### **A Taste of Power** Little, Brown

From burlesque show to fashion runway, magazine cover to Internet video, fashion icon and “burlesque superheroine” (Vanity Fair) Dita Von Teese has undergone more strokes of red lipstick, bursts of hair spray, boxes of blue-black hair dye and pats of powder in a month than a drag queen could dream of in a lifetime. Whether she’s dazzling audiences swirling in a towering martini glass in Swarovski-covered pasties and stilettos or sparking camera flashes on the red carpet, one reality is constant: for

this self-styled star, beauty is an art. Now, for the first time in her Technicolor career, Dita divulges the beauty wisdom that keeps her on international best-dressed lists and high-profile fashion show rosters in this illustration and photography-filled opus. In *Your Beauty Mark: The Ultimate Guide to Eccentric Glamour*, Dita and co-writer Rose Apodaca take you through every step of Dita’s glamour arsenal, and includes friends—masters in makeup, hair, medicine, and exercise as well as some of the world’s most eccentric beauties—for authoritative advice. This 400-page book is packed with sound nutrition and exercise guidance, skincare and scent insight, as well as accessible techniques

for creating bombshell hairstyles and makeup looks. Among the hundreds of lavish color photographs, instructive step-by-step images and original illustrations by Adele Mildred, this inspiring resource shares the skills, history, and lessons you need to enhance your individual gifts and realize your own beauty mark.

*What You Really Really Want* UCL Press  
*A Fine Balance*, Rohinton Mistry’s stunning internationally acclaimed bestseller, is set in mid-1970s India. It tells the story of four unlikely people whose lives come together during a time of political turmoil soon after the government declares a “State of Internal Emergency.” Through days of bleakness and hope, their circumstances -

and their fates – become inextricably linked in ways no one could have foreseen. Mistry’s prose is alive with enduring images and a cast of unforgettable characters. Written with compassion, humour, and insight, *A Fine Balance* is a vivid, richly textured, and powerful novel written by one of the most gifted writers of our time.

*The Thing Around Your Neck* NYU Press Internationally bestselling author and world-famous human behaviorist Desmond Morris turns his attention to the female form, taking the reader on a guided tour of the female body from head to toe. Highlighting the evolutionary functions of various physiological traits, Morris's study explores the various forms of enhancement and constraint that human societies have developed in the quest for the perfect female form. This is very much vintage Desmond Morris, delivered in his trademark voice: direct, clear, focused, and communicating what is often complex detail in simple language. In *THE NAKED WOMAN*, Desmond builds on his unrivalled experience as an observer of the human animal while tackling one of his most fascinating and challenging subjects to

date. -- Publisher description.

### **Idols and Celebrity in Japanese Media Culture** Knopf Canada

In this empowering, accessible guide, Jaclyn Friedman—co-editor of *Yes Means Yes*—gives young women the tools to decipher the modern world’s confusing, hypersexualized, sometimes dangerous landscape so they can define their own sexual identity. Friedman decries the hypocrisy and mixed messages of our culture (we’re failures if we don’t act sexy, but we’re sluts if we actually pursue sex; we need to be protected from rapists lurking in bushes, but deserve “whatever we get” if we have a drink at a party and wear a skirt), and encourages readers to separate fear from fact, decode the damaging messages all around them, and discover a healthy personal sexuality. Educational and interactive, *What You Really Really Want* includes revealing quizzes, creative exercises, and reality-based advice about sex and sexuality today. With Friedman’s informed advice to guide them, readers will build new skills for safely expressing their sexuality with lovers and explore effective ways to talk about tricky issues with family and

friends—and learn how to make the world a little safer for everyone else’s sexuality along the way.

*The Teen Years Explained* HarperCollins “[A] splendid collection . . . By turns wry, tender, pointed, and laugh-out-loud funny.” —Publishers Weekly “Untangles the many truths about hair, and the lives we lead underneath it.” —Pamela Druckerman, author of *Bringing Up Bébé* Ask a woman about her hair, and she just might tell you the story of her life. Ask a whole bunch of women about their hair, and you could get a history of the world. Surprising, insightful, frequently funny, and always forthright, the essays in *Me, My Hair, and I* are reflections and revelations about every aspect of women’s lives from family, race, religion, and motherhood to culture, health, politics, and sexuality. They take place in African American kitchens, at Hindu Bengali weddings, and inside Hasidic Jewish homes. The conversation is intimate and global at once. Layered into these reminiscences are tributes to influences throughout history: Jackie Kennedy, Lena Horne, Farrah Fawcett, the Grateful Dead, and Botticelli’s *Venus*. The long and the

short of it is that our hair is our glory—and our nemesis, our history, our self-esteem, our joy, our mortality. Every woman knows that many things in life matter more than hair, but few bring as much pleasure as a really great hairdo.

