## **DONAVAN HERRERA**

### Drawing Dead

Independently Published  
 “A postmodern literary masterpiece.” –The Times Literary Supplement Two hundred years after civilization ended in an event known as the Blast, Benedikt isn’t one to complain. He’s got a job—transcribing old books and presenting them as the words of the great new leader, Fyodor Kuzmich, Glorybe—and though he doesn’t enjoy the privileged status of a Murza, at least he’s not a

serf or a half-human four-legged Degenerator harnessed to a troika. He has a house, too, with enough mice to cook up a tasty meal, and he’s happily free of mutations: no extra fingers, no gills, no cockscombs sprouting from his eyelids. And he’s managed—at least so far—to steer clear of the ever-vigilant Saniturions, who track down anyone who manifests the slightest sign of Freethinking, and the legendary screeching Slynx that waits in the wilderness beyond.

Tatyana Tolstaya’s *The Slynx* reimagines dystopian fantasy as a wild, horripilating amusement park ride. Poised between Nabokov’s *Pale Fire* and Burgess’s *A Clockwork Orange*, *The Slynx* is a brilliantly inventive and shimmeringly ambiguous work of art: an account of a degraded world that is full of echoes of the sublime literature of Russia’s past; a grinning portrait of human inhumanity; a tribute to art in both its sovereignty and its helplessness; a

vision of the past as the future in which the future is now.

**New Adult Fiction** Yale University Press  
Like a mashup between Underworld and Twilight. A young and shy Lara struggles to find her identity when fate throws something new and unexpected at her after meeting a strange couple at a local bar. She finds herself overcome with desire and a thirst for blood. Despite the strangeness of her situation, Lara quickly adapts, only to find her

world shaken when a young girl named Millicent enters her life. And then again when she stumbles across a male werewolf named Lowell. Together, these two individuals help Lara to rediscover her humanity. She soon learns her budding relationship with Lowell is a forbidden love, and the struggle begins to secure their freedom. A journey to ensure their small unique family will remain safe from the vampires, werewolves, and shapeshifters that go bump in the night.

### **Othello (Frantic Assembly Version)**

iUniverse

This completely revised and expanded edition of English Prepositions Explained (EPE), originally published in 1998, covers approximately 100 simple, compound, and phrasal English prepositions of space and time - with the focus being on short prepositions such as at, by, in, and on. Its target readership includes teachers of ESOL, pre-service translators and interpreters,

undergraduates in English linguistics programs, studious advanced learners and users of English, and anyone who is inquisitive about the English language. The overall aim is to explain how and why meaning changes when one preposition is swapped for another in the same context. While retaining most of the structure of the original, this edition says more about more prepositions. It includes many more figures - virtually all new. The exposition draws on

recent research, and is substantially founded on evidence from digitalized corpora, including frequency data. EPE gives information and insights that will not be found in dictionaries and grammar handbooks.

Questioning Bodies in Shakespeare's Rome  
Macmillan

DigiCat Publishing presents to you this special edition of "The Haunters & The Haunted" (Ghost Stories And Tales Of The Supernatural) by Various. DigiCat Publishing considers every

written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. Frantic Assembly's electrifying take on Shakespeare's tragedy of paranoia, sex and murder, firmly rooted in a volatile twenty-first century. In a world of broken glass and shattered promises, of poisonous manipulation and explosive violence, Othello's passionate affair with Desdemona becomes the catalyst for jealousy, betrayal, revenge and the darkest intents. As

relevant today as it ever was, Othello exposes the tension, fear and paranoia buried beneath the veneer of our relationships and how easily that can be maliciously exploited. Frantic Assembly's touring production was first performed in 2008, with revivals in 2014 and 2022. This edition of Scott Graham and Steven Hoggett's muscular, radically adapted text also features articles and interviews about the production and Frantic Assembly's revolutionary

work.

### **Between Stage and Screen**

Notre Dame : University of Notre Dame Press

Here are 99 enjoyable activities, for 11-16 year olds, to coax, cajole and tempt them into learning English. The authors, drawing on their own vast experience, share ideas on maintaining discipline, using ice-breakers, warmers, fillers, developing vocabulary and using literature.

