The Republican Alternative seeks to move beyond the mere notion of scholarly inquiry into the republic—the subject of recent rediscovery by political historians interested in Europe’s intellectual heritage—by investigating the practical similarities and differences between two early modern republics, as well as their self-images and interactions during the turbulent seventeenth and eighteenth centuries. Among the world’s most economically successful societies, Switzerland and the Netherlands laid much of the foundation for their prosperity during the early modern period discussed here. This volume attempts to clarify the special character of these two countries as they developed, including issues of religious plurality, the republican form of government, and an increasingly commercially-driven agrarian society.

*A Taste for Poison* Penguin

**Death du Jour** Amsterdam University Press

A gripping and explosive thriller from internationally acclaimed forensic anthropologist and New York Times bestselling author Kathy Reichs, featuring Temperance Brennan and Detective Andrew Ryan on the trail of a modern murder and an ancient biblical mystery. Examining a badly decomposed corpse is de rigueur for forensic anthropologist Temperance Brennan. But puzzling damage on the body of a shooting victim, an Orthodox Jewish man, suggests this is no ordinary Montreal murder. When a stranger slips Tempe a photograph of a skeleton unearthed at an archaeological site, Tempe uncovers chilling ties between the dead man and secrets long buried in the dust of Israel. Traveling there with Detective Andrew Ryan, Tempe plunges into an international mystery as old as Jesus, and centered on the controversial discovery of Christ's tomb. Has a mastermind lured her into an elaborate hoax? If not, Tempe may be on the brink of rewriting

two thousand years of history—if she can survive the foes dead set on burying her.

"One of my favourite books this year." - The Review Curmudgeon"An absolute gem of a read!" - Bear Mountain BooksBook 2, The Emperor’s Mask, is available now!In a city that runs on magic, it takes a man with none to solve an impossible murder.In a world of elves and dwarves and sprites and mages, Tane Carver is a human with no gift but his wits. Which, to be fair, did get him into the world's most prestigious university of magical technology.For a while.Until his lack of magic was discovered. And then it all came crashing down.But when a student is murdered on campus behind unbreakable wards, Tane gets a second chance. Solving an impossible crime should be easy for the man who fooled the university’s best mages for years. Except he’s not counting on the head constable being an old flame who isn't so fond of him anymore. Or on Kadka, the half-crazy half-orc who insists she's his partner—whether he likes it or not.Not to mention the masked mage who keeps trying to kill him.Now, Tane's survival depends on the one truth that has never failed him. The flaw in all magic that those who have it prefer to ignore: the mage.Outsmart the mage, and you outsmart the spell.And outsmarting mages is what Tane does best.

**Red Handed: A Katerina Carter Color of Money Mystery** Penguin

From the #1 international bestselling author: a woman wakes up on a Central Park bench with no memory of how she got there in this “unpredictable and moving psychological thriller that keeps you holding your breath” (Métro) Alice, a fierce and respected Parisian cop, wakes up on a Central Park bench with no memory of the night before, handcuffed to a complete stranger—a musician named Gabriel. Disoriented, dazed, and with someone else’s blood on her shirt, Alice works furiously to reconnect the dots. She remembers clubbing with her friends the night before on the Champs-Élysées. Gabriel claims he was playing a gig in Dublin. Was she drugged? Kidnapped? Why is the gun in her jacket pocket missing a bullet? And whose blood is on her clothes? Over the next twenty-four hours, Alice and Gabriel race across New York in search of answers, stumbling upon a startling set of clues that point to a terrible adversary from the past. Alice must finally confront her memories of hunting the serial killer who took everything from her—a man she thought was dead, until now. From France's #1 bestselling author, Central Park is a taut and suspenseful thriller that will keep readers riveted until its final shocking twist.

