Sinopsis: Disfruta de la segunda parte de la Bilogía Lo que nunca fue.¿Y si la vida te diera la oportunidad de volver a encontrarte con la persona que sostiene tu hilo rojo? ¿Y si de nuevo hubieseis llegado tarde? Sumérgete en una bonita novela sobre amores imposibles, almas gemelas y cicatrices que el paso del tiempo no ha conseguido curar.Roma, Nápoles, Berlín y Madrid son los escenarios de una novela hecha por y para soñar.Citas del libro: "A veces, los amantes pasajeros dejan más huella en nuestro destino que el amor perfecto de manual""Yo no sé nada del amor. Pero debe ser algo similar a que se te siga parando el corazón cuando escuchas una voz que te recuerda a él""Somos eso

en lo que pensamos cuando despegamos el avión. Cuando corre por la pista y comienzas a sentir cómo tus pies se despegan del suelo. Cuando sabes que no hay punto de retorno. En ese momento, deseamos volver atrás, bien para volver a cometer un error o bien para no haberla jodido tanto. Pero también, en ese momento, llegan nuestros deseos más profundos. Hazle más caso a tu yo viajero, él sí que sabe bien quién eres realmente""Que todo pasa, nos decían nuestros mayores. Pero se olvidaron de contarnos que, mientras eso ocurre, también pasa la vida""Nadie es imprescindible. Pero no todo el mundo es reemplazable" Acerca del autor: Noelia Hontoria nació en Motril en 1988. Diplomada en Turismo, Máster en RSC y Posgrado en Periodismo Digital, actualmente trabaja como gestor de contenidos y redactora en diferentes medios digitales. Apasionada de todo lo que lleve letras y viajera incansable, con su primera novela, "La chica de los ojos tristes", logró colocarse entre los libros más vendidos de Amazon de diferentes países como España, México e Italia, además de ser traducida

internacionalmente a varios idiomas. Con su bilogía "Lo que nunca fue", compuesta por las novelas "Lo que nunca fue" y "Lo que siempre fuimos", se reafirma como una de las nuevas promesas de la novela romántica.

INTERNATIONAL BESTSELLER • 1.5 MILLION+ COPIES SOLD WORLDWIDE

"Workers looking for more fulfilling positions should start by identifying their ikigai." —Business Insider "One of the unintended—yet positive—consequences of the [pandemic] is that it is forcing people to reevaluate their jobs, careers, and lives. Use this time wisely, find your personal ikigai, and live your best life."

—Forbes Find your ikigai (pronounced ee-key-guy) to live longer and bring more meaning and joy to all your days. "Only staying active will make you want to live a hundred years." —Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents of the Japanese village with the world's longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—where what you love, what you're good at, what you can get paid for, and what the world needs all overlap—means that each day is infused with meaning. It's the reason we get up in the morning. It's also the reason many Japanese never really retire (in fact there's no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they've found a real purpose in life—the happiness of always being busy. In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world's Blue Zones.

Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction to their lives. And it provides practical tools to help you discover your own ikigai.

Because who doesn't want to find happiness in every day?

Cultura peruana Random House

At long last, the original story as Sherrilyn first wrote it and available for the first time in hardback. This is the director's cut that tells the tale of Julian of Macedon and how he was cursed into a book.

The Selfish Gene Crown

A "dissident of the gender-sex binary system" reflects on gender transitioning and political and cultural transitions in technoscientific capitalism. Uranus, the frozen giant, is the coldest planet in the solar system as well as a deity in Greek mythology. It is also the inspiration for uranism, a concept coined by the writer Karl Heinrich Ulrich in 1864 to define the "third sex" and the rights of those who "love differently." Following Ulrich, Paul B. Preciado dreams of an apartment on Uranus where he might live beyond existing power, gender and racial strictures invented by modernity. "My trans condition is a new form of uranism," he writes. "I am not a man. I am not a woman. I am not heterosexual. I am not homosexual. I am not bisexual. I am a dissident of the gender-sex binary system. I am the multiplicity of the cosmos trapped in a binary political and epistemological system, shouting in front of you. I am a uranist confined inside the limits of technoscientific capitalism."

This book recounts Preciado's transformation from Beatriz into Paul B., but it is not only an account of gender

transitioning. Preciado also considers political, cultural, and sexual transition, reflecting on issues that range from the rise of neo-fascism in Europe to the technological appropriation of the uterus, from the harassment of trans children to the role museums might play in the cultural revolution to come. *An Apartment on Uranus* is a bold, transgressive, and necessary book.

