True Love Never Dies Penguin Books

A visionary novel from the author of *Super Sad True Love Story* and *Little Failure*. The *Russian Debutante's Handbook* introduces Vladimir Girshkin, one of the most original and unlikely heroes of recent times. The twenty-five-year-old unhappy lover to a fat dungeon mistress, affectionately nicknamed "Little Failure" by his high-achieving mother, Vladimir toils his days away as a lowly clerk at the bureaucratic Emma Lazarus Immigrant Absorption Society. When a wealthy but psychotic old Russian war hero appears, Vladimir embarks on an adventure of unrelenting

lunacy that takes us from New York's Lower East Side to the hip frontier wilderness of Prava--the Eastern European Paris of the nineties. With the help of a murderous but fun-loving Russian mafioso, Vladimir infiltrates the Prava expat community and launches a scheme as ridiculous as it is brilliant. Bursting with wit, humor, and rare insight, *The Russian Debutante's Handbook* is both a highly imaginative romp and a serious exploration of what it means to be an immigrant in America.

**True Love** Simon and Schuster

"In a lyrical and hard-hitting exploration of betrayal and healing, the son of a Connecticut socialite comes to terms with his abuse at the hands of a beloved priest" (Kirkus Reviews, starred review). As sixteen-year-old Aidan Donovan's fractured family disintegrates around him, he searches for solace in a few bumps of Adderall, his father's wet bar, and the attentions of his local priest, Father Greg—the only adult who actually listens to him. When Christmas hits, Aidan's world collapses in a crisis of trust when he recognizes the darkness of Father Greg's affections. He turns to a crew of new friends to help make sense of his life: Josie, the girl he just might love; Sophie, who's a little wild; and Mark, the charismatic swim team captain whose own secret agonies converge with Aidan's. The Gospel of Winter maps the ways love can be used as a weapon against the innocent—but can also, in the right hands, restore hope and even faith. Brendan Kiely's unflinching and courageous debut novel exposes the damage from the secrets we keep and proves that in truth,

there is power. And real love.

Penguin

"Charming. . . . A moving testament to the diversity and depths of love." —Publishers Weekly You'll laugh, you'll cry, you'll be swept away—in less time than it takes to read this paragraph. Here are 175 true stories—honest, funny, tender and wise—each as moving as a lyric poem, all told in no more than one hundred words. An electrician lights up a woman's life, a sister longs for her homeless brother, strangers dream of what might have been. Love lost, found and reclaimed. Love that's romantic, familial, platonic and unexpected. Most of all, these stories celebrate love as it exists in real life: a silly remark that leads to a lifetime together, a father who struggles to remember his son, ordinary moments that burn bright.

*The Russian Debutante's Handbook* Simon and Schuster

"A truly profound debut."—Buzzfeed "A time-bending suspense that's contemplative and fresh, evocative and gripping."—USA Today "Henry's story captivates, both as a romance and as an imaginative rethinking of time and space."—Publishers Weekly "This time-traveling, magical, and beautifully written love story definitely deserves a spot on your bookshelf."—Bustle Emily Henry's stunning debut novel is *Friday Night Lights* meets *The Time Traveler's Wife* and perfectly captures those bittersweet months after high school, when we dream not only of the future, but of all the roads and paths we've left untaken. Natalie's last summer in her small Kentucky hometown is off to a magical start . . . until she starts seeing the "wrong things." They're just momentary glimpses at first—her front door is red instead of its usual green, there's a preschool where the garden store should be. But then her whole town disappears for hours, fading

away into rolling hills and grazing buffalo, and Nat knows something isn't right. Then there are the visits from the kind but mysterious apparition she calls "Grandmother," who tells her, "You have three months to save him." The next night, under the stadium lights of the high school football field, she meets a beautiful boy named Beau, and it's as if time just stops and nothing exists. Nothing, except Natalie and Beau.

Alix accepts the quirky bequest, in part because it gives her time to plan her best friend's storybook wedding. But it seems that Adelaide Kingsley had a rather specific task for Alix: to solve the strange disappearance of one of the Kingsley women, Valentina, more than two hundred years ago. If that wasn't troubling enough, Alix must deal with the arrogant (and extremely good-looking) architect Jared Montgomery, who is living in the property's guesthouse and who harbours secrets of his own. As sparks fly, the ghosts of the past begin to reveal themselves. Finding their lives inextricably entwined with the turbulent fortunes of their ancestors, Alix and Jared discover that only by righting the wrongs of the past can they hope to be together.
