Gujarat Files is the account of an eight-month long undercover investigation by journalist Rana Ayyub into the Gujarat riots, fake encounters and the murder of state Home Minister Haren Pandya that brings to the fore startling revelations. Posing as Maithili Tyagi, a filmmaker from the American Film Institute Conservatory, Rana met bureaucrats and top cops in Gujarat who held pivotal positions in the state between 2001 and 2010. The transcripts of the sting operation reveal the complicity of the state and its officials in crimes against humanity. With sensational disclosures about cases that run parallel to Narendra Modi and Amit Shah's ascent to power and their journey from Gujarat to New Delhi, the book tells you the hushed truth of the state in the words of those who developed amnesia while speaking before commissions of enquiry, but held nothing back in the secretly taped videos which form the basis of this remarkable read.

An enormously satisfying, exciting and enriching book, Vikram Chandra's novel draws the reader deep into the lives of detective Sartaj Singh and Ganesh Gaitonde, the most wanted gangster in India. Sartaj, the only Sikh inspector in the whole of Mumbai, is used to being identified by his turban, beard and the sharp cut of his trousers. But 'the silky Sikh' is now past forty, his marriage is over and his career prospects are on the slide. When Sartaj gets an anonymous tip off as to the secret hideout of the legendary boss of the G-company, he's determined that he'll be the one to collect the prize. This is a sprawling, epic novel of friendships and betrayals, of terrible violence, of an astonishing modern city and its underworld. Drawing on the best of Victorian fiction, mystery novels, Bollywood movies and Vikram Chandra's years of first hand research on the streets of Mumbai, this novel reads like a potboiling page-turner but resonates with the intelligence and emotional depth of the best of literature.

Representation and Resistance: South Asian and African Women's Texts at Home and in the Diaspora compares colonial and national constructions of gender identity in Western-educated African and South Asian women's texts. Jaspal Kaur Singh argues that, while some writers conceptualize women's equality in terms of educational and professional opportunity, sexual liberation, and individualism, others recognize the limitations of a paradigm of liberation that focuses only on individual freedom. Certain diasporic artists and writers assert that transformation of gender identity construction occurs, but only in transnational cultural spaces of the first world-spaces which have emerged in an era of rampant globalization and market liberalism. In particular, Singh advocates the inclusion of texts from women of different classes, religions, and castes, both in the Global North and in the South.

New York Times • Times Critics Top Books of 2021 The Times (of London) • Best Books of the Year Excerpted in The New Yorker Profiled in The Los Angeles Times Publishing for the centenary of her birth, Patricia Highsmith’s diaries “offer the most complete picture ever published” of the canonical author (New York Times). Relegated to the genre of mystery during her lifetime, Patricia Highsmith is now recognized as one of “our greatest modernist writers” (Gore Vidal). Beloved by fans who were unaware of the real psychological turmoil behind her prose, the famously secretive Highsmith refused to authorize a biography, instead sequestering herself in her Switzerland home in her final years. Posthumously, her devoted editor Anna von Planta discovered her diaries and notebooks in 1995, tucked in a closet—with tantalizing instructions to be read. For years thereafter, von Planta meticulously culled from over eight thousand pages to help reveal the inscrutable figure behind the legendary pen. Beginning with her junior year at Barnard in 1941, Highsmith ritualistically kept a diary and notebook—the former to catalog her day, the latter to brainstorm stories and hone her craft. This volume weaves diary and notebook simultaneously, exhibiting precisely how Highsmith’s personal affairs seeped into her fiction—and the sheer darkness of her own imagination. Charming yet teetering on the egotistical, young “Pat” lays bare her dizzying social life in 1940s Greenwich Village, barhopping with Judy Holliday and Jane Bowles, among others. Alongside Flannery O’Conner and Chester Himes, she attended—at the recommendation of Truman Capote—the Yaddo artist colony in 1948, where she drafted *Strangers on a Train*. Published in 1950 and soon adapted by Alfred Hitchcock, this debut novel brought recognition and brief financial security, but left a heartsick Highsmith agonizing: “What is the life I choose?” Providing extraordinary insights into gender and sexuality in mid-twentieth-century America, Highsmith’s diaries convey her euphoria writing *The Price of Salt* (1951). Yet her sophomore novel would have to be published under a pseudonym, so as not to tarnish her reputation. Indeed, no one could anticipate commercial reception for a novel depicting love between two women in the McCarthy era. Seeking relief from America, Highsmith catalogs her peripatetic years in Europe, subsisting on cigarettes and growing more bigoted and satirical with age. After a stay in Positano with a new lover, she reflects in her notebooks on being an expat, and gleefully conjures the unforgettable *The Talented Mr. Ripley* (1955); it would be this sociopathic antihero who would finally solidify her true fame. At once lovable, detestable, and mesmerizing, Highsmith put her turbulent life to paper for five decades, acutely aware there must be “a few usable things in literature.” A memoir as significant in our own century as Sylvia Plath’s journals and Simone de Beauvoir’s writings were to another time, Patricia Highsmith: Her Diaries and Notebooks is an historic work that chronicles a woman’s rise against the conventional tide to unparalleled literary prominence.

Throughout Indian history, many authors and performers have produced, and many patrons have supported, diverse tellings of the story of the exiled prince Rama, who rescues his abducted wife by battling the demon king who has imprisoned her. The contributors to this volume focus on these "many" Ramayanas. While most scholars continue to rely on Valmiki's Sanskrit Ramayana as the authoritative version of the tale, the contributors to this volume do not. Their essays demonstrate the multivocal nature of the Ramayana by highlighting its variations according to historical period,

political context, regional literary tradition, religious affiliation, intended audience, and genre. Socially marginal groups in Indian society—Telugu women, for example, or Untouchables from Madhya Pradesh—have recast the Rama story to reflect their own views of the world, while in other hands the epic has become the basis for teachings about spiritual liberation or the demand for political separatism. Historians of religion, scholars of South Asia, folklorists, cultural anthropologists—all will find here refreshing perspectives on this tale.

The Wrestler's Body tells the story of a way of life organized in terms of physical self-development. While Indian wrestlers are competitive athletes, they are also moral reformers whose conception of self and society is fundamentally somatic. Using the insights of anthropology, Joseph Alter writes an ethnography of the wrestler's physique that elucidates the somatic structure of the wrestler's identity and ideology. Young men in North India may choose to join an akhara, or gymnasium, where they subject themselves to a complex program of physical and moral fitness. Alter's first-hand description of each detail of the wrestler's regimen offers a unique perspective on South Asian culture and society. Wrestlers feel that moral reform of Indian national character is essential and advocate their way of life as an ideology of national health. Everyone is called on to become a wrestler and build collective strength through self-discipline.