*Encyclopedia of Goddesses and Heroines*  
Longman

NEW YORK TIMES BEST SELLER • Sharon Stone tells her own story: a journey of healing, love, and purpose. • “Not your typical Hollywood autobiography. Brutally honest, restless and questing.” —O, The Oprah Magazine Sharon Stone, one of the most renowned actresses in the world, suffered a massive stroke that cost her not only her health, but her career, family, fortune, and global fame. In *The Beauty of Living Twice*, Stone chronicles her efforts to rebuild her life and writes about her slow road back to wholeness and health. In a business that doesn’t accept failure, in a world where too many voices are silenced, Stone found the power to return, the courage to speak up, and the will to make a difference in the lives of men, women, and children around the globe. Over the course of these intimate pages, as candid as a personal conversation, Stone talks

about her pivotal roles, her life-changing friendships, her worst disappointments, and her greatest accomplishments. She reveals how she went from a childhood of trauma and violence to a career in an industry that in many ways echoed those same assaults, under cover of money and glamour. She describes the strength and meaning she found in her children, and in her humanitarian efforts. And ultimately, she shares how she fought her way back to find not only her truth, but her family’s reconciliation and love. Stone made headlines not just for her beauty and her talent, but for her candor and her refusal to “play nice,” and it’s those same qualities that make this memoir so powerful. *The Beauty of Living Twice* is a book for the wounded and a book for the survivors; it’s a celebration of women’s strength and resilience, a reckoning, and a call to activism. It is proof that it’s never too late to raise your voice and speak out. *Imperial Leather* 101 Vagina Experiment with different hairstyle everyday. This *Hairstyles For Women* includes 400 pictures and over 40 hairstyles with step-by-step picture tutorials. There are many tutorials where

long hair is needed but there are also many hairstyle tutorials that work with short and medium length hair! You will also find haircare tips that address how to grow long, healthy hair. You will have a great hairstyle, and you are going to spend only 5-10 minutes from your precious time.

*Beards and Texts* explores the literary portrayal of beards in medieval German texts from the mid-twelfth to the early sixteenth centuries. It argues that as the pre-eminent symbol for masculinity the beard played a distinctive role throughout the Middle Ages in literary discussions of such major themes as majesty and humanity. At the same time beards served as an important point of reference in didactic poetry concerned with wisdom, teaching and learning, and in comedic texts that were designed to make their audiences laugh, not least by submitting various figure-types to the indignity of having their beards manhandled. Four main chapters each offer a reading of a work or poetic tradition of particular significance (Pfaffe Konrad’s *Rolandslied*; Wolfram von Eschenbach’s *Willehalm*;

'Sangspruchdichtung'; Heinrich Wittenwiler's Ring), before examining cognate material of various kinds, including sources or later versions of the same story, manuscript variants and miniatures and further relevant beard-motifs from the same period. The book concludes by reviewing the portrayal of Jesus in vernacular German literature, which represents a special test-case in the literary history of beards. As the first study of its kind in medieval German studies, this investigation submits beard-motifs to sustained and detailed analysis in order to shed light both on medieval poetic techniques and the normative construction of masculinity in a wide range of literary genres.

Sexing the Body Citadel Press

These twelve dazzling stories from Chimamanda Ngozi Adichie — the Orange Broadband Prize-winning author of *Half of a Yellow Sun* — are her most intimate works to date. In these stories Adichie turns her penetrating eye to the ties that bind men and women, parents and children, Nigeria and the United States. In "A Private Experience," a medical student hides from a violent riot with a poor

Muslim woman, and the young mother at the centre of "Imitation" finds her comfortable life in Philadelphia threatened when she learns that her husband has moved his mistress into their Lagos home. Searing and profound, suffused with beauty, sorrow and longing, this collection is a resounding confirmation of Adichie's prodigious literary powers.

**Female Genital Plastic and Cosmetic Surgery** Springer

"From using clamshell razors and homemade lye depilatories in the colonial era to using diode lasers and prescription pharmaceuticals in the twenty-first century, Americans have gone to great lengths to remove body hair deemed unsightly, unattractive, or unhealthy. In *Plucked*, Rebecca M. Herzig examines both the causes and consequences of routine hair removal in the U.S. *Plucked* illuminates some of the broad social and environmental effects of seemingly 'personal' choices: widespread experimentation on animals, exploitation of workers, exacerbation of racial divisions, and more. An engrossing, multidimensional history of cultural attitudes toward body hair and the

increasingly sophisticated tools used to remove it, *Plucked* reveals the complex political significance of even the most mundane activities of modern life."--Back cover.

**Inside of Me** Springer Science & Business Media

The United States is obsessed with virginity — from the media to schools to government agencies. In *The Purity Myth*, Jessica Valenti argues that the country's intense focus on chastity is damaging to young women. Through in-depth cultural and social analysis, Valenti reveals that powerful messaging on both extremes — ranging from abstinence-only curriculum to "Girls Gone Wild" infomercials — place a young woman's worth entirely on her sexuality. Morals are therefore linked purely to sexual behavior, rather than values like honesty, kindness, and altruism. Valenti sheds light on the value — and hypocrisy — around the notion that girls remain virgins until they're married by putting into context the historical question of purity, modern abstinence-only education, pornography, and public punishments for those who dare to have sex. *The Purity Myth* presents a

revolutionary argument that girls and women are overly valued for their sexuality, as well as solutions for a future without a damaging emphasis on virginity.

