Mandala-Style Throws to Crochet David & Charles

Add some color to your life with this step-by-step guide to crafting vibrant afghans and throw blankets. Amanda's bold and inspiring use of color and pattern gives stunning results that are deceptively easy to achieve. This colorful book contains illustrated block-by-block guides to creating ten stunning blankets, with color variations providing twenty further creations. Each of the ten blankets is constructed from a series of simple motifs, including squares, hexagons, and triangles: creating a large and sumptuous blanket is simply a matter of piecing together colorful motifs into wonderful arrangements. The book contains basic instruction on yarns and hooks, explains how to join motifs and sew in ends, and provides a brief guide to using color. For each blanket there is an index of motifs used, accompanied by the instructions for how to make them: both in written form and as a chart. The blocks include a range of shapes and are accompanied by the "fillers" needed to fill the gaps

between them. Each project has a full color chart and takes the reader block by block through the entire construction process.

Bold Baby Crochet Annie's

Doubleweave is the art of weaving two layers of cloth at the same time, one above the other on the loom, creating beautiful cloth that is reversible yet unique on each side. Using pick-up techniques and clever color mixing, patterns emerge that are different but complementary on each side. The Weaver's Studio: Doubleweave begins with a brief history of doubleweave and how it has evolved into the contemporary weaving pieces seen today. Next, you will learn all the basics of doubleweave techniques, as well as tips and tricks of setting up the warp, and a variety of doubleweave specialty techniques all shown through detailed process photography and a wealth of swatches demonstrating different effects. Specialty techniques are shown for 4-shaft and 8-shaft looms. The weaving effects covered include lace, tubular weave, pick-up, color mixing, and more. And since doubleweave showcases color and pattern in unique ways, you will learn how to use these to great effect in your cloth designs. Throughout the book, you will find a wealth of inspiration with many examples of finished cloth and projects, from wall hangings and table runners to scarves and pillows.

Crochet these colorful and stylish home accessories with 35 patterns by young designer Laura Strutt, author of the best-selling *Modern Crocheted Shawls and Wraps*. Laura Strutt brings you a range of new designs for afghans, blankets, throws, and pillow covers. Divided by color theme—Bright and Beautiful, Warm and Rich, and Neutral and Natural—with modern designs, there is something for every home, whatever your decorating style. Make a rainbow granny circle blanket using rich, bright yarns, or try a chunky striped throw in soft neutrals. A wrap-around granny square makes the perfect cover for a floor pillow, while block stitch shows off bright pastels in a square afghan. Patterns are graded so you can start with something simple if you

are a beginner, or select something more advanced if you are skilled with a hook and yarn.

[200 Stitch Patterns for Baby O/P](#) Leisure Arts

Inside this book, Haafner takes her readers on a journey into the world of crocheting stripes. These patterns are relaxing to create (taking readers into a state of what psychologists call 'flow') as they are pleasingly repetitive, can be worked up quickly and don't have lots of ends to sew in. The patterns for the 20 beautiful stripy blankets vary from simple designs that use only the most basic stitches - perfect for an absolute beginner - to more complex creations that use special stitches. Furthermore, each project comes with a written pattern, chart, colour advice and instructions for making it in a variety of sizes, ideal for making presents for little ones as well as your grown-up friends and family! You'll also find all the basic crochet techniques clearly explained if you need to learn or refresh your crochet knowledge.

[Baby-Fresh Blankets](#) B.E.S. Publishing

Move beyond granny squares and get ready for crocheted circles, triangles, hexagons, and stars. Edie Eckman opens up the door to crocheting creativity with more than 140 motifs of every shape and size. Embellish your clothing, linens, housewares, and bags with colorful patterns as you put odd yarn leftovers to good use. Step-by-step instructions and color photographs provide the building blocks to limitless possibilities.

Aran Afghans to Crochet Penguin

Drawing inspiration from the interiors and fashions of the twentieth century, this great new book is packed full of knit and crochet projects which will fit perfectly into any vintage-inspired interior. The craft skills that have traditionally been passed down through the generations from mother to daughter are as popular as ever, boosted by the current vogue for all things vintage. Creating your own bespoke home furnishings is now seen not just as an exercise in thrift, but as a creative and rewarding activity in itself. Two Tone Chic draws inspiration from the sophistication and elegance of Coco Chanel's famous little black dress, the drama of geometric art deco shapes, and the simplicity of embellishments such as ribbons and lace. Folk Tales introduces the tradition of colour and spontaneity found in Scandinavian and Russian folk art, with its recurring motifs from the natural world, as well as joyful decorative techniques like bobbles, beads, pom poms, embroidery and applique. Birds and flowers adorn cushions, while the bright colours of Russian Dolls provide inspiration for a cosy blanket and a sumptuous floor cushion.

Time for Tea brings us to the 'make do and mend' era of the 1950s with its floral frocks and afternoon tea parties. Pretty vintage buttons, frills and lace are all in evidence here, with floral cushions, doilies and table runners. With feature spreads on the inspiration behind each look, these projects will help you turn your house into a home. Word count: 40,000
