 In our lives at some point of time we may come across certain situations which may take our peace of mind in order to move ahead or get rid of that rut. This all happens due to our past Karmic influences. As a human beings in spite of all efforts, we struck there and helplessly looking for someone to lend their hand to come out of it. But very few people come to us at that point of time to help us and many times we need to undergo severe pains and sufferings to move forward. Here comes the astrology the divine cosmic science which helps us to read and understand our karmic structure through the natal

horoscope chart. In order to understand our karma either we need to go to an astrologer or one has to learn by themselves to read the chart. The future predicted by the astrologer may come true or not depending on several factors of your birth details and knowledge of the astrologer. So for those who want to analyze their chart by self-learning is very helpful. But astrology is not an easy science to learn for a novice without some support. Again, finding a person and taking the course is tedious because of professional and family issues. Here comes the role of good books which helps you to learn it easily. Hence, for those in need of it, this basic book has been written with

maximum care, so that you can read any advanced book after going through this. The book covers the essential fundamental concepts which are required to understand your astrological chart. The science is itself is a big ocean to put in the form of a book. But in order to experience it, a drop of knowledge is given here. Here you can say something like you are learning the Alphabets of Astrology. But this is only a beginning, an end is limitless. So, enjoy reading this book. It is not for any advanced astrology lovers. If you want to understand some advanced concepts of astrology learn the basics very well. Good Luck!!!

The easiest way to learn astrology is to start with yourself. Your astrological birth chart is a powerful tool for gaining a deeper understanding of your unique gifts, talents, challenges, and life's purpose. As you begin to decipher the wealth of information in your own birth chart, you'll experience astrology in a personally meaningful way—which makes it easier to understand and remember. Once you learn the basics of astrology, you'll be able to read the birth charts of yourself and others. This friendly guidebook is the most complete introduction to astrology available.

Popular astrologer Kris Brandt Riske presents the essentials of astrology in a clear, step-by-step way, paying special attention to three areas of popular interest: relationships, career, and money. She explains the meaning of the planets, zodiac signs, houses, and aspects, and how to interpret their significance in your chart. Over 30 illustrations, including the birth charts of several famous people—Al Gore, Oprah Winfrey, Brad Pitt, and Tiger Woods, to name just a few—add a helpful visual dimension to your learning experience. Practical and positive, Llewellyn's Complete Book of Astrology offers techniques for using astrology to

identify the qualities you seek in an ideal mate, realize your career and financial potential, calculate your luck, and discover your inner strength.

Learn Hindu Astrology Step By Step Weiser Books

This book has been written mainly for beginners who can learn Hindu astrology without having to learn anything by rote. They must do the exercises given at the end of each chapter systematically, again and again. There are many who have read many books on astrology and developed an incurable astrological constipation. It will be difficult for them to start with a clean slate as they cannot unlearn what they have. Yet, this book may help

them remove some of the cobwebs in their minds. They have their minds cluttered with dogmas which they mistake for astrology.

"Astrology is both a science and an art. It is a symbolic representation of all of the elements- religious, spiritual, emotional, mental and physical, visible and invisible- that exist in the universe and come together in various and diverse combinations to account for individual human beings and the forces that shape and act upon them." While there are numerous astrology books available, many are decades old and

require you to wade through a morass of technical details just to get to the basics. In *Learning Astrology*, Damian Sharp provides a fun, fresh approach to understanding this ancient art, making it easily accessible to those who are completely new to the subject and/or put off by older, more complicated books. In clear, concise language and an easy-to-follow order, he provides insight into sun signs and planets, houses and aspects and shows us how to actually read an astrological chart, simply and accurately. And if you want the more technical details, Sharp provides those, too. By the end of the book, you'll be discussing conjunctions, sextiles, squares, and trines like

a pro. Learn astrology from Damian Sharp and become your own astrologer.

Be Your Own Astrologer Hay House, Inc

A comprehensive guide to understanding and practicing Vedic astrology, the art of jyotish. • Teaches beginners how to read and interpret Vedic astrology charts, based on their own birth chart as well as the birth charts of 112 notable people. • Shows how to use Vedic astrology to anticipate upcoming events and direct the cosmic energies of one's life toward a positive future outcome. • Includes CD of Vedic astrology software for readers to create their own charts. For over 5,000 years the people of India have used

jyotish, or Vedic astrology, to anticipate future influences and make major decisions. Now Andrew Bloomfield brings this increasingly popular tool to the West in an easy-to-follow, comprehensive format, providing the reader with everything needed to practice the Indian art of predicting the future. Vedic astrology was codified by the ancient Maharishis to help people achieve the four basic goals of human existence: kama (desire), artha (wealth), dharma (life purpose), and moksha (spiritual growth). Unlike other forms of astrology, Vedic calculations focus more on the primal, unconscious, driving forces linking our thoughts and actions.

How to Practice Vedic Astrology shows how to make accurate predictions on when to expect life's changes concerning one's career, love life, children, or spirituality. The accompanying CD allows the reader to create unlimited numbers of natal charts, while the book includes the charts of 112 notable personalities--from Mother Teresa to Paul Newman--as examples from which to learn chart interpretation. Self Learning Course in Astrology Llewellyn Worldwide Whether east or west almost all the ancient civilizations recorded the position of planets against the backdrop of fixed stars and the consequence thereof. But unfortunately astrology for us today

ends up with a horoscope on a piece of paper, actually forgetting the sky that is mapped in the horoscope, as if these two were two different things. Modern day life has become increasingly busy leaving no time to look up to the sky, even for a while. Sky remains too near yet too far. Astrology is vast, volumes of literature is available on it. The book tries to narrate as to how the Sun, the Moon and other planets exercise their influence on flora and fauna, animate or inanimate on the earth. How is the cyclic order of celestial clock operating through the rotating planets and spiralling galaxies which is one of the primal forces in the universe. The message

is 'Let Us Learn Astrology', know the planets, love them, feel them, meditate on them. Slowly they will begin to reciprocate and trickle down the solutions you have been longing for so long.

Motilal Banarsidass

A handbook for unlocking the soul's purpose and manifesting a fulfilling life • Reinterprets the traditional Dharma system of ancient India as a map for revealing one's true purpose • Provides tests for determining one's Dharma type • Explains the benefits, challenges, and social, interpersonal, and health dynamics associated with each of the 5 Dharma types
Have you ever

wondered why, despite great obstacles, some people achieve success, while others, though given everything, seem to squander it away? Or why some people, despite having very little, radiate joy, while others appear miserable though surrounded by opulence? The answer is Dharma: knowing your soul's purpose and living it is the key to creating a fulfilling life. Built on a deep body of Vedic knowledge, the ancient system of social structure and spiritual duty known as Dharma has modern applications for people seeking their life's purpose. Author Simon Chokoisky explains the five Dharma archetypes--Warrior, Educator, Merchant,

Laborer, and Outsider--and how your life's purpose goes hand-in-hand with your Dharma type. Providing tests to determine your type, he outlines the benefits, challenges, emotional and learning styles, and social, interpersonal, and health dynamics associated with each type. Chokoisky reveals how the Dharma types function as an operating system for your identity, helping you map your life and play to your innate strengths, whether in choosing a prosperous career or field of study or in facing health challenges and meeting fitness goals. By accepting and understanding the nature of your type, you begin to align with your true purpose and,

regardless of fate, find joy and meaning in life. *The Astrological Self* Instructor Maha Vastu Corporation Limited Classical work on Hindu astrology.