Qué pasa Macmillan

Durante los últimos treinta años, la filosofía de la biología ha surgido de la sombra de la filosofía la física para convertirse en una subdisciplina respetable y próspera de la filosofía. En este libro, sus autores adoptan una nueva mirada hacia las ciencias de la vida y hacia su filosofía desde una perspectiva naturalista-emergentista y estrictamente realista. Configurar un marco filosófico unificado, orientado a la ciencia, que les permite aclarar muchos aspectos filosóficos fundamcionales de la biología.

When We Believed in Mermaids

Anchor

From the author of *The Art of Inheriting Secrets* comes an emotional new tale of two sisters, an ocean of lies, and a search for the truth. Her sister has been dead for fifteen years when she sees her on the TV news... Josie Bianci was killed years ago on a train during a terrorist attack. Gone forever. It's what her sister, Kit, an ER doctor in Santa Cruz, has always believed. Yet all it takes is a few heart-wrenching seconds to upend Kit's world. Live coverage of a club fire in Auckland has captured the image of a woman stumbling through the smoke and debris. Her resemblance to Josie is unbelievable. And unmistakable. With it comes a flood of emotions--grief, loss, and anger--that Kit finally has a chance to put to rest: by finding the sister who's

been living a lie. After arriving in New Zealand, Kit begins her journey with the memories of the past: of days spent on the beach with Josie. Of a lost teenage boy who'd become part of their family. And of a trauma that has haunted Kit and Josie their entire lives. Now, if two sisters are to reunite, it can only be by unearthing long-buried secrets and facing a devastating truth that has kept them apart far too long. To regain their relationship, they may have to lose everything.

La sagrada cripta de Pombo ... MIT Press

"In the heart of this world, the Lord of life, who loves us so much, is always present. He does not abandon us, he does not leave us alone, for he has united himself definitively to our earth, and his love constantly impels us to find new ways forward. Praise be to him!" - Pope Francis, *Laudato Si'* In his second encyclical, *Laudato Si'*: On the Care of Our Common Home, Pope Francis draws all Christians into a dialogue with every person on the planet about our common home. We as human beings are united by the concern for our planet, and every living thing that dwells on it, especially the poorest and most vulnerable. Pope Francis' letter joins the body of the Church's social and moral teaching, draws on the best scientific research, providing the foundation for "the ethical and spiritual itinerary that follows." *Laudato Si'* outlines: The current state of our "common home" The Gospel message as seen through creation The human causes of the ecological crisis Ecology and the common good Pope Francis' call to action for each of us Our Sunday Visitor has included discussion questions, making it perfect for individual or group study, leading all Catholics and Christians into a deeper understanding of the importance of this

teaching.

A stunning story about finding the courage to speak out against injustice, even when committed by those closest to us. Camille Kouchner's childhood was marked by sun-drenched summers in the south of France, where a vibrant cast of family and friends would gather at their Sanary-sur-Mer house. This familia grande, which included much of the country's elite, spent memorable days and nights laughing, debating, drinking, and dancing. But a long-held secret poisoned Camille's memories. In February 2017, Camille returned to Sanary at forty-one to bury her mother, who died with none of her five children present. Her passing would stir up old emotions, ultimately leading Camille to publicly confront the truth. The Familia Grande poignantly explores the dynamics of abuse, and the questions of guilt and shame surrounding it. Published in France in 2021, the book sparked an important conversation about incest, and the attitudes and laws that have so often allowed influential men to evade consequences for their crimes.

Shinrin-Yoku Little, Brown

NATIONAL BESTSELLER • In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. Four months later, his decomposed body was found by a moose hunter. This is the unforgettable story of how Christopher Johnson McCandless came to die. "It may be nonfiction, but *Into the Wild* is a mystery of the highest order." —Entertainment Weekly McCandless had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all

the cash in his wallet, and invented a new life for himself. Not long after, he was dead. *Into the Wild* is the mesmerizing, heartbreaking tale of an enigmatic young man who goes missing in the wild and whose story captured the world's attention. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. *Into the Wild* is a tour de

force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.

Boletín de la Sociedad Mexicana de Geografía y Estadística

Our Sunday Visitor

Shinrin = Forest Yoku = Bathing Shinrin-Yoku or forest bathing is the practice of spending time in the forest for better health, happiness and a sense of calm. A pillar of Japanese culture for decades, Shinrin-Yoku is a way to reconnect with nature, from walking mindfully in the woods, to a break in your local park, to walking barefoot on your lawn. Forest Medicine expert, Dr Qing Li's research has proven that spending time around trees (even filling your home with house plants and vaporising essential tree oils) can reduce blood pressure, lower stress, boost energy, boost immune system and even help you to lose weight. Along with his years of ground-breaking research, anecdotes on the life-changing power of trees, Dr Li provides here the practical ways for you to try Shinrin-Yoku for yourself.