### **Discoveries in Poe**

Cambridge University Press

In this second edition of *Beginning Theory*, the variety of approaches, theorists, and technical language is lucidly and expertly unraveled and explained, and allows readers to develop their own ideas once first principles have been grasped. Expanded and updated from the original edition first published in 1995, Peter Barry has incorporated all of the recent developments in literary theory, adding two new chapters covering the emergent Eco-criticism and the re-

emerging Narratology. **The Shakespeare User** Kathryn Meyer Griffith What makes Lacan so difficult for Americans to understand and what makes Lacanians so suspect of American psychoanalysis? This work brings together some of the most prominent psychoanalysts in France and America today to address a range of different topics. *The Conspiracy against the Human Race* Penguin Do You Miss the Days when Vampires books were Scary? Fans describe

Storberry as Salem's Lot meets 30 Days of Night! Haunted by childhood demons, Evan Moran returns to Storberry, Virginia, to find a greater evil threatens the town. Teenager Jen Barrows is frightened by the strange noises coming from her garage crawlspace after nightfall, despite the assurances of friend Tom Kingsley that there is nothing to fear. When a strange storm cripples the town's communication systems, something hideous begins stalking the people of Storberry.

Tom and Jen align themselves with Evan, and a tiny group of survivors who suspect the horrible truth behind the evil loose in the night. Together they must overcome personal tragedy and find a way to survive until sunrise. In the darkest pit of night, before the faintest strip of blood red is on the eastern horizon, it seems the sun will never again rise in Storberry.  
*Music's Meanings*  
Routledge  
"Aline vient de mourir."  
Personne n'aurait cru

qu'elle se réveillerait un jour. Pourtant, la jeune femme ouvre les yeux dans son propre cercueil. Elle est amnésique et a acquis des capacités surhumaines. Un mystérieux jeune homme la découvre ainsi. Il aurait dû être étonné de la voir en vie, elle aurait dû avoir peur de lui. Mais il n'en est rien. Il fera tout pour la protéger. Malheureusement, Aline fera également tout pour retrouver ses souvenirs, mettant terriblement en péril son nouvel allié. Et si ce bel homme lui cachait

tout ce qu'elle a toujours cherché ? Plongez sans plus attendre dans ce roman fantastique déjà primé à de nombreuses reprises ! EXTRAIT Le jeune homme ferme enfin les yeux, tentant de toutes ses forces de se rappeler de chacun des douloureux traits du visage de celle qu'il vient de perdre. Il ne verra plus jamais les expressions qu'accueillait le visage de sa bien-aimée. Plus jamais. Le rire cristallin de cette fille a disparu tel un feu de camp qu'on éteint. C'est la lueur de son cœur

que cette nouvelle avait brisée. Il ne lui reste plus rien, si ce ne sont les souvenirs vécus avec elle. Ces bouts de mémoire qu'il aimerait revivre encore et encore. Pourtant, cela lui est impossible. Ça, c'est ce qu'il croyait en tout cas.

**CE QU'EN PENSE LA CRITIQUE** Un livre surprenant rempli de sensualité et de mystère, rédigé par une plume envoûtante. - Les Ficties

Un chef d'oeuvre du suspense qui nous fait passer un message véritablement engagé. -

**Golden Awards À PROPOS DE L'AUTEUR** Elin Bakker a 17 ans. De nationalité belge, elle a toujours été passionnée par l'écriture et la lecture. Depuis son plus jeune âge, elle imagine des mondes fantastiques aux nombreuses facettes. À 15 ans, elle se lance sur la plateforme Wattpad avec son premier roman. Encouragée par ses lecteurs et par le franc succès de ses histoires loup-garou, elle explore tous les genres littéraires de l'imaginaire. Aujourd'hui, elle écrit des

romans fantasy, comme le premier volet de sa saga autour du monde des vampires nommé Vampire en colocation. Russians Abroad Createspace Independent Publishing Platform Newly revised and in paperback for the first time, this definitive, annotated edition of T. S. Eliot's "The Waste Land" includes as a bonus all the essays Eliot wrote as he was composing his masterpiece. Enriched with period photographs, a London map of cited locations, groundbreaking

information on the origins of the work, and full annotations, the volume is itself a landmark in literary history. "More than any previous editor, Rainey provides the reader with every resource that might help explain the genesis and significance of the poem. . . The most imaginative and useful edition of "The Waste Land" ever published."--Adam Kirsch, "New Criterion ""For the student or for anyone who wants to get the maximum amount of information out of a

foundational modernist work, this is the best available edition."-- "Publishers Weekly" Twelve Years a Slave ABDO  
 How do you kill a nine hundred and twenty-seven year old vampire? First, get totally wasted and stagger to the nearest grocery store. No really...let's get this straight, once and for all. How do you defeat an ancient and all-powerful vampire? The answer is clearly murky -- assemble a posse of highly skilled inebriates and sprinkle in

a dash of finely cultivated herb. Then solicit the incoherent advice of one Newfoundlander aunt and devise a master plan that is thoroughly drenched in dark rum. The Crimson Woman is miraculously unconventional and inventive. Patricia McCarthy delivers the third offering of her trilogy in grandiose style, set in the endearing City of Ottawa. Whether you have previously enjoyed The Crimson Man or The Crimson Boy, each story is an experience in its own right, steeped in

eroticism, blood and hilarious eccentricity. McCarthy's engaging Crimson series is surely destined to become a cultural phenomenon. You'll be dying to know the fate of Samuel and Magdalene and their hapless vampire slayers. The Slynx V&R unipress GmbH

