As a child growing up in rural Oklahoma, Donald Fixico often heard “hvmakimata”—“that’s what they used to say”—a phrase Mvskokes and Seminoles use to end

stories. In his latest work, *Fixico*, who is Shawnee, Sac and Fox, Mvskoke (as “Muskogee” is spelled in the Mvskoke language), and Seminole, invites readers into his own oral tradition to learn how storytelling, legends and prophecies, and oral histories and creation myths knit together to explain the Indian world. Interweaving the storytelling and traditions of his ancestors, *Fixico* conveys the richness and importance of oral culture in Native communities and demonstrates the power of the spoken word to bring past and present together, creating a shared reality both immediate and historical for Native peoples. *Fixico’s*

stories conjure war heroes and ghosts, inspire fear and laughter, explain the past, and foresee the future—and through them he skillfully connects personal, familial, tribal, and Native history. Oral tradition, *Fixico* affirms, at once reflects and creates the unique internal reality of each Native community. Stories possess spiritual energy, and by summoning this energy, storytellers bring their communities together. Sharing these stories, and the larger story of where they come from and how they work, “That’s What They Used to Say” offers readers rare insight into the oral traditions at the very heart of Native cultures, in all of their rich and

infinitely complex permutations.

Roaring Brook Press

A piece of Navajo history otherwise forgotten: the first-hand observations of a Mormon trader on the culture and art of his Navajo contemporaries. The overwhelming interest of Will Evans, proprietor of the Shiprock Trading Company, in Navajo culture spanned a half century. He shared his enthusiasm through frequent publication of portraits, vignettes, and essays; he also compiled much of his writing into a book manuscript. His subjects were his customers, friends, and neighbors, their stories of historic events such as the Long Walk, and their life as he understood it. Evans's writings were colored by his uncommon friendship and familiarity with Navajo

people but also by who he was: a trader, folk artist, and Mormon. Inspired by sand paintings, Evans appropriated their sacred images for his own paintings of murals and everyday objects. In his writing, he preserved unique records of Navajo history and of individuals about whom little biographical information otherwise remains. Much of that was based on what he heard from his Navajo acquaintances, but it also drew on his direct observations and particular beliefs about the people, their culture, and their history. Evans's granddaughter Susan E. Woods collaborated with historian Robert S. McPherson, author of numerous books on

Navajo and Four Corners history, to prepare and publish Will Evans's manuscript, which is illustrated with a remarkable and rare selection of photos from the collections of Evans and his colleagues.

Herizon Courier Corporation

Are you searching for a 400 Pages, Lined, Wide Ruled Notebook with a Solid/Single-Colored Cover? Look no further! This Big notebook with 400 pages is a multi-purpose notebook journal for taking notes, lectures, writing down random thoughts and more. Indian Tribes of North America

Coloring Book Courier Corporation
"Readers who choose the book for the attraction of Navajo code talking and the heat of battle will come away with more than they ever expected to find."—Booklist, starred review Throughout World War II, in the conflict fought against Japan, Navajo code talkers were a crucial part of the U.S. effort, sending messages back and forth in an unbreakable code that used their native language. They braved some of the heaviest fighting of the war, and with their code, they saved countless American lives. Yet their story remained classified for more than twenty years. But now Joseph Bruchac brings their stories to life for young adults through

the riveting fictional tale of Ned Begay, a sixteen-year-old Navajo boy who becomes a code talker. His grueling journey is eye-opening and inspiring. This deeply affecting novel honors all of those young men, like Ned, who dared to serve, and it honors the culture and language of the Navajo Indians. An ALA Best Book for Young Adults "Nonsensational and accurate, Bruchac's tale is quietly inspiring..."—School Library Journal *Goals of the Special Five Year Navajo Program* Courier Dover Publications
The colors of the Navajo include red like the sand paintings used in the Red Antway Ceremony, tan like the sandstone canyons in New Mexico

and Arizona, and blue like blue corn bread. Get to know the Navajo in this beautifully illustrated introduction to a

The Book of Indian Crafts and Indian Lore [Phoenix, Ariz.] : United States Department of the Interior, Division of Education, Bureau of Indian Affairs

Kids discover traditions and skills from the people who first settled this continent, including gardening, making useful pottery, and communicating through Navajo codes.
