YATES SINGLETON

Clint Eastwood Il Castoro

Suspected in the death of her boyfriend, seventeen-year-old Luce is sent to a Savannah, Georgia, reform school where she meets two intriguing boys and learns the truth about the strange shadows that have always haunted her.

Hard Bodies Vintage

There were no surprises in Gatlin County. At least, that's what I thought. Turns out, I couldn't have been more wrong. Ethan Wate used to think of Gatlin, the small Southern town he had always called home, as a place where nothing ever changed. Then he met mysterious newcomer Lena Duchannes, who revealed a secret world where a curse has marked Lena's family of powerful Supernaturals for generations. Mysterious, suspenseful, and romantic, *Beautiful Creatures*, *Beautiful Darkness*, *Beautiful Chaos*, and *Beautiful Redemption* introduce a secret world hidden in plain sight. A world where impossible, magical, life-altering events happen. Sometimes life-ending. This stunning paperback set makes the perfect gift for fans of this bestselling Southern gothic romance.

Sogni di carta Rizzoli

Analyzes fifteen Eastwood films from a

thematic perspective, revealing how the Hollywood icon's moral vision has evolved over the course of his career while remaining rooted in the same basic ideals.

The Donnie Darko Book Andrews
McMeel Publishing

Filled with wisdom and encouragement, every single page is a testament to the power of words, and the impact they can have on the relationships you build with others. And most importantly, the one you have with yourself. Lang Leav captures the intricacies of emotions like few others can. It's no wonder she has been recognized as a major influencer of the modern poetry movement and her writing has inspired a whole new generation of poets to pick up a pen. *Love Looks Pretty on You* is truly the must-have book for poetry lovers all over the world.

Clint Eastwood First Avenue Editions

In this risk-taking book, a major feminist philosopher engages the work of the actor and director who has progressed from being the stereotypical "man's man" to pushing the boundaries of the very genres—the Western, the police thriller, the war or boxing movie—most associated with American masculinity. Cornell's highly appreciative encounter with the films directed by Clint Eastwood revolve around the questions "What is it to be a good man?" and "What is it to

be, not just an ethical person, but specifically an ethical man?" Focusing on Eastwood as a director rather than as an actor or cultural icon, she studies Eastwood in relation to major philosophical and ethical themes that have been articulated in her own life's work. In her fresh and revealing readings of the films, Cornell takes up pressing issues of masculinity as it is caught up in the very definition of ideas of revenge, violence, moral repair, and justice. Eastwood grapples with this involvement of masculinity in and through many of the great symbols of American life, including cowboys, boxing, police dramas, and ultimately war—perhaps the single greatest symbol of what it means (or is supposed to mean) to be a man. Cornell discusses films from across Eastwood's career, from his directorial debut with *Play Misty for Me* to *Million Dollar Baby*. Cornell's book is not a traditional book of film criticism or a cinematographic biography. Rather, it is a work of social commentary and ethical philosophy. In a world in which we seem to be losing our grip on shared symbols, along with community itself, Eastwood's films work with the fragmented symbols that remain to us in order to engage masculinity with the most profound moral and ethical issues facing us today.

Big Ember

While the western was a staple of cinema for many decades, the form began to fade as its greatest star, John Wayne, made fewer films of distinction toward the end of his career. In the mid-1960s, the genre was redefined by a handful of directors, including Don Siegel and Italian filmmaker Sergio Leone, who offered something edgier, bloodier, and more violent. Working with both directors was an actor who had made a name for himself on the small screen in

the hit western *Rawhide*. While Clint Eastwood would also star in and direct a number of successes with contemporary settings, his work in westerns represents the most significant part of his film career. In *The Clint Eastwood Westerns*, James L. Neibaur takes a film-by-film look at each of the superstar's signature works, from *A Fistful of Dollars* in 1964 to his modern-day classic *Unforgiven*, which earned him two Academy Awards, including best director. The author discusses in detail the production, impact, influences, and successes (both critical and commercial) of each film. In addition, Neibaur examines the continued success and influence of these works—how they redefined, challenged, and progressed the western genre. The book also features chapters that look at Eastwood's other films in the context of his overall career. From the spaghetti westerns he made with Leone, including *The Good, the Bad, and the Ugly*, to his revisionist look at the Old West in *Unforgiven*, *The Clint Eastwood Westerns* shines a spotlight on some of the most thrilling films of the genre. For devotees of Eastwood—the actor or director—or simply fans of the western, this book is an entertaining look at one of Hollywood's most enduring stars.