Lo Que Siempre Fuimos Lo Que Nunca Fue

In this gripping page-turner, an ex-agent on the run from her former employers must take one more case to clear her name and save her life. She used to work for the U.S. government, but very few people ever knew that. An expert in her field, she was one of the darkest secrets of an agency so clandestine it doesn't even have a name. And when they decided she was a liability, they came for her without warning. Now she rarely stays in the same place or uses the same name for long. They've killed the only other person she trusted, but something she knows still poses a threat. They want her dead, and soon. When her former handler offers her a

way out, she realizes it's her only chance to erase the giant target on her back. But it means taking one last job for her ex-employers. To her horror, the information she acquires only makes her situation more dangerous. Resolving to meet the threat head-on, she prepares for the toughest fight of her life but finds herself falling for a man who can only complicate her likelihood of survival. As she sees her choices being rapidly whittled down, she must apply her unique talents in ways she never dreamed of. In this tautly plotted novel, Meyer creates a fierce and fascinating new heroine with a very specialized skill set. And she shows once again why she's one of the world's bestselling authors.

36 Questions That Changed My Mind About You Siglo XXI

Inspired by the real psychology study popularized by the New York Times and its "Modern Love" column, this contemporary YA is perfect for fans of Eleanor and Park. Two random strangers. Two secrets. Thirty-six questions to make them fall in love. Hildy and Paul each have their own reasons for joining the university psychology study that asks the simple question: Can love be engineered? The study consists of 36 questions, ranging from "What is your most terrible memory?" to "When did you last sing to yourself?" By the time Hildy and Paul have made it to the end of the questionnaire, they've laughed and cried and lied and thrown things and run away and come back and driven each other almost crazy. They've also each discovered the painful secret the other was trying so hard to hide. But have they fallen in love? Told in the language of modern romance -- texting, Q&A, IM -- and punctuated by Paul's sketches, this clever high-concept YA is full of humor

and heart. As soon as you've finished reading, you'll be searching for your own stranger to ask the 36 questions. Maybe you'll even fall in love. Rights have sold in 19 territories!

La Semana médica Fernand Lanore
An Oprah.com Best Romance Novel of 2019! "Perfect for readers who love the dishy women's fiction of Candace Bushnell." —Booklist From the author of the New York Times bestselling *Stiletto* and *Oxford* series, the first in a sizzling new series following the unlikely friendship of three Upper East Side women as they struggle to achieve their dreams and find true love and happiness in the city that never sleeps. For as long as she can remember, Bronx-born Naomi Powell has had one goal: to prove her worth among the Upper East Side elite—the same people for which her mom worked as a housekeeper. Now, as the strongminded, sassy CEO of one of the biggest jewelry empires in the country, Naomi finally has exactly what she wants—but it's going to take more than just the right address to make Manhattan's upper class stop treating her like an outsider. The worst offender is her new neighbor, Oliver Cunningham—the grown son of the very family Naomi's mother used to work for. Oliver used to torment Naomi when they were children, and as a ridiculously attractive adult, he's tormenting her in entirely different ways. Now they find themselves engaged in a battle-of-wills that will either consume or destroy them. "Strong characters and relatable situations elevate Layne's bighearted contemporary...[which] digs into class differences, emotional baggage, and the reality of dealing with aging parents" (Publishers Weekly, starred review). With the sexy combination of charm, heart, and snark, Lauren Layne's new series is

perfect for fans of Christina Lauren and Sally Thorne.

Seven Lies Ed. Médica Panamericana
Esta nueva edición de Vida, totalmente renovada, sigue destacando no sólo los conocimientos de la biología, sino también cómo se alcanzaron; incorpora además nuevos e interesantes descubrimientos, mantiene un diseño gráfico caracterizado por su belleza y calidad, y es ahora más accesible desde el punto de vista pedagógico por la inclusión, en todos los capítulos, de elementos que facilitan el aprendizaje y por su lenguaje riguroso por fácil de comprender. Entre sus características destacadas se encuentran: Los numerosos recursos pedagógicos, como los recuadros que anticipan el contenido del capítulo, la guía que presenta los principales títulos formulados como interrogantes para destacar la base de investigación de la ciencia, las revisiones intercaladas en el texto con preguntas para estimular el repaso inmediato y los resúmenes que destacan los conceptos claves introducidos; el énfasis en el proceso de la investigación científica y la descripción de los experimentos fundamentales med ...

