The Workbook offers plenty of extra practice, revision, and reviews. Mirroring the Student's Book content, with the same clear structure, it provides extra reading and writing practice opportunities for both weaker and stronger students. The Writing Bank at the back of the book gives a quick guide to text types, with model structures and key language as well as exam

strategies, plus a Functions Bank for functional phrases for speaking and writing. There is plenty of exam practice in the Get Ready for your Exam sections and these, along with the Self-Check pages after each unit and the review sections at the back of the books, allow students and their teachers to keep track of their progress as they work towards their exams. The accompanying Audio CD offers students a huge amount of listening practice. There are audio recordings for tasks in every lesson (not only for the Vocabulary & Listening lessons).

of English as a Second
Language. The book
was developed and
tested by full-time

teachers of English. There are twelve short stories. Each story is designed to engage students in a well-rounded language learning experience. There are vocabulary, comprehension, speaking, and writing exercises following each story. The stories are entertaining and have plot twists and surprise endings. Teachers of English as a Second Language will enjoy using them to engage students on a wide range of topics and interests. A man is in the middle of a forest. Suddenly the earth opens and three figures come out of the opening. He is terrified. He thinks they are ghosts. Are they? A policeman is going to arrest a man. The policeman looks at the man's face and can't

believe his eyes. The man looks exactly like him. Is it a coincidence? A man builds a hang-glider and tries to escape on it to another country. The border is guarded by armed soldiers. The soldiers see him. Are they going to shoot him down? And much more. The stories are short (300 - 400 words). Each story and its exercises can be completed in 60 minutes. This book is for everybody who wants to improve their English. It's fun to learn English by reading interesting stories. You can also download a free audio version of the book read by a professional actor. See page 76. [Oxford Living Grammar](#) OUP Oxford
