Buckland's Complete Book of Witchcraft

Macmillan

This book is written to
four groups. It is written

for those in churches that
are aligned with what was
left to us by Christ Jesus
(Yahshua) through the
apostles who are the
foundation of the Church
of God. It will be an eye
opening teaching to
expose the devil's devices

of infiltration enabling the
corruption through
witchcraft of many
Christian Churches. It is
going to teach you how to
recognize the methods
and strategies used by
the enemies of our souls
to destroy or overrun local

churches. Every watchman assigned to a church needs to know the information that will be laid out and the strategies to defend the church they attend. This book is also written to those who are in the battle to save their local church. You have recognized that your church has already been infiltrated and it seems very few can identify what is taking place. I have been there and can empathize with the feeling of hopelessness as you are trying to warn others and it seems like

no one is listening. I am also writing to those whose churches have been overrun and you know something is wrong but you just can't put your finger on it. You go to church faithfully but all you see is a dying church full of members who are oblivious to the state the church is in. You want to know what happened to the powerful church you remembered and learn from what has taken place. You are feeling like God is telling you it is time to move on but you are reluctant to seek out a

new place of worship. This book will reveal to you what happened, how it happened, and the steps you need to take to make the next move in God's will. Sometimes God wants us to sit back, observe, and to fortify our testimony before we are released to fertile ground. In addition, for those who are involved in witchcraft, whether knowingly or unknowingly that have not known the depths of Satan and are trying to repent and get out, this book is also for you. I know they have told you

that you signed a contract and there is no way out, but the truth is the devil knows there is a loophole and we are going to go over it in detail. There is a way out and it is written in the Word of God.

Before we address the others that this book is written for I would like to deal with this last group first. Lets get started.

When most people hear the word "witches," they think of horror films and Halloween, but to the nearly one million Americans who practice Paganism today,

witchcraft is a nature-worshipping, polytheistic, and very real religion. So Alex Mar discovers when she sets out to film a documentary and finds herself drawn deep into the world of present-day magic. *Witches of America* follows Mar on her immersive five-year trip into the occult, charting modern Paganism from its roots in 1950s England to its current American mecca in the San Francisco Bay Area; from a gathering of more than a thousand witches in the Illinois

woods to the New Orleans branch of one of the world's most influential magical societies. Along the way she takes part in dozens of rituals and becomes involved with a wild array of characters. This sprawling magical community compels Mar to confront what she believes is possible--or hopes might be. With keen intelligence and wit, Mar illuminates the world of witchcraft while grappling in fresh and unexpected ways with the question underlying every faith: Why do we choose

to believe in anything at all?--Adapted from book jacket.

In this day and age, we see a rise of witchcraft like never before. Jesus warned us to not be ignorant of the devil's devices. Witchcraft is one of the enemy's biggest weapons and in order for us to wage a successful battle against him, we need to know what witchcraft is. In Victory Over Witchcraft, I expose the origins of witchcraft, its connections to idolatry, the various types of witchcraft, and the effects of witchcraft. This book also exposes the hidden

and subtle witchcraft that believers participate in unaware. It's not always the obvious, go beyond the surface and dig deeper. Remember this, the enemy comes to steal, kill, and destroy, but Jesus came that we may have life, and have it more abundantly. You cannot live the abundant life, while in bondage to witchcraft. The will of God is for His children to walk in freedom, truth, revelation, and power. Spiritual warfare is real, but we have a real God, with real power, and He is

greater than any form of witchcraft.

This book was born out of the will of God to expose one of the most cunning, deceitful, deadly, wicked, and yet little known or understood weapon of the kingdom of darkness. This weapon is the direct antithesis of the Grace of God. It functions and operates in shadows, in darkness and thrives in secret places. It is an extremely sinister invisible force that

secretly lurks, plots and schemes its way into the affairs of men, seeking to cause as much havoc, mayhem, confusion and destruction as possible. It relentlessly looks for openings in people's lives in order to orchestrate the evil plans and intentions of the devil. Its primary objective is to abort, frustrate, hinder, delay, confuse, and stop the plan, purpose and manifestation of the kingdom of God in the earth. It was the evil force in operation during every recognized and

unrecognized incidence of genocide throughout the history of man. It's the same evil force that has driven men to abuse, misuse, exploit, rape, rob, mutilate, dominate and murder one another throughout the history of the world. It is a force so powerful, so cunning, and so diabolical and sinister that only Almighty God can defeat it. The identity of this evil force is the Spirit of Witchcraft! CURTIS L.
