Aurora Sky: Vampire Hunter Orbit  
After the death of the old man to whom young star pitcher House Jackson has been reading, House uncovers some secrets which may allow the annual Fourth of July baseball game to proceed, despite the county's anniversary pageant.

*She Lies in Wait* Arcadia Publishing  
Sixteen-year-old werewolf princess Ashling Boru is different from other wolves--she was able to shift to wolf form at birth. Rather than bringing pride to her family, it brings fear, and as a result, she is forced to live in seclusion in Ireland's countryside. Ashling's reputation is further blackened when she refuses her betrothed and defies the ancient laws. When her pack's oldest rivals begin hunting her, she finds herself in the small town of York Harbor, Maine--far from everything she's ever known. In Maine, she crosses paths with the dark and rebellious Grey Donovan,

and something ignites within her soul. There's just one problem: Grey is human. Their instant connection turns into a passionate romance, and Ashling begins to believe she can create her own life outside of wolf laws. When she begins to uncover long-buried pack secrets--secrets that threaten to destroy all she holds dear--Ashling's courage and tenacity are tested. Will she choose her deep and enduring love for Grey, or will she follow Old Mother's path to her destiny?

### **Killing Aurora** Macmillan

'Harris draws the guilty and the innocent into an engrossing tale while inventing a heroine as capable and potentially complex as P. D. James's Cordelia Gray' (Publishers Weekly) #1 New York Times and Sunday Times bestselling author Charlaine Harris introduces a librarian whose bookish bent for murder gets her involved in a real-life killing spree . . . Lawrenceton, Georgia, may be a growing suburb of Atlanta, but it's still a small town at heart. Librarian Aurora 'Roe' Teagarden grew up there and knows more than enough about her fellow

townsfolk, including which ones share her interest in the darker side of human nature . . . With those fellow crime buffs, Roe belongs to a club called Real Murders, which meets once a month to analyze famous cases. It's a harmless pastime - until the night she finds a member dead, killed in a manner that eerily resembles the crime the club was about to discuss. As other brutal "copycat" killings follow, Roe will have to uncover the person behind the terrifying game, one that casts all the members of Real Murders, herself included, as prime suspects-or potential victims . . . 'Clearly focused plot, animated description of character and real estate, and sparkling prose commend this breath of fresh air to all collections' (Library Journal) 'Great bloody fun' (Barbara Paul)

*Roar* Rowman & Littlefield Publishers

My blood is toxic to vampires . . . If there's one thing I want, it's to get off this iceberg. I'm thinking college on the East Coast. ANYWHERE besides Alaska. Then a near-fatal car wreck changes everything. Government agents jump in and save my life in exchange for my services as a vampire hunter. Did they just say vampires? Yep. And they're not the kind that sparkle. They're rabid, disgusting, rude . . . and way too suave. Those are the ones I really have to watch out for. A knife isn't my only weapon. My rare blood type sends vampires into temporary paralysis right before I have to finish the job by hand. Basically, I'm a glorified chew toy. Now I'm stuck with an overzealous partner, a group of suck junkies, and a maddening attraction to Mr. Joe Cool, dresses all in black, Fane Donado. Clearly, he's keeping secrets of his own. The old Aurora is gone forever. Destroyed in the wreckage. I don't know who I am anymore, only that I suddenly have intense cravings and a V.I.P. pass

into Alaska's underworld. If vampires found out who I worked for it would be lights out forever. In the meantime, I have some undead ass to kick so long as it doesn't kick mine first. Fans of young adult dark fantasy, vampires, action, and forbidden romance will devour this story. Get your copy and start reading today!

**Haunted Aurora** Rowman & Littlefield

"In the vein of Dave Cullen's *Columbine*, the first comprehensive account of the Sandy Hook tragedy--with exclusive new reporting that chronicles the horrific events of December 14, 2012, including new insight into the dark mind of gunman Adam Lanza. Twenty-six people dead; twenty of them schoolchildren between the ages of six and seven. The world mourned the devastating shooting at Sandy Hook elementary school in Newtown, Connecticut in December 2012. Now, here is the startling, comprehensive look at this tragedy, and into the mind of the unstable killer, Adam Lanza. Drawing on hundreds of interviews and a decade's worth of emails from Lanza's mother to close friends that chronicled his slow slide into mental illness, Newtown pieces together the perfect storm that led to this unspeakable act of violence that shattered so many lives. Newtown explores the two central theories that have permeated the media since the attack: some claim Lanza suffered from severe mental illness, while others insist that, far from being a random act of insanity, this was a meticulously thought out, premeditated attack at least two years in the making by a violent video-gamer so obsessed with "glory kills" and researching mass murderers that he was willing to go to any length to attain the top score. Lanza's dark descent from a young boy with adjustment disorders to a calculating killer is interwoven with the

