CLARK POWERS

S.P. Bunting Routledge

Battles in the Mind provides a unique insight into the human spirit, the beauty of trials and tribulations, and the subsequent emergence of a positive self. In the book, author Anna Chandy, the chair of the Live, Love, Laugh Foundation along with actress Deepika Padukone, shares her deeply moving personal story sprinkled with highs and lows, and how she found a way out of it. She also shares techniques of transactional analysis, and how mental health issues can be dealt with to bring

about a difference in people's lives. Battles in the Mind is a book about hope and a way to transition from pain to happiness and success.

Bloodline Bandra Routledge

When Alfred Milner was knighted, he took as his motto *Communis Patria*, 'patriotism for our common country'. This is the study of Milner, which takes his politics, or 'constructive' imperialism as its primary theme. It also discovers a group of young female supporters of his vision.

Buddhism in Central Asia University of the Western Cape

Contributes simultaneously to both British imperial and Indian history. This work demonstrates that missionary understandings and interactions with

India, rather than being party to imperial ideologies, often diverged from metropolitan and imperial norms.

Battles in the Mind Oxford University Press, USA

First Published in 2000. Routledge is an imprint of Taylor & Francis, an informa company.

Planning, Development and Management of Water Resources Routledge
A book about how European colonists in Australia represented the Indigenous peoples they found there, and the tasks of governing them within the terms of Western political thought. It emphasises how the framework of ideas drawn from the traditions of Western political thought was employed in the imperial government of Indigenous peoples.

Babur Franklin Classics Trade Press
Karnal Singh, the officer who spearheaded the operations in Batla House, narrates a mesmerizing minute-by-minute account of the chain of events leading up to the encounter that shook the nation. Weaving together inputs by the Intelligence Bureau (IB), multiple strands of events in various Indian cities, the labyrinth of information by local intelligence and informers, Singh creates an intriguing tale of an encounter that marked the beginning of the end of the obscure and dreaded Indian Mujahideen (IM). This is a definitive account of the day that will live in infamy forever.

The High-caste Hindu Woman Oxford University Press, USA

This book is a collection of essays written over the last five decades to document events related to the communal politics that have flourished in Gujarat. It features chapters on the historical aspects of communalism and the growth of the BJP in Gujarat, particularly focusing on its electoral politics.

Moses Kotane, South African Revolutionary Routledge

Contributed articles.

The Philosophy of the Upanisads Harper Collins

Represents a history of the British Empire that takes account of the sense of empire as intellectual as well as geographic dominion: the historiography of the British Empire, with its preoccupation of empire as geographically unchallenged sovereignty, overlooks the idea of empire as intellectual dominion.

Transoceanic Radical: William Duane Motilal Banarsidass Publ.

Rebel Pity S. Chand Publishing

Water resources management is one of the prime concerns of our time. The inverse relationship between population growth and water availability has made planning and management of water resources even more crucial. This book discusses topics like impact of climate change on hydrology, planning, management, monitoring and protection of water resources, etc. This text will prove to be immensely beneficial to students and researchers in this field as it comprises discussions and case studies provided by internationally renowned experts.

Between Empire and Revolution

Psychology Press

David Cabral is a journalist, and also one of the original peepils: an East Indian from Pali Village. The village is a world unto itself, and the villagers such notables as Salt Peter, Freddy Fakir, Basco Big

Stomach, Carla Four Eyes, Lorna Leg Spread, Spunkless Joe and Small Tree Big Fruit. It is a world relatively untroubled by the rapid changes around it, mostly because its inhabitants just ask themselves, 'My fadder wot going?' David, spurred by the sight of childhood friends who have made it big abroad, manages to shake off the stupor of his comfortable life and heads to New York for his piece of the American Dream pie. There, he finds himself a slave: unable to scrape together enough money to return to India, nor able to quit because it would render his stay illegal. There also, he meets and falls in love with Japanese cello student Hatsumi Nakamura - a difficult love, bound by culture and circumstances. All the while, Pali Village beckons David home. Bloodline Bandra captures with flair and wit the flavourful language of the East Indians, life in the tight-knit community of Pali Village and a way of life that's dying out. It is a riveting tale of love and loss, of home and homelessness that will linger on long after the book is read and put away.

B R Ambedkar: the Quest for Justice

Routledge

William Duane is most famous as the

editor of "The Aurora", the Philadelphia-based paper which vigorously supported Thomas Jefferson in his 1800 presidential election campaign. Based on archival research, this biography of Duane studies his American career in light of his formative years in Ireland, England and India.

Diego and Gabriel Soliz are two unusual brothers just trying to do their job in an even more unusual city. What's their job? They're detectives in a city populated by creatures from mythology and fantasy. When an Aztec skull is stolen from the

museum, the BLOOD BROTHERS are assigned to the case!

Discordant Comrades Rupa Publications India

Buddhism in Central Asia is a saga of peaceful pursuit by Buddhist scholars from Kashmir and Kabul to propagate the message of the Buddha. This vast region between the Tien-Shan and the Kunlun ranges was the centre of activities of these Buddhist savants. Here people of different races and professions, speaking many languages, were finally blended into a cosmopolitan culture. This created an intellectual climate of high order. In this context, the famous silk trade route was helpful in adding to the material prosperity of the people in this region. The present study, therefore, is not one of Buddhism in isolation. It equally provides an account of the political forces confronting each other

during the course of history of this region for well over a thousand years. For centuries the drifting desert sand of Central Asia enveloped this civilization and the religion connected with it. The late-nineteenth and early-twentieth century explorers and archaeologists successfully uncovered it at different centres along the old Silk Route. This has been helpful for a comprehensive study of Buddhism with its literature and art. The finds of hundreds of inscriptions have added to the cultural dimensions of the study.

Missionary Education and Empire in Late Colonial India, 1860-1920 Routledge

On the eve of the battle of Panipat, Zahiruddin Muhammad Babur gathers his forces to fight the formidable Lodhi Sultan and regain Hindustan, the land of riches that his ancestor Temur once ruled. His

confidence is boosted by his pride in the martial skills of his beloved son and heir, Humayun. But little do the father and son know that their biggest threat lies not in the fields of war, but within the intricate web of relationships they have woven around themselves-Babur with his wives, who are constantly engaged in games of one-upmanship, and Humayun with the alluring concubine Sona. Can Babur really trust anyone, even those who are closest to him? Will the Mughals be able to defeat their enemies, both outside and within? Babur: Conqueror of Hindustan narrates the story of the first Mughal emperor, Babur-poet, warrior, writer, lover, aesthete and inspiring general-and the gentle yet valiant prince, Humayun. An evocative narrative laced with searing passion and intriguing politics, this book brings to vibrant life the era of the mighty Mughals.
