slingers. The book also includes performance and backstage photography, as well as handbills, singles, ticket stubs, gig posters, and other memorabilia that complement the narrative. You'll also find album reviews, gear breakdowns, and mini synopses of Cobain's fifty all-time favorite albums. Nirvana's ride was a wild one - and all

too brief.

Nirvana (Songbook) Hal Leonard Corporation

When Nirvana first exploded onto the music scene in 1991 with the anthemic 'Smells Like Teen Spirit', few people could've predicted their subsequent global impact. No one knew then that Nevermind would become one of the seminal albums of the decade, selling over 30 million copies worldwide and spearheading a whole new 'grunge' movement. In so doing, the band's lead singer Kurt Cobain was transformed into one of music's most enduring and iconic figures. As drummer for the British group Captain America - one of the two support bands on Nirvana's Nevermind UK tour - Andy Bollen had a ringside seat at the exact moment that Nirvana went

massive. Afforded the sort of access a journalist could only dream of, Andy Bollen wrote up his own personal diary in Nirvana's dressing room. Here, he spoke candidly to Cobain: from his fears of losing original fans to his love of the Bay City Rollers. He saw firsthand how Nirvana worked, the relationships that made them tick and the dynamic that made them one of the great bands. Nirvana - A Tour Diary is a warm, affectionate, funny and, at times, brutally honest account, written by a guy on the periphery, waiting in the wings, a mixture of Woody Allen's Zelig and Cameron Crowe's Almost Famous. Drawing on diaries kept at the time, the book brings to life a pivotal moment in rock history making it a must-read for the many millions of Nirvana fans and

lovers of iconic rock stories everywhere. If you ever wanted to know what it was like to be there, backstage, at the start of the Nirvana phenomenon, then read on ...

*Icons of Rock [2 volumes]* Titan Books (US, CA)

Led Zeppelin's seventh studio album is arguably the band's darkest and most personal. Drawing from more than 30 years of documentation, interviews, and recorded footage, this drum transcription book delivers unprecedented accuracy.

Titles: \* Achilles Last Stand \* For Your Life \* Royal Orleans \* Nobody's Fault But Mine \* Candy Store Rock \* Hots on for Nowhere \* Tea for One

*The Storyteller* Hal Leonard Corporation

The first biography of Dave Grohl, drummer for the legendary band Nirvana

and singer/songwriter for the Foo Fighters

*Nirvana* Faber Music Limited

More than half a century after the birth of rock, the musical genre that began as a rebellious underground phenomenon is now acknowledged as America's-and the world's-most popular and influential musical medium, as well as the soundtrack to several generations' worth of history. From Ray Charles to Joni Mitchell to Nirvana, rock music has been an undeniable force in both reflecting and shaping our cultural landscape.

*Icons of Rock* offers a vivid overview of rock's pervasive role in contemporary society by profiling the lives and work of the music's most legendary artists. Most rock histories, by virtue of their all-encompassing scope, are unable to

cover the lives and work of individual artists in depth, or to place those artists in a broader context. This two-volume set, by contrast, provides extensive biographies of the 24 greatest rock n' rollers of all time, examining their influences, innovations, and impact in a critical and historical perspective. Entries inside this unique reference explore the issues, trends, and movements that defined the cultural and social climate of the artists' music. Sidebars spotlight the many iconic elements associated with rock, such as rock festivals, protest songs, and the British Invasion. Providing a wealth of information on the icons, culture, and mythology of America's most beloved music, this biographical encyclopedia will serve as an invaluable resource for students and music fans

alike.

**First 50 Songs You Should Play on Drums** Hal Leonard Publishing

Corporation

This updated edition of Kurt Cobain and Nirvana features over 250 beautiful photographs and fascinating history of the band that popularized grunge.

Taking Punk to the Masses Univ. of Queensland Press

Have you ever heard an awesome drum fill and found yourself air-drumming it out? Odds are after mastering this book you'll be able to play it! This book breaks down and explores legendary rock drum fills from groups like Led Zeppelin, the Who, Rush, Nirvana, Dream Theater, Blink 182, Tool, the Mars Volta and more, and teaches the tools and ideas to create your own. All examples are

presented in standard drum notation as well as on the accompanying audio.

*The Beat-o-Pedia* Fantagraphics Books

As the assistant editor of *Melody Maker*, Everett True was the first journalist to cover the Seattle music scene in early 1989 and interview Nirvana. He is responsible for bringing Hole, Pavement, Soundgarden, and a host of other bands to international attention. He introduced Kurt Cobain to Courtney Love, performed on stage with Nirvana on numerous occasions, and famously pushed Kurt onto the stage of the Reading Festival in 1992 in a wheelchair. *Nirvana: The Biography* is an honest, moving, incisive, and heartfelt re-evaluation of a band that has been misrepresented time and time again since its tragic demise in April 1994 following Kurt Cobain's suicide.

True captures what the band was really like. He also discusses the music scene of the time—the fellow bands, the scenes, the seminars, the countless live dates, the friends and allies and drug dealers. Drawn from hundreds of original interviews, *Nirvana: The Biography* is the final word on Nirvana, Cobain, and Seattle grunge.

