SARA MADALYNN

So Long, See You Tomorrow Motilal Banarsidass Publishe
The controversial English-language debut of celebrated Israeli novelist Yishai Sarid is a harrowing, ironic parable of how we reckon with human horror, in which a young, present-day historian becomes consumed by the memory of the Holocaust. Written as a report to the chairman of Yad Vashem, Israel's memorial to the victims of the Holocaust, our unnamed narrator recounts his own undoing. Hired as a promising young historian, he soon becomes a leading expert on Nazi methods of extermination at concentration camps in Poland during World War II and guides tours through the sites for students and visiting dignitaries. He hungrily devours every detail of life and death in the camps and takes pride in being able to recreate for his audience the excruciating last moments of the victims' lives. The job becomes a mission, and then an obsession. Spending so much time

immersed in death, his connections with the living begin to deteriorate. He resents the students lost in their iPhones, singing sentimental songs, not expressing sufficient outrage at the genocide committed by the Nazis. In fact, he even begins to detect, in the students as well as himself, a hint of admiration for the murderers—their efficiency, audacity, and determination. Force is the only way to resist force, he comes to think, and one must be prepared to kill. With the perspicuity of Kafka's *The Trial* and the obsessions of DeLillo's *White Noise*, *The Memory Monster* confronts difficult questions that are all too relevant to Israel and the world today: How do we process human brutality? What makes us choose sides in conflict? And how do we honor the memory of horror without becoming consumed by it? Praise for *The Memory Monster*: "Award-winning Israeli novelist Sarid's latest work is a slim but powerful novel, rendered beautifully in English by translator Greenspan.... Propelled by the narrator's distinctive voice, the novel is an original variation on one of the most essential themes of post-Holocaust literature: While countless writers have

asked the question of where, or if, humanity can be found within the profoundly inhumane, Sarid incisively shows how preoccupation and obsession with the inhumane can take a toll on one's own humanity.... it is, if not an indictment of Holocaust memorialization, a nuanced and trenchant consideration of its layered politics. Ultimately, Sarid both refuses to apologize for Jewish rage and condemns the nefarious forms it sometimes takes. A bold, masterful exploration of the banality of evil and the nature of revenge, controversial no matter how it is read." —Kirkus Reviews, Starred Review "[A] record of a breakdown, an impassioned consideration of memory and its risks, and a critique of Israel's use of the Holocaust to shape national identity.... Sarid's unrelenting examination of how narratives of the Holocaust are shaped makes for much more than the average confessional tale." —Publishers Weekly "Reading *The Memory Monster*, which is written as a report to the director of Yad Vashem, felt like both an extremely intimate experience and an eerily clinical Holocaust history lesson. Perfectly treading the fine line between these two approaches, Sarid creates a haunting exploration of collective memory and an important commentary on humanity. How do we remember the Holocaust? What tolls do we pay to carry on memory? This book hit me viscerally, emotionally, and personally. *The Memory Monster* is brief, but in its short account Sarid manages to lay bare the tensions between memory and morals, history and nationalism, humanity and victimhood. An absolute must-read." —Julia DeVarti, Literati Bookstore (Ann Arbor, MI) "In Yishai Sarid's dark, thoughtful novel *The Memory Monster*, a Holocaust historian struggles with the

weight of his profession.... *The Memory Monster* is a novel that pulls no punches in its exploration of the responsibility—and the cost—of holding vigil over the past." —Eileen Gonzalez, Foreword Reviews

WINNER OF THE PULITZER PRIZE • NATIONAL BESTSELLER • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). • From the bestselling author of *The Passenger* A father and his son

walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

War beyond Words Roc Lit 101

I washed ashore in a little lake town. A place where everyone knows everyone, yet... No one knows me. I don't know me. If a woman doesn't know her own name, does she really exist? I don't know my natural hair color, my birthdate, or where I live. I am invisible. To everyone, to everything, even to myself. Except to him. I see the recognition deep in his stare, the way it lingers on my face as if I'm a puzzle he's desperate to put together. I just want answers, the truth... knowledge. His lips are sealed. Still, his eyes beguile me. I can't trust anyone, not even myself. Someone wants me dead, the same someone who tried to bury me in a watery grave. They'll come for me again... I won't know their face. I don't even know mine. I am amnesia.