Julian of Macedon Oxford University Press, USA

John Ratey, bestselling author and clinical professor of psychiatry at Harvard Medical School, lucidly explains the human brain's workings, and paves the way for a better understanding of how the brain affects who we are. Ratey provides insight into the basic structure and chemistry of the brain, and demonstrates how its systems shape our perceptions, emotions, and behavior. By giving us a greater understanding of how the brain responds to the guidance of its user, he provides us with knowledge that can enable us to improve our lives. In A

User's Guide to the Brain, Ratey clearly and succinctly surveys what scientists now know about the brain and how we use it. He looks at the brain as a malleable organ capable of improvement and change, like any muscle, and examines the way specific motor functions might be applied to overcome neural disorders ranging from everyday shyness to autism. Drawing on examples from his practice and from everyday life, Ratey illustrates that the most important lesson we can learn about our brains is how to use them to their maximum potential.

Passion on Park Avenue Giron Books
Read the spicy romance that became a TikTok and Netflix sensation Raquel Álvarez has one goal - to become a psychologist. Well, that and to get Ares Hildago to notice her. For as long as Raquel can remember, she has been obsessed with Ares - her rich, hot, mysterious neighbour. Even though he lives next door, Raquel has never spoken to him - until a chance encounter reveals her crush is anything but unrequited, and their steamy attraction grows into something much more. Raquel is all in with Ares. But Ares can't, or won't, commit, as his struggle with personal and family responsibilities leaves little room for falling in love. What burns bright burns fast, but for Ares and Raquel, can it last?

El vencedor Lake Union Publishing
NATIONAL BESTSELLER "Impressively original." —The New York Times
"Sparkles in every way. A love letter to the open lonely American heartland...A must-read." —People "The kind of book that restores your faith in humanity." —Toronto Star
Welcome to Little Wing. It's a place like hundreds of others, nothing special, really. But for four friends—all born and raised in this small

Wisconsin town—it is home. And now they are men, coming into their own or struggling to do so. One of them never left, still working the family farm that has been tilled for generations. But others felt the need to move on, with varying degrees of success. One trades commodities, another took to the rodeo circuit, and one of them even hit it big as a rock star. And then there's Beth, a woman who has meant something special in each of their lives. Now all four are brought together for a wedding. Little Wing seems even smaller than before. While lifelong bonds are still strong, there are stresses—among the friends, between husbands and wives. There will be heartbreak, but there will also be hope, healing, even heroism as these memorable people learn the true meaning of adult friendship and love. Seldom has the American heartland been so richly and accurately portrayed. Though the town may have changed, the one thing that hasn't is the beauty of the Wisconsin farmland, the lure of which, in Nickolas Butler's hands, emerges as a vibrant character in the story. Shotgun Lovesongs is that rare work of fiction that evokes a specific time and place yet movingly describes the universal human condition. It is, in short, a truly remarkable book—a novel that once read will never be forgotten.

The Surface Breaks: a reimagining of The Little Mermaid Simon and Schuster

Deep beneath the sea off the cold Irish coast, Gaia is a young mermaid who dreams of being human... but at what terrible price? Hans Christian Andersen's dark original fairy tale is reimagined through a searing feminist lens, with the stunning, scalpel-sharp writing and world building that has won Louise her legions of devoted fans.

El gobierno mexicano Vintage
"Scalpel-sharp writing and a killer concept-dark, clever, compelling and utterly assured." —Lucy Foley, author of *The Guest List*, a Hello Sunshine x Reese's Book Club Pick Keep the lights on—you'll be turning pages deep into the night with this one." —Harlan Coben, #1 New York Times bestselling author of *Run Away* It all started with just one little lie. But we all know that it never ends there. Because, of course, one lie leads to another. . . Growing up, Jane and Marnie shared everything. They knew the other's deepest secrets. They wouldn't have had it any other way. But

when Marnie falls in love, things begin to change. Because Jane has a secret: She loathes Marnie's wealthy, priggish husband. So when Marnie asks if she likes him, Jane tells her first lie. After all, even best friends keep some things to themselves. If she had been honest, then perhaps her best friend's husband might still be alive today. . . *Seven Lies* is Jane's confession of the truth—her truth. Compelling, sophisticated, chilling, it's a seductive, hypnotic page-turner about the tangled, toxic friendships between women, the dark underbelly of obsession, and what we stand to lose in the name of love.
