SARIAH BLAINE		When twelve-year-old Dana Shannon starts to strip away wallpaper in her family's old house, she's unprepared for the surprise that awaits her. A hidden room—containing a human skeleton! How did such a thing get there? And why was the tiny room sealed up? With the help of a diary found in the room, Dana learns her house was once a station on the Underground Railroad. The young woman whose remains Dana discovered was Lizbet Charles, a conductor and former slave. As the scene shifts between Dana's world and 1856, the story of the families that lived in the house unfolds. But as pieces of the puzzle begin to fall into place, one haunting question remains—why did Lizbet Charles die?	Narrative of the Life of Frederick Douglass (Original ... Perfection Learning

Brain-Based Strategies You Can Use Today to Enhance Your Child's Love of Learning How Your Child Learns Best is a groundbreaking guide for parents that combines the latest brain research with the best classroom practices to reveal scientifically savvy ways to improve your child's success in school. Written by Judy Willis, MD, MEd, a board-certified neurologist who is also a full-time classroom teacher, How Your Child Learns Best shows you not only how to help your child learn schoolwork, but also how to capitalize on the way your child's brain learns best in order to enrich education wherever you are, from the grocery store to the car - a necessity in today's "teach to the test" world. By using everyday household items and enjoyable activities, parents of children ages three to twelve can apply targeted strategies (based on age and learning strength) in key academic areas, including: Reading comprehension Math word problems Test preparation Fractions and decimals Oral reading Reports and projects Science and history Reading motivation Vocabulary Discover how to help your child increase academic focus and success, lower test stress while increasing test scores, increase class participation, foster creativity, and improve attention span, memory, and higher-level thinking. How Your Child Learns Best shows how to maximize your child's brain potential and offers something for every parent who wants the best for his or her child. "At last we parents now have a reference that will help guide us in assisting our children's growth and flowering. This book is what parents have been searching for and need now more than ever." - from the foreword by Goldie Hawn		The Highwayman Orca Book Publishers	She was a young German Jew. He was an ardent member of the Hitler Youth. This is the story of their parallel journey through World War II. Helen Waterford and Alfons Heck were born just a few miles from each other in the German Rhineland. But their lives took radically different courses: Helen's to the Auschwitz concentration camp; Alfons to a high rank in the Hitler Youth. While Helen was hiding in Amsterdam, Alfons was a fanatic believer in Hitler's "master race." While she was crammed in a cattle car bound for the death camp Auschwitz, he was a teenage commander of frontline troops, ready to fight and die for the glory of Hitler and the Fatherland. This book tells both of their stories, side-by-side, in an overwhelming account of the nightmare that was World War II. The riveting stories of these two remarkable people must stand as a powerful lesson to us all.
<i>Luck</i> Bloomsbury Publishing		Steal Away Home Ember	Parallel Journeys Holiday House
The Black Panther Party represents Black Panther Party members' coordinated responses over the last four decades to the failure of city, state, and federal bureaucrats to address the basic needs of their respective communities. The Party pioneered free social service programs that are now in the mainstream of American life. The Party's Sickle Cell Anemia Research Foundation, operated with Oakland's Children's Hospital, was among the nation's first such testing programs. Its Free Breakfast Program served as a model for national programs. Other initiatives included free clinics, grocery giveaways, school and education programs, senior programs, and legal aid programs. Published here for the first time in book form, The Black Panther Party makes the case that the programs' methods are viable models for addressing the persistent, basic social injustices and economic problems of today's American cities and suburbs.		The go-to book for including ALL learners in educational success! Teaching students with diverse needs require educators to employ empathy, responsiveness, and patience. This book has long been the indispensable resource for K-12 teachers as they confidently form lesson plans and strategies for inclusion. In this new edition, Toby J. Karten's data-driven methods are updated with the latest research and policy developments. The book's content includes: Updated information on ADA, IDEA, writing IEPs, transitional services, classifications, RTI, metacognitive strategies, and links to the Common Core Tips for working with families and making them an integral part of the inclusive team An overview of special education legislative terminology Interactive online forms for planning, documentation, and collaboration	A heartwarming story about the new girl in school, and how she learns to appreciate her Korean name. Being the new kid in school is hard enough, but what happens when nobody can pronounce your name? Having just moved from Korea, Unhei is anxious about fitting in. So instead of introducing herself on the first day of school, she decides to choose an American name from a glass jar. But while Unhei thinks of being a Suzy, Laura, or Amanda, nothing feels right. With the help of a new friend, Unhei will learn that the best name is her own. From acclaimed creator Yangsook Choi comes the bestselling classic about finding the courage to be yourself and being proud of your background.
Night of the New Magicians Simon and Schuster		The Dred Scott Case UNM Press	Any Pet Will Do Harper Collins
DYLAN'S SCOUT TROOP goes camping in Halape, a remote spot below the volcano on the Big Island of Hawaii. The only thing wrong with the weekend on a beautiful, peaceful beach is Louie, a tough older boy. Louie and Dylan just can't get along. That night an earthquake rocks the camp, and then a wave rushes in, sweeping everyone and everything before it. Dylan and Louie must team up on a dangerous rescue mission. The next hours are an amazing story of survival and the true meaning of leadership.		30th Anniversary edition with a new introduction from the author Hannah is tired of holiday gatherings—all her family ever talks about is the past. In fact, it seems to her that's what they do every Jewish holiday. But this year's Passover Seder will be different—Hannah will be mysteriously transported into the past . . . and only she knows the unspeakable horrors that await. Winner of the National Jewish Book Award "A triumphantly moving book." --Kirkus Reviews, starred review	Technology for Learners with Autism Spectrum Disorders provides readers with an in-depth look at the characteristics of learners with ASD and explains how different forms of technology can be used to create learning opportunities for autistic students. The book is both academic and practical to appeal to multiple audiences: academicians, parents, teachers and therapists. Currently, there is scant literature speaking to the types of academic activities that should be developed and used to help children with ASD gain skills in academic areas: reading, writing, effective communication and mathematics. This book fills that void by including sample academic activities, explaining strategies for working with children diagnosed with ASD and examining ways a variety of technology tools can be used. All of the activities are visually appealing and they have been used with learners diagnosed with ASD.
<i>Life of Fred</i> Simon and Schuster		The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. Critically acclaimed when it was first published, Natalie Babbitt's Tuck Everlasting has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which Natalie Babbitt takes a look at Tuck Everlasting decades later. Now a major motion film available on streaming, featuring stars Alexis Bledel, Ben Kingsley, and Sissy Spacek! What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when she discovers a spring on her family's property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then Winnie must decide whether or not to keep the Tucks' secret—and whether or not to join them on their never-ending journey. This title has Common Core connections.			Ten-year-old Jonathan practically lives at the Anchorage Zoo, where his father is a keeper. He loves animals, and even imagines himself inside their bodies, seeing what they see, feeling what they feel. Meanwhile, a young brown bear is wandering through the woods near Anchorage, alone and hungry. One night, while searching for food, the bear crosses paths with Jonathan, who eagerly follows him onto the zoo grounds. But when the bear accidentally kills Mama Goose, Jonathan's favorite zoo creature, the boy loses the empathy he had felt earlier. He wishes that the bear—now nicknamed Trouble—would meet the same fate as his beloved goose, and he impulsively takes steps to make sure that happens. Based on an actual incident, and told in alternating chapters from the bear's and Jonathan's points of view, this is both an involving animal story and a thought-provoking investigation into the consequences of one's actions.