Life After Life Cambria Hebert

In this magically evocative novel, William Maxwell explores the enigmatic gravity of the past, which compels us to keep explaining it even as it makes liars out of us every time we try. On a winter morning in the 1920s, a shot rings out on a farm in rural Illinois. A man named Lloyd Wilson has been killed. And the tenuous friendship between two lonely teenagers—one privileged yet neglected, the other a troubled farm boy—has been shattered. Fifty years later, one of those boys—now a grown man—tries to reconstruct the events that led up to the murder. In doing so, he is inevitably drawn back to his lost friend Cletus, who has the misfortune of being the son of Wilson's killer and who in the months before witnessed things that Maxwell's narrator can only guess at. Out of memory and imagination, the surmises of children and the destructive passions of their parents, Maxwell creates a luminous American classic of youth and loss.

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters

something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Bark Penguin

The #1 New York Times bestselling author of *A Man Called Ove* and *Beartown* returns with an unforgettable novel “about people—about strength and tribal loyalty and what we unwittingly do when trying to show our boys how to be men” (Jojo Moyes). Have you ever seen a town fall? Ours did. Have you ever seen a town rise? Ours did that, too. A small community tucked deep in the forest, Beartown is home to tough, hardworking people who don't expect life to be easy or fair. No matter how difficult times get, they've always been able to take pride in their local ice hockey team. So it's a cruel blow when they hear that Beartown ice hockey might soon be disbanded. What makes it worse is the obvious satisfaction that all the former Beartown players, who now play for a rival team in the neighboring town of Hed, take in that fact. As the tension mounts between the two adversaries, a newcomer arrives who gives Beartown hockey a surprising new coach and a chance at a comeback. Soon a team starts to take shape around Amat, the fastest player you'll ever see;

Benji, the intense lone wolf; always dutiful and eager-to-please Bobo; and Vidar, a born-to-be-bad troublemaker. But bringing this team together proves to be a challenge as old bonds are broken, new ones are formed, and the town's enmity with Hed grows more and more acute. As the big game approaches, the not-so-innocent pranks and incidents between the communities pile up and their mutual contempt intensifies. By the time the last goal is scored, a resident of Beartown will be dead, and the people of both towns will be forced to wonder if, after everything, the game they love can ever return to something as simple and innocent as a field of ice, two nets, and two teams. Us against you. Here is a declaration of love for all the big and small, bright and dark stories that give form and color to our communities. With immense compassion and insight, Fredrik Backman—“the Dickens of our age” (Green Valley News)—reveals how loyalty, friendship, and kindness can carry a town through its most challenging days.

American pop music is arguably this country's greatest cultural contribution to the world, and its singular voice and

virtuosity were created by a shining thread of Black women geniuses stretching back to the country's founding. This is their surprising, heartbreaking, soaring story—from “one of the generation's greatest, most insightful, most nuanced writers in pop culture” (Shea Serrano) “Sparkling . . . the overdue singing of a Black girl's song, with perfect pitch . . . delicious to read.”—Oprah Daily ONE OF THE BEST BOOKS OF THE YEAR: San Francisco Chronicle, NPR, The Root, Variety, Esquire, The Guardian, Newsweek, Pitchfork, She Reads, Publishers Weekly SHORTLISTED FOR THE PORCHLIGHT BUSINESS BOOK AWARD A weave of biography, criticism, and memoir, *Shine Bright* is Danyel Smith's intimate history of Black women's music as the foundational story of American pop. Smith has been writing this history for more than five years. But as a music fan, and then as an essayist, editor (Vibe, Billboard), and podcast host (Black Girl Songbook), she has been living this history since she was a latchkey kid listening to “Midnight Train to Georgia” on the family stereo. Smith's detailed narrative begins with Phillis Wheatley, an enslaved woman who sang her poems, and continues through the stories of Mahalia Jackson, Dionne Warwick, Aretha Franklin, Gladys Knight, and Mariah Carey, as well as the under-considered careers of Marilyn McCoo, Deniece Williams, and Jody Watley. *Shine Bright* is an overdue paean to musical masters whose true stories and genius have been hidden in plain sight—and the book Danyel Smith was born to write.