**Dolly Parton, Songteller** Quirk Books  
More Than 1,000 Goddesses & Heroines from around the World Groundbreaking scholar Patricia Monaghan spent her life researching, writing about, and documenting goddesses and heroines from all religions and all corners of the globe. Her work demonstrated that from the beginning of recorded history, goddesses reigned alongside their male counterparts as figures of inspiration and awe. Drawing on anthropology, folklore, literature, and psychology, Monaghan's vibrant and accessible encyclopedia covers female deities from Africa, the eastern Mediterranean, Asia and Oceania, Europe, and the Americas, as well as every major religious tradition.

**Plucked** Chronicle Books

"Captivating, minutely imagined . . . a novel that refuses to stay shut" ("Newsweek"), "Memoirs of a Geisha" is now released in a movie tie-in edition.

*Hairstyle Made Easy* Vintage

This guide incorporates the latest scientific

findings about physical, emotional, cognitive, identity formation, sexual and spiritual development in adolescent, with tips and strategies on how to use this information in real-life situations involving teens.

**Textbook of Clinical Pediatrics** John Wiley & Sons

We live in a visual age. Images and visual artefacts shape international events and our understanding of them. Photographs, film and television influence how we view and approach phenomena as diverse as war, diplomacy, financial crises and election campaigns. Other visual fields, from art and cartoons to maps, monuments and videogames, frame how politics is perceived and enacted. Drones, satellites and surveillance cameras watch us around the clock and deliver images that are then put to political use. Add to this that new technologies now allow for a rapid distribution of still and moving images around the world. Digital media platforms, such as Twitter, YouTube, Facebook and Instagram, play an important role across the political spectrum, from terrorist recruitment drives to social justice campaigns. This

book offers the first comprehensive engagement with visual global politics. Written by leading experts in numerous scholarly disciplines and presented in accessible and engaging language, *Visual Global Politics* is a one-stop source for students, scholars and practitioners interested in understanding the crucial and persistent role of images in today's world.

**Plush** Seal Press

Mickalene Thomas (born 1971) has won acclaim for her elaborate, colorful paintings of African-American women, often posed provocatively against rich, 1970s-themed backgrounds adorned with rhinestones, enamel and acrylics. Thomas draws from earlier traditions of portraiture to arrive at her contemporary sensibility. She engages with the tension between a personal investigation of eroticism, black femininity and beauty and a pop-cultural critique of the overt sexual imagery prevalent in the media--from Blaxploitation film heroines like Cleopatra Jones to the construction of middle-class, African-American taste in *Ebony* magazine. Her portraits of trans-generational female empowerment have been receiving

attention far beyond the standard art-world venues and have been reproduced everywhere from *The New Yorker* to *Bomb* magazine. Thomas also reenvisioned landscapes and interiors through playful and passionate recontextualizations of such artists as Romare Bearden, Édouard Manet, Henri Matisse and Balthus. Mickalene Thomas: *The Origin of the Universe* is the first monograph on the artist, and accompanies her first solo museum exhibition in the United States at the Santa Monica Museum of Art. It features a wide array of full-color reproductions of her work across media--much of it new and never before published--including photo collages and provocative landscapes, along with an interview with the artist and critical texts that elucidate her paintings' investigations of femininity, sexuality and power, and provide extensive context for her oeuvre as a whole.

*Feed* Jayne Blanchard

understandable and unambiguous drawings and photographs. It contains a step-by-step surgical approach, how to best select the right surgical candidates, how to treat this select group of patients, the sexual issues involved, how to individualize techniques for each specific patient, how to deal with criticism from colleagues or journalists, psychosexual issues, and patient protection.

**Visual Global Politics** New World Library

Anne Creamer considered herself a youthful 49 until a photo of herself with her teenage daughter stopped her in her tracks. In one unguarded moment she saw herself for what she really was -- a middle-aged woman with her hair dyed much too harshly. In that one moment Creamer realized that she wasn't fooling anyone about her age and decided it was time to get real and embrace a more authentic life. She set out for herself a program to let her hair become its true color, and along the way discovered her true self. *Going Gray* is Creamer's exploration of that experience, and a frank, warm and funny investigation of aging as a female obsession. Through interviews, field experiments, and her own everywoman's

chronicle, Kreamer probes the issues behind two of the biggest fears aging women face: Can I be sexually attractive as a gray-haired, middle-aged woman? Will I be discriminated against in the work world? Her answers will surprise you. In searching for the balance between attractiveness and authenticity, Kreamer's journey of middle-aging illuminates in a

friendly, useful, and entertaining way the politics and personal costs of this generation's definition of "aging gracefully".

**The Purity Myth** Greenwood  
Imperial Leather chronicles the dangerous liaisons between gender, race and class that shaped British imperialism and its

bloody dismantling. Spanning the century between Victorian Britain and the current struggle for power in South Africa, the book takes up the complex relationships between race and sexuality, fetishism and money, gender and violence, domesticity and the imperial market, and the gendering of nationalism within the zones of imperial and anti-imperial power.