Newtown massacre as it unfolded at the time, told from the points of view of eye witnesses, survivors, parents of victims, first responders, and Adam's relatives. A definitive account of a tragedy that shook a nation, Newtown features exclusive material including initial misinformation reported by the media and commentary on how this catastrophic event became a lightning rod for political agendas, much like Columbine did more than a decade ago"-

Hunting Season (Aurora Sky: Vampire Hunter, Vol. 4) Penguin

James Holmes killed or wounded seventy people in a movie theater in Aurora, Colorado. Only one man was allowed to record extensive interviews with the shooter. This is what he found. On July 20, 2012 in Aurora, Colorado, a man in dark body armor and a gas mask entered a midnight premiere of *The Dark Knight Rises* with a tactical shotgun, a high-capacity assault rifle, and a sidearm. He threw a canister of tear gas into the crowd and began firing. Soon twelve were dead and fifty-eight were wounded; young children and pregnant women were among them. The man was found calmly waiting at his car. He was detained without resistance. Unlike the Columbine, Newtown, San Bernadino, and Las Vegas shootings, James Holmes is unique among mass shooters in his willingness to be taken into custody alive. In the court case that followed, only Dr. William H. Reid, a distinguished forensic psychiatrist, would be allowed to record interviews with the defendant. Reid would read Holmes' diary, investigate his phone calls and text messages, interview his family and acquaintances, speak to his victims, and review tens of thousands of pages of evidence and court testimony in an

attempt to understand how a happy, seemingly normal child could become a killer. *A Dark Night in Aurora* uses the twenty-three hours of unredacted interview transcripts never seen by the public and Reid's research to bring the reader inside the mind of a mass murderer. The result is chilling, gripping study of abnormal psychology and how a lovely boy named Jimmy became a killer. *Last Scene Alive* Simon and Schuster NEW YORK TIMES BESTSELLING SERIES • From the internationally bestselling authors of the *Illuminae Files* comes a new science fiction epic . . . The year is 2380, and the graduating cadets of Aurora Academy are being assigned their first missions. Star pupil Tyler Jones is ready to recruit the squad of his dreams, but his own boneheaded heroism sees him stuck with the dregs nobody else in the academy would touch . . . A cocky diplomat with a black belt in sarcasm A sociopath scientist with a fondness for shooting her bunkmates A smart-ass tech whiz with the galaxy's biggest chip on his shoulder An alien warrior with anger-management issues A tomboy pilot who's totally not into him, in case you were wondering And Ty's squad isn't even his biggest problem-- that'd be Aurora Jie-Lin O'Malley, the girl he's just rescued from interdimensional space. Trapped in cryo-sleep for two centuries, Auri is a girl out of time and out of her depth. But she could be the catalyst that starts a war millions of years in the making, and Tyler's squad of losers, discipline cases, and misfits might just be the last hope for the entire galaxy. **NOBODY PANIC.**

**Bloodmark** White Lion Publishing Presents two tales of the supernatural, one about a three-hundred-year-old redheaded vampire, the other about a woman who believes the devil has

murdered her sister.

#### Aurora Minotaur Books

I have a secret. Darkness exists. I try to hide, but where can I go when it lives inside me? On the run from those who want to kill me, I've made an uneasy alliance and found a new home.

Everything is going just fine until a coven of witches walk into the pub where I work. Broody, sexy, and scary as hell, I'm determined to avoid them, no matter how much attraction sizzles between us. But Ezra, Alexander, Jason, and Benjamin have no intention of leaving me alone. They're the council's finest hunters, and they recognize the darkness that lives inside me, even if they don't know what it is. They're in town on a mission and agree to hold off turning me in. Which means I have limited time to convince them I'm not a bad person. The darkness inside me is growing, though, and when it breaks free in public, I'll be forced to face the consequence. The only question is, can I trust these men who I feel a bond with, or will it lead to my destruction? p.p1

#### *Real Murders* Random House

Aurora West, daughter of Arcopolis's last great hero, seeks to uncover the mystery of her mother's death, and to find her place in a world overrun with monsters and corruption.