A moving story of a woman with early onset Alzheimer's disease, now a major Academy Award-winning film starring Julianne Moore and Kristen Stewart. Alice Howland is proud of the life she worked so hard to build. At fifty, she's a cognitive psychology professor at Harvard and a renowned expert in linguistics, with a successful husband and three grown children. When she begins to grow forgetful and disoriented, she dismisses it for as long as she can until a tragic diagnosis changes her life - and her relationship with her family and the world around her - for ever. Unable to care for herself, Alice struggles to find meaning and purpose as her concept of self gradually slips away. But Alice is a remarkable woman, and her family learn more about her and each other in their quest to hold on to the Alice they know. Her memory hanging by a frayed thread, she is living in the moment, living for each day. But she is still Alice.

What if you could live again and again, until you got it right? On a cold and snowy night in 1910, Ursula Todd is born to an English banker and his wife. She dies before she can draw her first breath. On that same cold and snowy night, Ursula Todd is born, lets out a lusty wail, and embarks upon a life that

will be, to say the least, unusual. For as she grows, she also dies, repeatedly, in a variety of ways, while the young century marches on towards its second cataclysmic world war. Does Ursula's apparently infinite number of lives give her the power to save the world from its inevitable destiny? And if she can -- will she? Darkly comic, startlingly poignant, and utterly original: this is Kate Atkinson at her absolute best.

The Sweetness of Water Penguin

A national bestseller, this extraordinary work of investigative reporting uncovers the identities, and the remarkable stories, of the CIA secret agents who died anonymously in the service of their country. In the entrance of the CIA headquarters looms a huge marble wall into which seventy-one stars are carved--each representing an agent who has died in the line of duty. Official CIA records only name thirty-five of them, however. Undeterred by claims that revealing the identities of these "nameless stars" might compromise national security, Ted Gup sorted through thousands of documents and interviewed over 400 CIA officers in his attempt to bring their long-hidden stories to light. The result of this extraordinary work of investigation is a surprising glimpse at the real lives of secret agents, and an unprecedented history of the most compelling—and controversial—department of the US government.

The Book Thief Thomas & Mercer

An Amazon Charts, Wall Street Journal, and USA Today bestseller. Number one New York Times bestselling master of suspense Dean Koontz takes readers on a twisting journey of lost love, impossible second chances, and terrifying promises. A decade ago, Emily Carlino vanished after her car broke

down on a California highway. She was presumed to be one of serial killer Ronny Lee Jessup's victims whose remains were never found. Writer David Thorne still hasn't recovered from losing the love of his life, or from the guilt of not being there to save her. Since then, he's sought closure any way he can. He even visits regularly with Jessup in prison, desperate for answers about Emily's final hours so he may finally lay her body to rest. Then David meets Maddison Sutton, beguiling, playful, and keenly aware of all David has lost. But what really takes his breath away is that everything about Maddison, down to her kisses, is just like Emily. As the fantastic becomes credible, David's obsession grows, Maddison's mysterious past deepens--and terror escalates. Is she Emily? Or an irresistible dead ringer? Either way, the ultimate question is the same: What game is she playing? Whatever the risk in finding out, David's willing to take it for this precious second chance. It's been ten years since he's felt this inspired, this hopeful, this much in love...and he's afraid.

