"A handbook for compassion... a Must-Read Music Book."

—Rolling Stone Country "Generous and big-hearted, Gauthier has stories to tell and worthwhile advice to share." —Wally Lamb, author of *I Know This Much Is True* "Gauthier has an uncanny ability to combine songwriting craft with a seeker's vulnerability and a sage's wisdom." —Amy Ray, Indigo Girls From the Grammy nominated folk singer and songwriter, an inspiring exploration of creativity and the redemptive power of song Mary Gauthier was twelve years old when she was given her Aunt Jenny's old guitar and taught herself to play with a Mel Bay basic guitar workbook. Music offered her a window to a world where others felt the way she did. Songs became lifelines to her, and she longed to write her own, one day. Then, for a decade, while struggling with addiction, Gauthier put her dream away and her call to songwriting faded. It wasn't until she got sober and went to an open mic with a friend did she realize that she not only still wanted to write songs, she needed to. Today, Gauthier is a decorated musical artist, with numerous awards and recognition for her songwriting, including a Grammy nomination. In *Saved by a Song*, Mary Gauthier pulls the curtain back on the artistry of songwriting. Part memoir, part philosophy of art, part nuts and

bolts of songwriting, her book celebrates the redemptive power of song to inspire and bring seemingly different kinds of people together.

The Art of Songwriting New York : Garland Pub.

Story of almost a thousand years of song, from the time of the troubadours, to the present day.

This book offers a quick but thorough tour of the art song and its major practitioners, from the Florentine musicians of the 17th century to contemporary composers like Ned Rorem and John Musto.

Song: A Guide to Art Song Style and Literature Abrams

"Hosts of all kinds, this is a must-read!" --Chris Anderson, owner and curator of TED From the host of the New York Times podcast *Together Apart*, an exciting new approach to how we gather that will transform the ways we spend our time together—at home, at work, in our communities, and beyond. In *The Art of Gathering*, Priya Parker argues that the gatherings in our lives are lackluster and unproductive--which they don't have to be. We rely too much on routine and the conventions of gatherings when we should focus on distinctiveness and the people involved. At a time when coming together is more important than ever, Parker sets forth a human-centered approach to gathering that will help everyone create meaningful, memorable experiences, large and small, for work and for play. Drawing on her expertise as a facilitator of high-powered gatherings around the world, Parker takes us inside events of all kinds to show what works, what doesn't, and why. She investigates a wide array of gatherings--conferences, meetings, a courtroom, a flash-mob party, an Arab-Israeli summer camp--and explains how simple, specific changes can invigorate any group experience. The result is a book that's both journey and guide, full of exciting ideas with real-world applications. *The Art of Gathering* will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard barbecue--and how you host and attend them.

Saved by a Song Harry N. Abrams

Frank Sinatra was the greatest entertainer of his age, invigorating American popular song with innovative phrasing and a mastery of

drama and emotion. Drawing upon interviews with hundreds of his collaborators as well as with "The Voice" himself, this book chronicles, critiques, and celebrates his five-decade career. Will Friedwald examines and evaluates all the classic and less familiar songs with the same astute, witty perceptions that earned him acclaim for his other books about jazz and pop singing. Now completely revised and updated, and including an authoritative discography and rare photos of recording sessions and performances, *Sinatra! The Song Is You* is an invaluable resource for enthusiasts and an unparalleled guide through Sinatra's vast musical legacy.

Enslaved African Americans longed for freedom, and that longing took many forms—including music. Drawing on biblical imagery, slave songs both expressed the sorrow of life in bondage and offered a rallying cry for the spirit. Like a Bird brings together text, music, and illustrations by Coretta Scott King Award-winning illustrator Michele Wood to convey the rich meaning behind thirteen of these powerful songs.

The ultimate introduction to global art, presenting 30,000 years of creativity in one lavishly illustrated book. Discover all you need to know about art history in this definite guide. *Art- The Definitive Visual Guide* brings a gallery of more than 2,500 of the world's finest paintings and sculptures into your home. Spanning 30,000 years, from cave paintings to contemporary art, this stunning chronological exploration of every major artistic movement introduces the major milestones of each period, from the tomb

paintings of Ancient Egypt, Qing Dynasty Chinese art, through to 20th century Cubism and African art today. Dedicated spreads explain how art works, for example introducing how artists use colour and composition. A visual timeline of key works gives an overview of the scope of each major movement, and each era and art movement is introduced with key information, placing art in the context of its time. Accessible to art novices as well as seasoned enthusiasts, *Art- The Definitive Visual Guide* is a must-have for any bookshelf.

Louise Loves Art Hal Leonard Corporation

Deborah Freedman's masterful new picture book is at once an introduction to the pieces of a house, a cozy story to share and explore, and a dreamy meditation on the magic of our homes and our world. Before there was this house, there were stones, and mud, and a colossal oak tree— three hugs around and as high as the blue. What was your home, once? This poetically simple, thought-provoking, and gorgeously illustrated book invites readers to think about where things come from and what nature provides.

Recent American Art Song Oxford University Press

Considers the lives and contributions of 144 significant composers in the field. Includes a general discography, bibliography, and indexes for both titles and poets.

A French Song Companion Rowman & Littlefield

The Philosophy of Modern Song is Bob Dylan's first book of new writing since 2004's *Chronicles: Volume One*—and since winning the Nobel Prize for Literature in 2016. Dylan, who began working on the book in 2010, offers his extraordinary insight into the nature of popular music. He writes over sixty essays focusing on songs by other artists, spanning from Stephen Foster to Elvis Costello, and in between ranging from Hank Williams to Nina Simone. He analyzes what he calls the trap of easy rhymes, breaks down how the addition of a single syllable can diminish a song, and even explains how bluegrass relates to heavy metal. These essays are written in Dylan's unique prose. They are mysterious and mercurial, poignant and profound, and often laugh-out-loud funny. And while they are ostensibly about music, they are really meditations and reflections on the human condition. Running throughout the book are nearly 150 carefully curated photos as well as a series of dream-like riffs that, taken together, resemble an epic poem and add to the work's

transcendence. In 2020, with the release of his outstanding album *Rough and Rowdy Ways*, Dylan became the first artist to have an album hit the Billboard Top 40 in each decade since the 1960s. *The Philosophy of Modern Song* contains much of what he has learned about his craft in all those years, and like everything that Dylan does, it is a momentous artistic achievement.

The Philosophy of Modern Song Scarecrow Press

(Vocal Collection). Even more great solos for high school and college singers at the same level as *The First Book of Solos* and *The First Book of Solos Part II*, with a variety of over 30 classical songs per volume, and a completely different song list for each voice type.
