The idea of "The Green Book" is to give the *Motorist and Tourist a Guide* not only of the Hotels and Tourist Homes in all of

the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Reid & Williams are "funny as hell."--Amy Morrison, founder of Pregnant Chicken Feeling anxious? Who isn't! Your most irrational (and sometimes rational) fears are hilarious fodder for this sharp and relatable activity book. These days, anxiety is simply part of the human

experience. Part journal, part coloring book, part weird coping mechanisms, and part compendium of soothing facts, The Big Activity Book for Anxious People will be an outlet for anyone who wants to take a break from reality, laugh through her fears, and realize with every page that she is not alone--and to help her figure out what to do when it's 3AM and she's wide awake worrying about whether she cc'ed the right "Bob" on that email. (Probably.) Activities include: Fun Facts about Aging! Public Speaking: A Diagram Your Hotel Room Carpet: A Petri Dish of Horrors Obscure Diseases You Probably Don't Have Zen Mantras For The Anxiously Inclined Soothing Facts about Hand Sanitizer On a bad day, try coloring in the soothing grandma. On a really bad day, find step-

by-step instructions on how to build an underground bunker. Reid and Williams want everyone to remember that they're in good company: anxious people are some of the funniest and most interesting and creative humans on the planet. (They know, because they are two of them.)

It's the end of the 21st century where

technocrats rule and robots take care of humans' every need. Your house watches you, knows your secrets, and talks to you. And your closest friend can be—a machine? Gavin Bell and his teenage sister Fleur come from a middle-class family. Their much-loved, old-fashioned robot, Grumps, is running down and can't be repaired, so a scientist friend loans them EGR3, an experimental new robot to help Grumps. EGR3, known as Eager, learns from his experiences, as a child would. He feels emotions—wonder, excitement, and loss. When the ultra high-tech, eerily human BDC4 robots begin to behave suspiciously, Eager and the Bells are drawn into a great adventure that is sometimes dark and often humorous. As Eager's extraordinary abilities are tested

to the limit, he will try to find the answer to this question: What does it mean to be alive?

A bold, groundbreaking novel about coming out, coming into your own, and coming apart. Vanilla and Hunter have been dating since seventh grade. They came out together, navigated middle school together, and became that couple in high school that everyone always sees as a couple. There are complications and

confusions, for sure. But most of all, they love each other. As high school goes, though, and as their relationship deepens, some cracks begin to show. Hunter thinks they should be having sex. Vanilla isn't so sure. Hunter doesn't mind hanging out with loud, obnoxious friends. Vanilla would rather avoid them. If they're becoming different people, can they be the same couple? Falling in love is hard. Staying in love is harder.

During World War II, a German agent landed in Canada from a U-boat. Curtis Parkinson has used this true historical event to tell a fast-paced, exciting story. Sixteen-year-old Scott and his friend Adam find summer jobs as deckhands on the *Rapids Prince*, a ship that plies the

waters between the town of Prescott, on the St. Lawrence River, and Montreal. Scott overhears convincing information that a German agent is actually on board the boat. He has a good reason for not telling anybody, but his silence eventually leads him into more trouble than he can imagine, including a possible murder and a kidnapping. It is up to the boys to expose the agent in order to save the Rapids Prince and the innocent passengers on board. Curtis Parkinson has written an impossible-to-put-down novel that combines history with high adventure.