Still Alice Bantam

A new collection of stories by one of America's most beloved and admired short-story writers, her first in fifteen years, since *Birds of America* ("Fluid, cracked, mordant, colloquial . . . Will stand by itself as one of our funniest, most telling anatomies of human love and vulnerability." —The New York Times Book Review, cover). These eight masterly stories reveal Lorrie Moore at her most mature and in a perfect configuration of craft, mind, and bewitched spirit, as she explores the passage of time and summons up its inevitable sorrows and hilarious pitfalls to reveal her own exquisite, singular wisdom. In "Debarking," a newly divorced man tries to keep his wits about

him as the United States prepares to invade Iraq, and against this ominous moment, we see—in all its irresistible wit and darkness—the perils of divorce and what can follow in its wake . . . In “Foes,” a political argument goes grotesquely awry as the events of 9/11 unexpectedly manifest themselves at a fund-raising dinner in Georgetown . . . In “The Juniper Tree,” a teacher visited by the ghost of her recently deceased friend is forced to sing “The Star-Spangled Banner” in a kind of nightmare reunion . . . And in “Wings,” we watch the inevitable unraveling of two once-hopeful musicians, neither of whom held fast to their dreams nor struck out along other paths, as Moore deftly depicts the intricacies of dead-ends-ville and the workings of regret . . . Here are people beset, burdened, buoyed; protected by raising teenage children; dating after divorce; facing the serious illness of a longtime friend; setting forth on a romantic assignation abroad, having it interrupted mid-trip, and coming to understand the larger ramifications and the impossibility of the connection . . . stories that show people coping with large dislocation in their lives, with risking a new path to answer the desire to be in relation—to someone . . . Gimlet-eyed social observation, the public and private absurdities of American life, dramatic irony, and enduring half-cracked love wend their way through each of these narratives in a heartrending mash-up of the tragic and the laugh-out-loud—the hallmark of life in Lorrie-Moore-land. This eBook edition includes a Reading Group Guide.

Natalie Dr. Easton is part man, part myth. He's a formidable surgeon. Highly respected in his field. He also happens to be an ex-collegiate quarterback with a

classically handsome face. Are you catching on yet? He's horrible. Beautiful. A walking Ralph Lauren ad. He's also so off limits he should come with a warning label: This way lies heartache. Not only is he an attending at the hospital where I'm training, he's also my brother's best friend. If you've lost count, that's two reasons why I plan on putting this ridiculous crush behind me. Besides, it's definitely not mutual. Dr. Easton has never once paid me special attention. No tempting smirks. Not even one subtle innuendo. To him, I'm just another resident—all but invisible. Connor For the last five years, I've mentored Natalie in the OR, stayed in line, and kept my hands to myself, but it's been agonizing. Natalie is trouble in scrubs. A walking temptation I've been forced to ignore. For so long, I've wanted her in silence. By the time fate finally gets around to throwing me a bone, my patience has run out. Natalie's brother is leaving town, and he wants me to watch over her while he's gone. He has no idea how I feel about her. Neither does she. But she will. Haven't you heard good things come to those who wait, Natalie? Well...I've done my waiting.

Just Above My Head Everyman's Library For readers of Homegoing and The Leavers, a compelling and profound debut novel about a Tibetan family's journey through exile. International Bestseller Longlisted for the Center for Fiction First Novel Prize Shortlisted for the Scotiabank Giller Prize In the wake of China's invasion of Tibet throughout the 1950s, Lhamo and her younger sister, Tenkyi, arrive at a refugee camp in Nepal. They survived the dangerous journey across the Himalayas, but their parents did not. As Lhamo—haunted by the loss of her homeland and her mother, a village oracle—tries to rebuild a

life amid a shattered community, hope arrives in the form of a young man named Samphel and his uncle, who brings with him the ancient statue of the Nameless Saint—a relic known to vanish and reappear in times of need. Decades later, the sisters are separated, and Tenkyi is living with Lhamo's daughter, Dolma, in Toronto. While Tenkyi works as a cleaner and struggles with traumatic memories, Dolma vies for a place as a scholar of Tibetan Studies. But when Dolma comes across the Nameless Saint in a collector's vault, she must decide what she is willing to do for her community, even if it means risking her dreams. Breathtaking in its scope and powerful in its intimacy, *We Measure the Earth with Our Bodies* is a gorgeously written meditation on colonization, displacement, and the lengths we'll go to remain connected to our families and

ancestral lands. Told through the lives of four people over fifty years, this novel provides a nuanced, moving portrait of the little-known world of Tibetan exiles.