Now a major motion picture nominated for nine Academy Awards. Narrative of Solomon Northup, a Citizen of New-York, Kidnapped in Washington City in 1841, and Rescued in 1853. Twelve Years a Slave by Solomon Northup is a memoir of a black man who was born free in New York state but kidnapped, sold into slavery and kept in bondage for 12 years in Louisiana before the American Civil War. He provided details of slave markets in Washington, DC, as well as describing

at length cotton cultivation on major plantations in Louisiana. **Language Activities for Teenagers** New York Review of Books  
 It is now an acknowledged fact in the world of linguistics that the concept of evaluation is crucial, and that there is very little - if any - discourse that cannot be analyzed through the prism of its evaluative content. This book presents some of the latest developments in the study of this phenomenon. Released

more than a decade later than Hunston and Thompson's (2000) *Evaluation in Text*, *Evaluation in Context* is designed as its sequel, in an attempt to continue, update and extend the different avenues of research opened by the earlier work. Both theoretical and empirical studies on the topic are presented, with the intention of scrutinizing as many of its dimensions as possible, by not only looking at evaluative texts, but also considering the aspects of the

discursive context that affect the final evaluative meaning at both the production and reception stages of the evaluative act. The editors' main objective has been to gather contributions which investigate the manifold faces and phases of evaluation by presenting a wide variety of perspectives that include different linguistic theories (e.g. Axiological Semantics, Functionalism or Politeness Theory), different levels of linguistic description (e.g. phonological, lexical or

semantic), and different text types and contexts (e.g. the evaluation found in ironic discourse, the multimodality of media discourse or the world of politics, just to name a few). The volume can be of use not only for scholars who study the evaluative function of language, but also for students who wish to pursue research in the area.

Palingenesis Project  
(Wermod and Wermod  
Publishing Group)

Covering over 10,000 idioms and collocations characterized by similarity in their wording or metaphorical idea which do not show corresponding similarity in their meanings, this dictionary presents a unique cross-section of the English language. Though it is designed specifically to assist readers in avoiding the use of inappropriate or erroneous phrases, the book can also be used as a regular phraseological dictionary providing definitions to individual

idioms, cliches, and set expressions. Most phrases included in the dictionary are in active current use, making information about their meanings and usage essential to language learners at all levels of proficiency.

**The Night Inside** Hyweb Technology Co. Ltd. Afraid of getting her heart broken, Taylor Caldwell is intent on getting rid of new roommate Hunter Zaccadelli before she falls in love with him, but her determination gives way to desire as they begin to share secrets and

romance.

Vampire en colocation  
Amsterdam University  
Press

In Thomas Ligotti's first nonfiction outing, an examination of the meaning (or meaninglessness) of life through an insightful, unsparing argument that proves the greatest horrors are not the products of our imagination but instead are found in reality. "There is a signature motif discernible in both works of philosophical pessimism and

supernatural horror. It may be stated thus: Behind the scenes of life lurks something pernicious that makes a nightmare of our world." His fiction is known to be some of the most terrifying in the genre of supernatural horror, but Thomas Ligotti's first nonfiction book may be even scarier. Drawing on philosophy, literature, neuroscience, and other fields of study, Ligotti takes the penetrating lens of his imagination and turns it on his audience,

causing them to grapple with the brutal reality that they are living a meaningless nightmare, and anyone who feels otherwise is simply acting out an optimistic fallacy. At once a guidebook to pessimistic thought and a relentless critique of humanity's employment of self-deception to cope with the pervasive suffering of their existence, *The Conspiracy against the Human Race* may just convince readers that there is more than a measure of truth in the despairing yet

unexpectedly liberating negativity that is widely considered a hallmark of Ligotti's work. *Duel with Daredevil!* transcript Verlag Using a broad definition of fantasy to include myth, folklore, legend and fairy tale, this survey of the genre will entice as well as inform any student interested in the mysterious, mystical or magical. Beloved authors like J. R. R. Tolkien, Ursula K. Le Guin, William Morris and Robert E. Howard are examined closely.