**Some Choose Darkness** Random House

Forensic anthropologist Temperance Brennan returns in a chilling ebook original novella from #1 New York Times bestselling author Kathy Reichs. In the prequel to Reichs’s upcoming thriller *Bones Never Lie*, Tempe takes a much-needed vacation—but murder follows wherever she goes. Although a trip to Florida is supposed to be about rest and relaxation, there’s no such thing as a day off for Dr. Temperance Brennan. She has come to visit her friend, a dedicated ornithologist who’s researching the threat that intrusive Burmese pythons pose to indigenous bird species in the Everglades. While sorting through the stomach of an eighteen-foot specimen, they make a disturbing discovery: bones that are unmistakably human. And when Tempe spots the telltale signs of murder by a very different kind of predator, she’s drawn into a case with its roots in the darkest depths of the swamp.

**Virals** Penguin

#1 New York Times bestselling author Kathy Reichs returns with her twenty-second high-stakes thriller featuring forensic anthropologist Temperance Brennan who, following a series of bizarre disappearances on the islands of Turks and Caicos, enters a sinister labyrinth in which a new technology may wreak worldwide havoc. Called in to examine what is left of a person thought to have been struck by lightning, Tempe traces an unusual tattoo to its source and is soon embroiled in a much larger case. Young men—tourists—have been disappearing on the islands of Turks and Caicos. Seven years earlier, the first victim was found in a strange location with his left hand hacked off; subsequently, two other visitors vanished without a trace. But, recently, tantalizing leads have emerged and only Tempe can unravel them. Maddeningly, the victims seem to have nothing in common—other than the odd places where their bodies turn up, and the fact that none seems likely to have been involved in criminal activity. Do these attacks have something to do with the islands' seething culture of gang violence? Tempe isn't so sure. Disturbingly, she discovers evidence that what's at stake may actually have global significance. It isn't long before the sound of a ticking clock grows menacingly loud. Then Tempe herself becomes a target.

*Nemesis* Simon and Schuster

Kathy Reichs—#1 New York Times bestselling author and producer of the FOX television hit *Bones*—returns with a riveting new novel set in Charlotte, North Carolina, featuring America's favorite forensic anthropologist, Dr. Temperance Brennan. Just as 200,000 fans are pouring into town for Race Week, a body is found in a barrel of asphalt next to the Charlotte Motor Speedway. The next day, a NASCAR crew member comes to Temperance Brennan's office at the Mecklenburg County Medical Examiner to share a devastating story. Twelve years earlier, Wayne Gamble's sister, Cindi, then a high school senior and aspiring racer, disappeared along with her boyfriend, Cale Lovette. Lovette kept company with a group of right-wing extremists known as the Patriot Posse. Could the body be Cindi's? Or Cale's? At the time of their disappearance, the FBI joined the investigation, only to terminate it weeks later. Was there a cover-up? As Tempe juggles multiple theories, the discovery of a strange, deadly substance in the barrel alongside the body throws everything into question. Then an employee of the Centers for Disease Control and Prevention goes missing during Race Week. Tempe can't overlook the coincidence. Was this man using his lab chemicals for murder? Or is the explanation even more sinister? What other secrets lurk behind the festive veneer of Race Week? A turbocharged story of secrets and murder unfolds in this, the fourteenth thrilling novel in Reichs's "cleverly plotted and expertly maintained series" (The New York Times Book Review). With the smash hit *Bones* about to enter its seventh season and in full syndication—and her most recent novel, *Spider Bones*, an instant New York Times bestseller—Kathy Reichs is at the top of her game.

*Cross Bones* Penguin

Forensic reconstructionist Rory Moore sheds light on cold-case homicides by piecing together crime scene details others fail to see. Cleaning out her late father's law office after his burial, she receives a call that plunges her into a decades-old case . . . In the summer of 1979, five Chicago women went missing. The predator, nicknamed The Thief, left no bodies or clues behind--until police received a package from a mysterious woman named Angela Mitchell, whose unorthodox investigations appeared to unmask the killer. Then Angela disappeared without a trace. Forty years

later, The Thief is about to be paroled for Angela's murder. But the cryptic file Rory finds in her father's law office suggests there is more to the case. Making one startling discovery after another, she continues to dig, even Rory can't be prepared for the full, terrifying truth that is emerging . . . Rory becomes helplessly entangled in the enigma of Angela Mitchell and what happened to her. As
