My Trip to the Zoo

Pelican Publishing
New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. A to Zoo Holiday House
The city zoo is holding a very special event. Today, guests can bring their own pets to the zoo! Of

course, all city residents want to join in on the fun. Dylan and Isabella, the little polyglot siblings, see this as a great opportunity for Kiki, Dylan's pet chicken, to meet her animal friends.

Adventures with Abuela: Let's Go to the Zoo! Kids' Day Out
Solve mysteries at a city zoo with a diverse group of kids in this illustrated chapter book from a two-time Newbery Honor author. Lions and tigers for neighbors? That doesn't bother Luke at all. It's making new friends that scares him. Not only has Luke had to move from Florida to New York because of his dad's new job as a zoo doctor, but he's also had to leave behind his best friend--his abuelo. When Luke discovers that there are other kids also living on Zoo Lane and that one of them might be the owner

of a mysterious zebra-printed box left outside his house, he wonders if just maybe he can make friends and solve a mystery in this wild new place. In this first book of the series, two-time Newbery Honor author Patricia Reilly Giff has crafted a charming story about conservation, animal care, friendship, and problem-solving. In touch with the programs and initiatives that today's zoos are undertaking, Giff provides readers with a fresh look at the work of zoologists. Charming line artwork by Abby Carter appears throughout and keeps the story upbeat.

Inside a Zoo in the City

What started as a small menagerie in 1902 officially became Oklahoma City Zoo in 1903. Journey through the

second half century of its illustrious history in Oklahoma City Zoo: 1960-2013. Meet the staff and animals and explore the exhibits that propelled it from a third-class animal facility to one of the best zoos in the United States. In the 1960s, its animal population exploded as knowledge of animal care improved. The zoo soon assembled the largest-known collection of hoofed animals. Later, a rare mountain gorilla named M'Kubwa stole newspaper headlines, a third leopard escaped, and the zoo met its first cheetah babies. The opening of Aquaticus in the 1980s "brought the ocean to the prairie" in the form of a dolphin and sea lion show. Elephants, however, remain the queen attraction at the Oklahoma City Zoo. In 2011, the birth of the zoo's first baby elephant baby, Malee, was a crowning achievement in its 110-year history. *New York City Zoos and Aquarium* Houghton Mifflin Harcourt

But once inside, they discover there's much more to the Clarksville City Zoo than they could ever have guessed... The author originally had the idea for The Secret Zoo when he was nine and wondered
