L'arrondissement de Nyons Hill and Wang Guidebook to the northernmost section of the GR5 - from Hoek van Holland in the Netherlands, through Belgium and Luxembourg, to Schirmeck in the northeast of France. Described over 49 stages, this 1000 kilometre section of the GR5 is relatively easy and ideal for those who don't want to hike up and down steep mountains - or not just yet. Clear route description is accompanied by 1:100K mapping, together with information on points of interest passed along the way. Background information on landscape,

wildlife and history is included, as is practical information - everything from clothing, equipment, food, drink and waymarking to maps, money and staying in touch - making planning and executing a trip as easy as possible. One of the world's best long distance walking trails, the GR5, in its entirety, covers an impressive 1423 miles (2290km) on its way from the North Sea to the Mediterranean. This northern stretch - before the trail hits the depth of the Vosges. Two further Cicerone guidebooks cover the remaining sections of the GR5; 'The GR5 Trail - Vosges and Jura', and 'The GR5 Trail' which covers the route from Lac Lemane to the Mediterranean. Climbing Editions Olizane "The Middle Parts of Fortune" is a wartime story by Frederic Manning. In the 1920s the demand for writing on the First World War started to grow, the catalyst being the play 'Journey's End' written by R. C. Sherriff. A friend urged Manning to use his undoubted talent to write a novel about his own intense wartime experiences. To capture the moment, Manning

worked rapidly, with little opportunity for second drafts and revisions. The result was "The Middle Parts of Fortune", published anonymously in a numbered limited edition of 520 copies in 1929, which are now collectors' items.

Good Press

An essential guidebook for walking the GR5, one of the world's most spectacular long-distance trails. The GR5 makes its way through the Alps from the shores of Lac Léman at Geneva to the Mediterranean at Nice. A route of 674km (420 miles), it can be trekked in a month, or split over a series of summer trips. The GR5 is well within the reach of fit and moderately experienced walkers and backpackers. There is good signposting and waymarking, and accommodation, food and drink are all available at regular intervals. The paths and tracks are generally well graded, while steep climbs are tackled on zigzag paths, so the overall gradient is not so severe. Every summer, thousands of walkers embark on this trek. This guidebook also describes some scenic variant routes, including the stunning GR55

through the Vanoise National Park and the delightful GR52 that crosses the Mercantour National Park. Full descriptions and maps are provided for these alternatives. The book includes daily stages, timings, ascents and descents, full-colour mapping and gradient profiles, alongside information about facilities and services along the route. The result is an ideal companion to planning and completing your trek. Two further Cicerone guidebooks cover the remaining sections of the GR5; 'The GR5 Trail - Vosges and Jura', and 'The GR5 Trail - Benelux and Lorraine' which together cover the route from Lac Léman to the Hoek Van Holland.

The Aquarian Gospel reveals the truth of Jesus' journey to the East and how this shaped the boy into the man.

#### **The Collaborators**

Cicerone Press Limited A noir set in the seediest backwaters of the French publishing industry, *The Collaborators* tells the story of a hapless drifter who, after years of not

particularly heroic effort, finally manages to write a book. A good book? A bad book? Well, it's complicated-and soon the complications he's set in motion spiral entirely out of control. Praised by Pierre Bayard in *How to Talk About Books You Haven't Read*, and finally available in English by one of our greatest translators, *The Collaborators* is both a sinister thriller and a comedy of outrageous proportions. Under the title *Ferdinaud Celine, The Collaborators* was published in French in 1997 to great acclaim.

#### **The Flame that is France**

Here is the first political biography of Baron Franz Maria Thugut, the principal Austrian opponent of the French Revolution. This work explains Thugut's role as the first Austrian statesman seriously to confront the Revolution. In the process it makes significant revisions in the conventional picture of the international system of the period. Originally published in 1987. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the

distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
