The Castle of Crossed Destinies Salamander Books

How the I Ching became one of the most widely read and influential books in the world The I Ching originated in China as a divination manual more than three thousand years ago. In 136 BCE the emperor declared it a Confucian classic, and in the centuries that followed, this work had a profound influence on the philosophy, religion, art, literature, politics, science, technology, and medicine of various cultures throughout East Asia. Jesuit missionaries brought knowledge of the I Ching to Europe in the seventeenth century, and the American counterculture embraced it in the 1960s. Here Richard Smith tells the extraordinary story of how this cryptic and once obscure book became one of the most widely read and extensively analyzed texts in all of world literature. In this concise history, Smith traces the evolution of the I Ching in China and throughout the world, explaining its complex structure, its manifold uses in different cultures, and its enduring appeal. He shows how the indigenous beliefs and customs of Japan, Korea, Vietnam, and Tibet "domesticated" the text, and he reflects on whether this Chinese classic can be compared to religious books such as the Bible or the Qur'an. Smith also looks at how the I Ching came to be published in dozens of languages, providing insight and inspiration to millions worldwide—including ardent admirers in the West such as Leibniz, Carl Jung, Philip K. Dick, Allen Ginsberg, Hermann Hesse, Bob Dylan, Jorge Luis Borges, and I. M. Pei. Smith offers an unparalleled biography of the most revered book in China's entire cultural tradition, and he shows us how this enigmatic ancient classic has become a truly global phenomenon.

Castle: How It Works Harper Collins

A spellbinding story of three princesses and the destiny they were born for: seduction, conquest, and the crown. Immerse yourself in the first book in a new fantasy trilogy from the author of the New York Times bestselling Ash Princess series. "[A] page-turner that brilliantly blends magic, romance, and adventure." --Booklist Empress Margaraux has had plans for her daughters since the day they were born. Princesses Sophronia, Daphne, and Beatriz will be queens. And now, age sixteen, they each must leave their homeland and marry their princes. Beautiful, smart, and demure, the triplets appear to be the perfect brides—because Margaraux knows there is one common truth: everyone underestimates a girl. Which is a grave mistake. Sophronia, Daphne, and Beatriz are no innocents. They have been trained since birth in the arts of deception, seduction, and violence with a singular goal—to bring down monarchies— and their marriages are merely the first stage of their mother’s grand vision: to one day reign over the entire continent of Vesteria. The princesses have spent their lives preparing, and now they are ready, each with her own secret skill, and each with a single wish, pulled from the stars. Only, the stars have their own plans—and their mother hasn’t told them all of hers. Life abroad is a test. Will their loyalties stay true? Or will they learn that they can’t trust anyone—not even each other?

Castle in the Air Penguin

See inside some of the world s most enormous vehicles in this amazing lift-the-flap book by the award-winning, bestselling illustrator Stephen Biesty. Stephen Biesty's More Incredible Cross-sections DK Publishing (Dorling Kindersley)

"Text and detailed drawings follow the planning and construction of a "typical" castle and adjoining town in thirteenth-century Wales."--Title page verso.

The Last Jedi Penguin

"A fresh, lively voice. . . . Replete with details of daily life." — Kirkus Reviews The year is 1464 BC, and Nakht’s family is moving to the city of Memphis. Nakht, who is studying to be a scribe, keeps a journal of the many sights and sounds of the bustling city — temples and pyramids, cargo ships, a hippopotamus hunt, even a tomb robbery. Presented as a lively diary, here is an invitation for readers to witness firsthand what life was like for one boy in Egypt 3,500 years ago.

Castles in Their Bones Penguin

Illustrations peel back high-tech layers to reveal the cockpits, engines, hyperdrives, and construction secrets of twelve vehicles from the Star Wars feature film, "Star Wars, Episode VIII, The Last Jedi."

Stephen Biesty's Cross-Sections Castle Penguin

This children ebook explores the innermost workings of some extraordinary buildings and machines. From helicopters to submarines, skyscrapers to coal mines, open up a fascinating world packed with unique and detailed cutaway drawings. Whether it's a Spanish galleon or a medieval castle, each cross-section slice or exploded view reveals what's going on inside. See the people swarming inside the Empire State Building, the workers busy backstage at the opera house, and where the crew sleep on a jumbo jet. Included also are two impressive fold-outs showing an ocean liner and a

steam train. There are lots of fun facts to be discovered, and curious details are highlighted and explained. Did you know one of the funnels of the Queen Mary liner was fake, and used for storing deckchairs? And in almost every scene there's the challenge to find a man on the toilet! With more than a million copies sold, Stephen Biesty's award-winning illustrated books are as fascinating today as they were when first published, in 1992. Incredible Cross Sections is the ultimate way to see how things work.

Stephen Biesty's Incredible Cross-Sections DK Children

How to Read Castles is a travel-sized primer that takes a strictly visual approach to castle architecture, building up the reader's vocabulary of castle types, styles, and materials, and showing how these aspects can be recognized across architectural features from the floor-plan and moat, to the towers and crenulations. Focusing on the period from the 10th to the 16th century, and crusading across the globe from a Welsh motte-and-bailey to a Japanese hirajiro, this is both architectural reference and visitor guide--showing the reader how to read the stories embedded in every castle's stones. Castles once dominated the landscape as seats of power and symbols of wealth and status, providing a means of control over borders, passes, routes and rivers. Armed with this book you will be able to unpick their histories and see how they shaped the land around them. From rugged coastline defences to soaring mountain fortresses, this book takes the reader on an international journey of discovery, exploring some of the most inspiring and impressive architecture history has ever seen.

Stephen Biesty's Incredible Cross-Sections Princeton University Press

In this stunning sequel to Howl's Moving Castle, Diana Wynne Jones has again created a large-scale, fast-paced fantasy in which people and things are never quite what they seem. There are good and bad djinns, a genie in a bottle, wizards, witches, cats and dogs (but are they cats and dogs?), and a mysterious floating castle filled with kidnapped princesses, as well as two puzzling prophecies. The story speeds along with tantalizing twists and turns until the prophecies are fulfilled, true identities are revealed, and all is resolved in a totally satisfying, breathtaking, surprise-filled ending.

Abdullah was a young and not very prosperous carpet dealer. His father, who had been disappointed in him, had left him only enough money to open a modest booth in the Bazaar. When he was not selling carpets, Abdullah spent his time daydreaming. In his dreams he was not the son of his father, but the long-lost son of a prince. There was also a princess who had been betrothed to him at birth. He was content with his life and his daydreams until, one day, a stranger sold him a magic carpet. All fans of classic fantasy books deserve the pleasure of reading those by Diana Wynne Jones, whose acclaim included the World Fantasy Award for Life Achievement. As Neil Gaiman stated, she was "quite simply the best writer for children of her generation." The three books in the World of Howl are: Howl's Moving Castle Castle in the Air House of Many Ways Other beloved series from Dianna Wynne Jones include the Chronicles of Chrestomanci and the Dalemark Quartet.
