CONRAD BENITEZ

One-Cent Tent Sterling Publishing (NY) Unicorn' by Bela Borsodi (b. 1966, Austrian) is comprised of a series of seemingly abstract still life photographs, which upon further inspection reveal themselves to be tautly illustrative photographic rebus puzzles ? allusive devices that use pictures to represent words or parts of words. When viewed without context, the photographs contain a seemingly random conflation of imagery and items, but slowly and through observation, patterns emerge through clues laid throughout the frame. Objects

appear precisely placed, and letters indicate verbal additions or subtractions. You start to break down the images into sectors, forcing yourself to look at the photographs in a manner unlike your regular ways of seeing. You excoriate the frame, searching for clues. By the time you've solved the puzzle, you've also luxuriated into a new photographic realm.0Importantly noted, Borsodi's images are composed entirely in camera. While from afar they might seem to be abstract collages combining unconnected images and overlaid typography, Borsodi's control of composition is nothing if not entirely ordered. The seemingly flat typographic clues are in fact three dimensional hand crafted letters placed

among the objects. Through these elements, the images do two things at once ? they aesthetically compel as visual art must and also work as a thematic device.

Standing in Another Man's Grave Clarkson Potter

John Rebus returns to investigate the disappearances of three women from the same road over ten years. For the last decade, Nina Hazlitt has been ready to hear the worst about her daughter's disappearance. But with no sightings, no body, and no suspect, the police investigation ground to a halt long ago, and Nina's pleas to the cold case department have led her nowhere. Until she meets the newest member of the

team: former Detective John Rebus. Rebus has never shied away from lost causes - one of the many ways he managed to antagonize his bosses when he was on the force. Now he's back as a retired civilian, reviewing abandoned files. Necessary work, but it's not exactly scratching the itch he feels to be in the heart of the action. Two more women have gone missing from the same road where Sally Hazlitt was last seen. Unlike his skeptical colleagues, Rebus can sense a connection - but pursuing it leads him into the crosshairs of adversaries both old and new. Rebus may have missed the thrill of the hunt, but he's up against a powerful enemy who's got even less to lose. On the twentieth anniversary of Ian Rankin's first American publication comes a novel bursting with the vitality and suspense that made its author one of crime fiction's most dazzling stars. Standing in Another Man's Grave is the triumphant return of John Rebus, and a riveting story of sin, redemption, and revenge.

Your job as the puzzle solver is to work out what the puzzle is trying to say. Here's an example: THODEEPUGHT The word DEEP in the middle of the letters and the remaining letters spell out the word THOUGHT. So, the answer to this puzzle is 'deep in thought'. Talking of 'deep in thought', rebus puzzles are brilliant for cognitive development. Cognitive development refers to how we think and

Word plexers are word-based puzzles that
 describe a word or phrase without actually
 spelling it out. For example, KCART would
 be backtrack since it is the word track
 spelled backwards. These kinds of puzzles
 are sometimes called wacky wordies or
 rebuses, although the latter is usually a
 picture-based puzzle. We have grouped
 our puzzles by difficulty, making the
 easiest level appropriate for students who
 have never seen word plexers before, and
 with the hardest level being nearly
 impossible to solve without help.

Knots and Crosses ABDO Publishing Company

The fifth novel featuring Inspector John Rebus, available for the first time as an e-book and with an exclusive introduction by author Ian Rankin. When the Central Hotel, a place of decidedly unsavory reputation, burned to the ground in a mysterious fire, the Edinburgh police were unable to disguise their delight. That is, until a body was found in the still-smoldering ashes, charred beyond all identification but with a bullet lodged in its skull. Now it's five years later and Inspector John Rebus is following any leads in a vicious off-duty ambush that has put one of his favorite junior officers into a coma. A cheap black notebook belonging to the wounded policeman contains a cryptic allusion to the almost-forgotten blaze, but crucial pieces of the puzzle obstinately refuse to fall into place. What could young Detective Sergeant Brian Holmes have learned to render him such a threat that he must be silenced at all costs? "The past is important," Rebus hardly needs to remind himself, yet the secrets he persists in

uncovering are buried in layer upon layer of sordid and evil lies.

Rebus comes out of retirement...to save his nemesis. Detective Inspector Siobhan Clarke is feeling the heat. She's investigating the death of a senior government prosecutor, David Minton, who has friends in high places. When one of their own is killed, the powers that be want answers fast. But Clarke is puzzled: if Minton died in a robbery as everyone thinks, why is nothing missing from his home? The answer may lie not in what was taken, but in what was left behind at the scene -- an ominous note. Malcolm Fox is feeling useless. Shunned by his colleagues because of his past in the Complaints bureau, he's been reassigned to a grunt detail, helping a surveillance team -- one that trusts him even less than his own boss does -- track a notorious Glasgow crime family. Helping Clarke with the Minton case is the only thing that makes Fox feel like a real cop. Newly minted civilian John Rebus is feeling

restless. Being a cop is in his blood and he's failing miserably at retirement. So when Clarke and Fox ask for his help, Rebus doesn't need long to consider his options. But before he can get his bearings, a call comes from Rebus's old nemesis -- "Big Ger" Cafferty. Someone just fired a bullet through his front window -- and sent him a note identical to Minton's. The normally unflappable old gangster is on edge, but for the life of him Cafferty can't figure out who he's wronged. And the only man he trusts with his life is Rebus. As the cases collide, it's up to Clarke, Fox, and Rebus to connect the dots and save their unlikely ally Cafferty, whose past harbors a shocking secret that implicates Minton's friends in an unspeakable crime. Even Dogs in the Wild reunites crime fiction legend Ian Rankin's greatest characters in an explosive story exploring the darkest corners of our desires.