#### Aurora's Angel Nikki Jefford

The squad you love is out of time. Prepare for the thrilling finale in the epic, bestselling Aurora Cycle series about a band of unlikely heroes who just might be the galaxy's last hope for survival. Is this the end? What happens when you ask a bunch of losers, discipline cases and misfits to save the galaxy from an

ancient evil? The ancient evil wins, of course. Wait . . . Not. So. Fast. When we last saw Squad 312, they were working together seamlessly (aka, freaking out) as an intergalactic battle raged and an ancient superweapon threatened to obliterate Earth. Everything went horribly wrong, naturally. But as it turns out, not all endings are endings, and the team has one last chance to rewrite theirs. Maybe two. It's complicated. Cue Zila, Fin and Scarlett (and Magellan!) making friends, making enemies and making history? Sure, no problem. Cue Tyler, Kal and Auri joining forces with two of the galaxy's most hated villains? Um, okay, yeah. That too. Actually saving the galaxy, though? Now that will take a miracle.

#### **A Dark Night in Aurora** Nikki Jefford

In the first installment of Charlaine Harris's Aurora Teagarden series, *Real Murders*, the small town of Lawrenceton, Georgia, was beset by a series of horrific murders. Librarian Aurora "Roe" Teagarden teamed up with true crime writer Robin Crusoe to catch the killer, and the results of their investigation have gone down in Lawrenceton history. Now, in *Last Scene Alive*, Robin is back in town, set to begin filming the movie version of the terrible events of so many years ago. Of course he's not alone—he brings with him a cast and crew the size of which nearly overwhelms the tiny excitement-starved town. Roe is disturbed to discover that the film's crew includes her stepson, who despises her, as well as an actress set to play her in the film. Everyone in Lawrenceton suddenly goes movie crazy, mentally composing awards-acceptance speeches while prancing around the fringes of the set awaiting discovery. Roe's not so crazy about the whole thing...and neither is a secret, vicious murderer. When

bodies start dropping, it's up to Roe to reprise her role as amateur sleuth and stop the carnage before it gets out of hand. It's no problem for the beloved small-town librarian in this wonderfully cozy installment in the adored Aurora Teagarden mystery series.

*Aurora Australis, 1908-09* Twelve Six friends. One killer. Who do you trust? A teen girl is missing after a night of partying; thirty years later, the discovery of her body reopens a cold case in "a scorching portrait of friendship and its betrayal." (Nicci French). "This enjoyably chilling suspense tale . . . conveys both the thrills and the dangers of being a teenager on the brink of adult independence."—The New York Times Book Review On a scorching July night in 1983, a group of teenagers goes camping in the forest. When they wake in the morning the youngest of their group, Aurora Jackson, has disappeared. An exhaustive investigation is launched, but no trace of the teenager is ever found. Thirty years later, Aurora's body is unearthed in a hideaway that only the six friends knew about, and Jonah Sheens is put in charge of solving the long-cold case. Back in 1983, as a young cop in their small town, he had known the teenagers—including Aurora—personally, even before taking part in the search. Now he's determined to finally get to the truth of what happened that night. Sheens's investigation brings the members of the camping party back to the forest, where they will be confronted once again with the events that left one of them dead and all of them profoundly changed forever. This searing, psychologically captivating novel marks the arrival of a dazzling new talent, and the start of a new series featuring Detective Chief Inspector Jonah Sheens. Praise for She

Lies in Wait "A novel that literally makes you hold your breath then gasp out loud."—Val McDermid "She Lies in Wait is an atmospheric, deeply satisfying, well-written mystery whose resolution rings true after lots of false leads and blind alleys. A remarkably adept first novel. One hopes there will be many more to come."—Daily Herald "The mystery intrigues and twists, offering enough red herrings and moments of police procedural to please fans of the genre."—Kirkus Reviews (starred review) "What a marvel! A corkscrew-twisty, knife-sharp thriller—yet it doubles as a tender ode to loss and longing. Prepare to be haunted."—A. J. Finn, author of the New York Times bestseller *The Woman in the Window*