Luce and Daniel. To stop Lucifer from erasing the past, they must find the place where the angels fell to earth. Dark forces are after them, and Daniel doesn't know if he can do this—live only to lose Luce again and again. Yet together they will face an epic battle that will end with lifeless bodies . . . and angel dust. Great sacrifices are made. Hearts are destroyed. And suddenly Luce knows what must happen. For she was meant to be with someone other than Daniel. The curse they've borne has always and only been about her—and the love she cast aside. The choice she makes now will be the only one that truly matters. In the fight for Luce, who will win? The astonishing conclusion to the Fallen series. Heaven can't wait any longer. "Sexy and fascinating and scary . . . I loved loved loved it!" —P. C. Cast, New York Times bestselling author on *Fallen*

Unforgiven (versione italiana) Marvel Entertainment

Like so many of the characters he plays, Clint Eastwood is secretive about himself, his past and his private life. Now approaching 70, he has tended to play characters who are cold, hard and morally ambiguous: from Sergio Leone's spaghetti westerns through *Hang Em High* and *Dirty Harry* to *Pale Rider* and *Unforgiven*. Alternately stroking and intimidating the press, Clint Eastwood has always been an arch manipulator: of women, friends and colleagues, publicity and finance. Yet in a bewildering age, perhaps no star is more the hero to his audience: a symbol of simple solutions, law and order, de-fashioned values, and rebellion against bureaucracy. This text is a biography that gives Clint his due as actor, director and human being.

Love Looks Pretty on You Destiny Image Publishers

Four-time Academy Award recipient Clint Eastwood is one of the most renowned film directors in the world. This authorized volume offers a revealing in-depth exploration of his influential filmmaking methods, comprehensively illustrated with unit photography, key art, production design sketches, and film frames. Covering all of Eastwood's 32 films, including *The Outlaw Josey Wales*, *Unforgiven*, *Mystic River*, *Million Dollar Baby*, and *Letters from Iwo Jima*, the book is a full-career retrospective. To portray the maverick behind the camera, author Michael Goldman interviewed Eastwood; his longtime crew of award-winning cinematographers, editors, and production designers; and many celebrated actors, including Matt Damon, Leonardo DiCaprio, Gene Hackman, Sean Penn, Meryl Streep, Hilary Swank, and Forest Whitaker. Praise for *Clint Eastwood*: "A comprehensive, and often surprising, biography of collaborative craft rarely found in books of this kind." --Studio Daily

Fallen Little, Brown Books for Young Readers

Every story has a dark side, and this story belongs to Cam, the brooding, bad-boy dark angel *FALLEN* readers love. High school can be hell. Cam knows what it's like to be haunted. He's spent more time in Hell than any angel ever should. And his freshest Hell is high school, where Lilith, the girl he can't stop loving, is serving out a punishment for his crimes. Cam made a bet with Lucifer: he has fifteen days to convince the only girl who really matters to him to love him again. If he succeeds, Lilith will be allowed back into the world, and they can live their lives together. But if he fails . . . there's a special place in Hell just for him. Tick-tock. Spread your

wings and cry as bad boy dark angel Cam finally reveals his anguished heart in the epic *FALLEN* novel, *UNFORGIVEN*.

