AEPA English Practice Questions are the simplest way to prepare for your AEPA test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. If someone has never taken a practice test, then they are unprepared for the types of questions and answer choices that they will encounter on the official test. There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices. Another advantage of taking practice tests is that you can assess your performance and see if you need to study and practice more, or if you're already prepared enough to achieve success on your test day. If you do well on the practice test, then you know you're prepared. If you struggle on the practice test, then you know you may still have more work to do to get prepared. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our AEPA English Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our AEPA English Practice Questions

the AP Program CHAPTER 2 - Learning About the "Other" Literature - What is Literature? - A Brief Look at the Significance of the Essay - Strategies for Critical Reading of Prose Passages - What Critical Readers Do - Commentary on Mark Twain's "Female Suffrage" - Commentary on Ben Franklin's "The Handsome and Deformed Leg"- - Commentary on the Excerpt from Charles Lamb's "A Bachelor's - Complaint of the Behaviour of Married People" - Conclusion CHAPTER 3 - Writing About the "Other" Literature: A Critical Dialogue - Critical Writing - Writing as Dialogue - Writing for the AP Examination - Strategies for Analysis and Argument - Analytic Writing: A Critical Dialogue with Washington Irving's "The Voyage" - A Critical Dialogue on "Idleness an Anxious and Miserable State" by Samuel Johnson and "An Apology for Idlers" - by Robert Louis Stevenson - A Brief Review of Argumentative Structure - Argument Outline CHAPTER 4 - Preparing for and Taking the AP Exam - Format of the AP English Language & Composition Examination - Critical Reading of Prose Passages- - Answering Multiple-Choice Questions - Answering Essay Questions - Strategies for Answering Essay Questions - Scoring Guidelines CHAPTER 5 - Glossary of Literary and Rhetorical Terms AP ENGLISH LANGUAGE & COMPOSITION PRACTICE TEST I - Test I - Answer Key - Detailed Explanations of Answers AP ENGLISH LANGUAGE & COMPOSITION PRACTICE TEST II - Test II - Answer Key - Detailed Explanations of Answers AP ENGLISH LANGUAGE & COMPOSITION PRACTICE TEST III - Test III - Answer Key - Detailed Explanations of Answers APPENDICES - Appendix A - Punctuation - Appendix B - Spelling ANSWER SHEETS INSTALLING REA's TESTware USING YOUR INTERACTIVE TESTware Chapter 1 : Scoring High on the AP English Language & Composition Exam About the Book This test-preparation guide provides all the tools you'll need to do well on the Advanced Placement Examination in English Language & Composition. In addition to test-taking techniques and the information required by the test - such as literary definitions and essay structure - you will find complete lessons that teach you the skills demanded by this test. The instructional passages of this book teach you critical reading skills by using material beyond the range of the AP exam. You will be taught by lesson and example how to write high-scoring essays that demonstrate all you have learned. To complement the chapters on critical reading, Chapter 4 focuses on the test itself and prepares you for it specifically. Everything you need to know for the test is encapsulated in this chapter. You will find helpful facts about the AP exam, along with a breakdown of the questions into easily recognizable types. As the time of the test approaches, you will be able to concentrate on this chapter for the most time-efficient preparation. Our book also provides three full-length practice tests. Our exams include thorough explanations of the answers for added instruction and self-diagnosis of problem areas. We also include a glossary of literary terms with 65 entries, all fully defined. About the Test The Advanced Placement Examination in English Language & Composition is geared toward the student who has studied the mechanics of writing and rhetoric at an advanced level, and wishes to pursue college credit. Take care not to confuse the AP Examination in English Language & Composition with the AP Examination in Literature & Composition. The Literature exam focuses on literature and literary criticism, while the Language exam deals with writing as a craft. This book is designed to help you prepare for the AP Examination in English Language & Composition only. The AP English Language & Composition Exam is divided into two sections: Section 1 - Multiple-Choice (60 minutes - accounts for 45% of total score) Five or six reading passages, with an average of 10 questions each. Section 2 - Free-Response (up to 120 minutes - accounts for 55% of total score) Three essay questions. The first section consists of five or six

reading passages and sixty multiple-choice questions, which you will have one hour to complete. Each passage will be followed by an average of ten questions and thereafter the passage will not be referred to again. Do not feel pressured to remember each reading - just digest them one at a time and move on. After reading the passage, you will have approximately one minute to answer each question. The second section of the AP English Language & Composition Exam consists of three essay questions, and is divided such that you will have forty minutes to write each essay. Do not expect to be able to go back to an essay after the allotted time has elapsed. Note that each essay has very specific instructions, and most have a passage which you will read critically to answer the essay question. Your essays will be scored according to the essay structure, the clarity of your writing, and the extent to which you have answered the question. Scoring the Exam The multiple-choice section of the exam is scored by crediting each correct answer with one point and deducting one-fourth of a point for each incorrect answer. Unanswered questions receive neither a credit nor a deduction. The free-response essays are graded by more than 5,000 instructors and professors who gather together each June for a week of non-stop AP essay grading. Each essay booklet is read and scored by four graders. Each grader provides a score for the individual essays. This score is a number on a scale from 0 to 9, 0 being the lowest and 9 the highest. The graders are not aware of each other's scores. When the essays have been graded four times, the scores are averaged - one score for each of the three essays - so that the free-response section is composed of three scores. The three essays are weighted equally, and the total weight of the free-response section is fifty-five percent of the total score. The multiple-choice section accounts for forty-five percent of the total score. Each year the overall grades may fluctuate because the grading scale depends upon the performance of students in past AP administrations. The following method of scoring, along with the corresponding chart, will give you an approximation of your score. It will not indicate the exact score you would get on the actual AP English Language & Composition Exam

The Advanced Placement Exam with Reas Testware Test Prep Books

If Phonetics is a comparatively recent subject for European students of foreign languages and is eyed by them with some suspicion as an invention that is meant to make their studies difficult, it is even more so with English Phonetics for African students. Have not Africans been learning English for over a century, and with good results in many cases, without giving a thought to its phonetics? Why introduce this new subject and add to the number of books they have to read and the number of examinations they have to pass before they can get their degree? Yet if the study of a foreign language is to be up to date its phonetics cannot be neglected; on the contrary, it is as important as the study of its spelling, if not more so. With the invention of radio and telephone, of gramophone and tape-recorders, the importance of the spoken word has increased immensely and it is far more essential now than it was a hundred years ago that those who learn a foreign language should learn to speak it properly. Thus a new subject has been added to the schedule of language students and teachers: the study and practice of the sounds of the language, and for the teachers also the study of how to teach these sounds.