SOON TO BE A MAJOR MOTION PICTURE FROM NETFLIX AND ACADEMY AWARD-WINNING DIRECTOR KATHRYN BIGELOW "Fantastic story, a real page-turner. Impossible to put down." - Stephen King From the author of *Cold Storage* comes a riveting, eerily plausible thriller, told with the menace and flair of *Under the Dome* or *Project Hail Mary*, in which a worldwide cataclysm plays out in the lives of one complicated Midwestern family. In Aurora, Illinois, Aubrey Wheeler is just trying to get by after her

semi-criminal ex-husband split, leaving behind his unruly teenage son. Then the lights go out—not just in Aurora but across the globe. A solar storm has knocked out power almost everywhere. Suddenly, all problems are local, very local, and Aubrey must assume the mantle of fierce protector of her suburban neighborhood. Across the country lives Aubrey's estranged brother, Thom. A fantastically wealthy, neurotically over-prepared Silicon Valley CEO, he plans to ride out the crisis in a gilded desert bunker he built for maximum comfort and security. But the complicated history between the siblings is far from over, and what feels like the end of the world is just the beginning of several long-overdue reckonings—which not everyone will survive . . . Aurora is suspenseful storytelling—both large scale and small—at its finest.

A complete look at the extensive, ageless, unparalleled filmography of Woody Allen. Writer, actor, director, comedian, author, and musician, Woody Allen is one of the most culturally and cinematically influential filmmakers of all time. His films - he has over 45 writing and directing credits to his name - range from slapstick to tragedy, farce to fantasy. As one of history's most prolific moviemakers, his style and comic sensibility have been imitated, but never replicated, by countless other filmmakers over the years. In *The Ultimate Woody Allen Film Companion*, film writer Jason Bailey profiles every one of Allen's films: from his debut feature, *What's Up, Tiger Lily*, through slapstick classics such as *Take the Money and Run* and *Sleeper*; Academy Award-winning films such as *Annie Hall* and *Hannah and Her Sisters*; and recent gems such as *Midnight in Paris* and *Blue*

*Jasmine*. Bailey also includes essays on the fascinating themes that color Allen's works, from death and Freud to music and New York City. Getting up close and personal with the actors and actresses that have brought the iconic films to life, this book's behind-the-scenes stories span the entire career of a man whose catalog has grown into a timeless cornerstone of American pop culture. Complete with full cast lists, production details, and full-color images and artwork, *The Ultimate Woody Allen Film Companion* is the ultimate, indispensable reference to one of cinema's most beloved and important figures.

*Aurora* Little, Brown Books for Young Readers

The fascinating ghost stories behind Illinois's "City of Cemeteries"—photos included! Aurora was the first Illinois city to have electric streetlights, but a dark history has resisted illumination as stubbornly as the chilly corner of the old roundhouse repels the summer heat . . . Learn why Aurora counts "City of Cemeteries" among its nicknames as Diane Ladley describes the nineteenth-century doctor suspected of trading bodies between his cancer center and a neighboring graveyard. Other eerie legends and strange stories revealed in this book include the marauding brave brought to justice in the Devil's Cave by his own tribe, the sweet legacy of NFL great Walter Payton, and the elephants that saved a circus from a tornado.

*Aurora* Simon and Schuster

Author of the books that inspired *True Blood* on HBO and *Midnight, Texas* on NBC Aurora Teagarden should be used to surprises by now. Yet when a local handyman begins dancing naked in her yard, she's thrown for a loop and suspects it could be a bad omen of

unwelcome events to come. When her husband's niece, Regina, appears in Lawrenceton with a baby in tow and evading questions, tensions escalate. It's not much longer before Regina's husband is found murdered and Regina herself has disappeared, leaving both her baby and a large amount of money behind. Traveling north to Ohio seeking relatives to care for the abandoned child, and accompanied by a friend of Regina's who seems to know more than he's letting on, Roe and Martin search for clues that will point them to Regina's location and why she abandoned her baby. There's a killer at large and Roe, snowed in in rural Ohio, will have to peel back the layers of secrets to find the truth before more people die. The charismatic Roe Teagarden is back in this unforgettable tale of mystery by the #1 New York Times bestselling author Charlaine Harris. Real Murders, A Bone To Pick, Three Bedrooms, One Corpse, and the rest of the Aurora Teagarden series has been adapted i