*Nirvana - Nevermind* Macmillan

*Taking Punk to the Masses: From Nowhere to Nevermind* visually documents the explosion of Grunge, the Seattle Sound, within the context of the underground punk subculture that was developing throughout the U.S. in the late 1970s and 1980s. The book serves as a companion and contextual backdrop to the *Nirvana: Taking Punk to the Masses* exhibition, which opens at

Seattle's Experience Music Project in 2011. This decade-and-a-half musical journey will be represented entirely through the lens of EMP's oral history and permanent object collection, an invaluable and rich cultural archive of over 800 interviews and 140,000 objects — instruments, costumes, posters, records and other ephemera dedicated to the pursuit of rock 'n' roll. Taking Punk to the Masses focuses on 100 key objects from EMP's permanent collection that illustrate the evolution of punk rock from underground subculture to the mainstream embrace (and subsequent underground rejection) of Grunge. These objects are put into context by the stories of those who lived it, culling from EMP's vast archive of oral histories with such Northwest icons as Mudhoney's

Mark Arm, cartoonist Peter Bagge, design legend Art Chantry, Beat Happening's Calvin Johnson, Sub Pop founders Bruce Pavitt and Jonathan Poneman, the Screaming Trees' Mark Lanegan, Nirvana's Krist Novoselic, photographer Charles Petersen, Soundgarden's Kim Thayil, and dozens of others. From the Northwest's earliest punk bands like The Wipers, to proto-grunge bands of the 1980s like Green River, Melvins and Malfunkshun, through the heady 1990s when bands such as Nirvana, Soundgarden, Pearl Jam, Alice in Chains and Mudhoney rose to the national stage and popularized alternative music, Taking Punk to the Masses is the first definitive history of one of America's most vibrant music scenes, as told by the participants who

helped make it so, and through the artifacts that survive.

**From Cradle to Stage** Hal Leonard  
Containing eight songs, this book helps you to become the drummer and includes a specially recorded sound-alike CD with backing tracks to play and sing along to. It also includes performance demonstrations featuring the talents of Noam Lederman. It is transcribed from the original recordings with drum charts, melody line and chord symbols.

*Songs for Beginners* Hal Leonard Corporation

Words and music by Kurt Cobain ... [et al.].

*Led Zeppelin - Presence Platinum Album Edition* Hal Leonard Corporation  
(FAQ). Nirvana FAQ traces the band from its genesis to its end. Founded by friends

Kurt Cobain and Krist Novoselic, Nirvana had a rocky start and a succession of drummers, but by the end of 1990, its debut album, *Bleach*, had garnered international attention and the group's sixth drummer, Dave Grohl, had joined the fold. Following its mentors Sonic Youth to Geffen Records, Nirvana had hoped for modest success. Instead came unexpected wealth and fame on the strength of 1991's *Nevermind* and its iconic, breakthrough single "Smells Like Teen Spirit." Success didn't sit well with Cobain, who began to numb the stresses of rock stardom with heroin. Despite 1993's hit album *In Utero*, Cobain's unhappiness became increasingly apparent. His suicide in April 1994 shocked the music world and put an end to a band at the height of its popularity.

Nirvana FAQ answers such questions as, What guitar teacher did Cobain and Novoselic have in common? Where did Cobain record his first demo? What was the cause of his first arrest? How was second guitarist Jason Everman hired and fired? What was the name of Grohl's first band, and where did he meet Cobain and Novoselic? Who is "Teen Spirit" about? How did Nirvana's war with Guns N' Roses begin? And more. Off the Record John Wiley & Sons The #1 New York Times Bestseller \* Named one of Variety's Best Music Books of 2021 \* Included in Audible's Best of The Year list \* A Business Insider Best Memoirs of 2021 \* One of NME's Best Music Books of 2021 So, I've written a book. Having entertained the idea for years, and even offered a few

questionable opportunities ("It's a piece of cake! Just do 4 hours of interviews, find someone else to write it, put your face on the cover, and voila!") I have decided to write these stories just as I have always done, in my own hand. The joy that I have felt from chronicling these tales is not unlike listening back to a song that I've recorded and can't wait to share with the world, or reading a primitive journal entry from a stained notebook, or even hearing my voice bounce between the Kiss posters on my wall as a child. This certainly doesn't mean that I'm quitting my day job, but it does give me a place to shed a little light on what it's like to be a kid from Springfield, Virginia, walking through life while living out the crazy dreams I had as young musician. From hitting the road

with Scream at 18 years old, to my time in Nirvana and the Foo Fighters, jamming with Iggy Pop or playing at the Academy Awards or dancing with AC/DC and the Preservation Hall Jazz Band, drumming for Tom Petty or meeting Sir Paul McCartney at Royal Albert Hall, bedtime stories with Joan Jett or a

chance meeting with Little Richard, to flying halfway around the world for one epic night with my daughters...the list goes on. I look forward to focusing the lens through which I see these memories a little sharper for you with much excitement.