[Night of the Twisters](#) Kumon Reading Workbooks

Luck is a classic humorous short story written by Mark Twain and first published in 1891. It's about a hero who is really a fool, and why he owes it all to luck. Samuel Langhorne Clemens (November 30, 1835 - April 21, 1910), better known by his pen name Mark Twain, was an American author and humorist. He wrote *The Adventures of Tom Sawyer* (1876) and its sequel, *Adventures of Huckleberry Finn* (1885), the latter often called "The Great American Novel." Twain grew up in Hannibal, Missouri, which provided the setting for *Huckleberry Finn* and *Tom Sawyer*. After an apprenticeship with a printer, he worked as a typesetter and contributed articles to the newspaper of his older brother, Orion Clemens. He later became a riverboat pilot on the Mississippi River before heading west to join Orion in Nevada. He referred humorously to his singular lack of success at mining, turning to journalism for the *Virginia City Territorial Enterprise*. In 1865, his humorous story, "The Celebrated Jumping Frog of Calaveras County," was published, based on a story he heard at Angels Hotel in Angels Camp, California, where he had spent some time as a miner. The

short story brought international attention, and was even translated into classic Greek. His wit and satire, in prose and in speech, earned praise from critics and peers, and he was a friend to presidents, artists, industrialists, and European royalty. Though Twain earned a great deal of money from his writings and lectures, he invested in ventures that lost a great deal of money, notably the Paige Compositor, a mechanical typesetter, which failed because of its complexity and imprecision. In the wake of these financial setbacks, he filed for protection from his creditors via bankruptcy, and with the help of Henry Huttleston Rogers eventually overcame his financial troubles. Twain chose to pay all his pre-bankruptcy creditors in full, though he had no legal responsibility to do so. Twain was born shortly after a visit by Halley's Comet, and he predicted that he would "go out with it," too. He died the day after the comet returned. He was lauded as the "greatest American humorist of his age," and William Faulkner called Twain "the father of American literature." Twain began his career writing light, humorous verse, but evolved into a chronicler of the vanities, hypocrisies and murderous acts of mankind. At mid-career, with *Huckleberry Finn*, he combined rich humor, sturdy narrative and social criticism. Twain was a master at rendering colloquial speech and helped to create and popularize a distinctive American literature built on American themes and language. Many of Twain's works have been suppressed at times for various

reasons. *Adventures of Huckleberry Finn* has been repeatedly restricted in American high schools, not least for its frequent use of the word "nigger," which was in common usage in the pre-Civil War period in which the novel was set.

[The Sugar-Plum Tree and Other Verses](#) Sourcebooks, Inc.

Silas Marner is the third novel by George Eliot, published in 1861. An outwardly simple tale of a linen weaver, it is notable for its strong realism and its sophisticated treatment of a variety of issues ranging from religion to industrialisation to community.

[One Dark and Scary Night](#) Knopf Books for Young Readers

The road was a ribbon of moonlight over the purple moor, And the highwayman came riding- Riding-riding- The highwayman came riding, up to the old inn-door. In Alfred Noyes's thrilling poem, charged with drama and tension, we ride with the highwayman and recoil from the terrible fate that befalls him and his sweetheart Bess, the landlord's daughter. The vivid imagery of the writing is matched by Charles Keeping's haunting illustrations which won him the Kate Greenaway Medal. This new edition features rescanned artwork to capture the breath-taking detail of Keeping's illustrations and a striking new cover.