Il Morandini Wm. B. Eerdmans Publishing

*All books in the Real Man series can be read as standalone titles.*They called him Big for more than one reason. Big had everything I could want in life. My own career, a house with property, and respect in my community. But what I didn't have was her. Landry. Owner of the town's cleaning service. For five long years, I'd pined after her. I watched her from afar, thought only about her, hell, fantasized about Landry when I was alone. And for five years, I'd stayed celibate, because Landry was the only woman I wanted in my life in every way. My self-control when it came to her should have won me a medal, but that tightly reined in desire had slipped and I was done holding myself back. So I told her I needed her help—her talents in making my place livable. What she didn't know was it was just to get her to my place, to tell her, show her she was always meant to be mine. Landry. When I realized it was Big who wanted my services, I didn't know if I could go through with it. I loved him, had for years, but I was inexperienced in all things romantic, so being honest and just telling him how I felt wasn't an option. But when I found myself in his home... with him watching me, I knew I'd fail miserably at trying to act like I didn't want him. And when things come on hard and fast, I know there's no going back. I'm about to give Big every part of myself, including my virginity, but then again, I know that's what he wants. Me, in his life, as his. Forever.

The Ethical Vision of Clint Eastwood

Harry N. Abrams

Clint Eastwood is a true living legend.

For over forty years he has dominated Hollywood and his success both in front of and behind the camera has assured his place in cinema history alongside such superstars as Marlon Brando, John Wayne and Robert De Niro... "Clint" reveals the man behind the myth. Bestselling author Douglas Thompson draws on exclusive interviews with the star, to provide the definitive portrait of Clint Eastwood. From his early days as a jobbing actor on \$75 a week to his directorial triumph with "Million Dollar Baby", "Clint" reveals the personal highlights of one of the most celebrated careers in cinema history.

New Mutants Delacorte Press
 Hard Bodies is about Ronald Reagan, Robert Bly, "America," Rambo, Dirty Harry, national identity, and individual manhood. By linking blockbuster Hollywood films of the 1980s to Ronald Reagan and his image, Susan Jeffords explores the links between masculinity and U.S. identity and how their images changed during that decade. Her book powerfully defines a distinctly ideological period in the renegotiation of masculinity in the post-Vietnam era. As Jeffords perceptively notes, Reagan was most effective at constructing and promoting his own image. His election in 1980 and his landslide re-election in 1984 offered politicians and the film industry some insight into "what audiences want to see." Audiences--and constituencies--were looking for characters who stood up for individualism, liberty, anti-governmentalism, militarism, and who embodied a kind of mythic heroism. The administration in Washington and Hollywood filmmakers sensed and tried to fill that need. Jeffords describes how movies meshed inextricably with Reagan's life as he cast himself as a hero and influenced the country to

believe the same script. Invoking Clint Eastwood in his speeches and treating scenes from movies as if they were real, Reagan played on his image in order to link popular and national narratives. Hollywood returned the compliment. Through her illuminating and detailed analyses of both the Reagan presidency and many blockbuster movies, Jeffords provides a scenario within which the successes of the New Right and the Reagan presidency can begin to be understood: she both encourages an understanding of how this complicity functioned and provides a framework within which to respond to the New Right's methods and arguments. Rambo, Lethal Weapon, Die Hard, Robocop, Back to the Future, Star Wars, the Indiana Jones series, Mississippi Burning, Rain Man, Batman, and Unforgiven are among the films she discusses. In her closing chapter, she suggests the direction that masculinity is taking in the 1990s. The Encyclopaedia Britannica Ember Collects New Mutants (1983) #18-20, X-Force (1991) #99 material from X-Force (2008) #7-10. The visionary talents of writer Chris Claremont and legendary illustrator Bill Sienkiewicz bring the Demon Bear that has haunted Danielle Moonstar's dreams to horrifying life! It took her parents, and now it has returned for Dani and only the combined efforts of her fellow New Mutants can stop it from finishing the job! Sink your teeth into a true classic! Then, Dani's nightmare returns years later as San Francisco and her new team X-Force, come under attack from a similarly unholy ursine!
