Dictionary of Pukhto/ Pushtu Language of the Afghans Simon and Schuster

The present volume addresses the linguistic categories of Prospective and Proximative. Prospective refers to an event which is expected, presumed, or will take place while Proximative refers to its pre-stage; its canonical semantics is 'be going/about to do something'. Highlighting historical, areal and typological aspects, the contributions in this book investigate the encoding of proximative and prospective semantics in genetically related and non-related languages. While Iranian and Turkic languages are the focal point, several contact languages of historical and typological relevance (and potentially of interest for phylogenetic studies), viz. Aramaic, Mongolic, Tungusic, and Uralic, have been included. A comprehensive introductory section discusses both theoretical and methodological issues; it is followed by in-depth analysis articles and shorter case studies, the latter arranged geographically: Prospective and Proximative in languages spoken in Southern Europe, Iran and the Caucasus, Central Asia, Siberia and China. For most

of these languages, the categories of Prospective and/or Proximative are described here for the first time. The research presented in this volume enriches our understanding of the Prospective and Proximative by identifying hitherto unknown encoding strategies, among them discourse, modal and aspectual particles, portmanteau morphemes expressing clusters of proximative and aspectual or evidential semantics, etc. Of particular typological significance are advances in the analysis of the semantic structures of proximative and prospective categories as well as of the sources and grammaticalization paths of the individual forms. This volume will be an inspiration for further research on the categories of Prospective and Proximative in the languages of Eurasia and beyond. It will be not only of interest for scholars dealing with the respective languages and language families, but also of great importance for historical and areal linguistics, language typology and theoretical linguistics.

Christianity wants 'chaste' women for Church. Islam wants 'chaste' women for husbands. Corporates want 'good' women for sales. Media want 'pretty' women for ratings. Husband needs 'beautiful' wife. Children need a 'doting' mother. What does a woman need? What are a woman's rights? Who gives women their rights? Society that pays them half the compensation men get for the same job? Or religions? Any religion that claims it gives women their rights must be lying. Religions come from prophets. Prophets come from women's wombs. And sorry, women don't come from Adam's rib. So, effectively, religion is yet another child of womanhood which is incapable of offering anything to the mother. This book is about real feminism - first movement for women. It started with first woman on earth and continued ever since. It is from time when women were prophets and men were disciples. Women decided what they will do and what they deserve. Rest of the world just listened with bowed head. This book is the compilation of mesmerizing verses of the only women prophets world has ever seen. Women prophets of Hinduism! From the oldest text of human civilization. The Vedas! When Mother Goddess chats with Her daughters. And the daughters respond. By the time you complete the book, you will feel divinity within if you are a woman. You will feel divinely blessed for being amidst divinity if you are a man. And you will certainly realize why heaven, if there is any, lies under mother's feet.

The Diary of Manu Gandhi Diamond Pocket Books (P) Ltd.

"Set in Aligarh in the early 1960s, after the dust of Partition has ostensibly settled, Topi Shukla is a story of two friends - one Hindu and the other Muslim." "Through the characters of

people like Topi and Iffan, the novel looks at the lives of ordinary people trying to survive in a society that insists on a brutal conformity of behaviour. It is about individuals whose spirits are paralysed because they cannot conform, and about history's inability to teach mankind any worthwhile lessons."

"Language plays an important part in this narrative, operating almost as a character in its own right. Topi, as a Hindi bull in the Urdu china shop, invokes the historical stand-off between the two languages. The novel also explores the culture and psyche of Uttar Pradesh with its very Muslim Aligarh, its very Hindu Benares, and their exotic confluence in Lucknow."--BOOK JACKET. Hindi cinema was trapped in formulaic cliches for decades: lost-and-found themes, sacrificing mothers, brothers on opposite sides of the law, villains lording over their dens, colourful molls, six songs, the use of rape as a plot pivot, and cops who always arrived too late. It hit an all-time low in the 1980s. Then, in 1991, came liberalization, and a wave of openness and aspiration swept across urban India. *Dilwale Dulhania Le Jayenge* was released in 1995 - and Hindi cinema became Bollywood. A new crop of film-makers began to challenge and break away from established rules. Over the next twenty years, a number of Hindi films consistently pushed the envelope in terms of content and technique to create a new kind of cinema. Among other innovations, film-makers came up with ways of crowd funding a film (*Ankhon Dekhi*), did away with songs if the narrative did not need them (*Gangaajal*), addressed different sexual preferences (*My Brother ... Nikhil*) and people with special needs (*Black*) like no

one had ever done before. As film critic with the Indian Express, Shubhra Gupta has stayed the course these twenty years and more and experienced the transition first-hand. In *50 Films That Changed Bollywood, 1995-2015*, she looks at the modern classics that have redefined Hindi cinema - from *DDLJ* and *Rangeela* to *Satya* and *Dev D* to *Queen* and *Bajrangi Bhaijaan*. Gupta offers a fascinating glimpse into how these films spoke to their viewers and how the viewers reacted to them - and, ultimately, how they changed us and how we changed them.

"Provocative. Adams strips away Gandhi's saintly aura and explores the duality of India's most famous leader." —Financial Times
Jad Adams traces the course of Gandhi's multi-faceted life and the development of his religious, political, and social thinking over seven tumultuous decades: from his comfortable upbringing in a princely state in Gujarat; his early civil rights campaigns; his leadership through civil disobedience in the 1920s and 1930s that made him a world icon; and finally to his assassination by a Hindu extremist in 1948, only months after the birth of an independent India. An elegant and masterly account of one of the seminal figures of twentieth-century history, Adams presents for the first time the true story behind the man whose life may truly be said to have changed the world.

Zero-day vulnerabilities--software vulnerabilities for which no patch or fix has been publicly released-- and their exploits are useful in cyber operations-- whether by criminals, militaries, or governments--as well as in defensive and academic settings. This report provides findings from real-world zero-day vulnerability and exploit data that could augment conventional proxy examples and expert opinion, complement current efforts to create a framework for deciding whether to disclose or retain a cache of zero-day vulnerabilities and exploits, inform ongoing policy debates regarding stockpiling and vulnerability disclosure, and add extra context for those examining the implications and resulting liability of attacks and data breaches for U.S. consumers, companies, insurers, and for the civil justice system broadly. The authors provide insights about the zero-day vulnerability research and exploit development industry; give information on what proportion of zero-day vulnerabilities are alive (undisclosed), dead (known), or somewhere in between; and establish some baseline metrics regarding the average lifespan of zero-day vulnerabilities, the likelihood of another party discovering a vulnerability within a given time period, and the time and costs involved in developing an exploit for a zero-day vulnerability"--Publisher's description.

Biblical scholar Michael Coogan's introductory course on the Old Testament has been a perennial favorite among students at Harvard University. Here, Coogan examines one of the most controversial aspects of the Hebrew Scripture: what the Old Testament really

says about sex, and how contemporary understanding of those writings is frequently misunderstood or misrepresented. In the engaging voice generations of students have appreciated, Coogan explores the language and social world of the Bible, showing how much innuendo and euphemism is at play, and illuminating the sexuality of biblical figures as well as God. By doing so, Coogan reveals the immense gap between popular use of Scripture and its original context. Certain to provoke, entertain, and enlighten.-- From publisher description.

Bollywood film is the national cinema of India, describing movies made in Mumbai, distributed nationally across India and with their own production, distribution and exhibition networks worldwide. This informative screen guide reflects the work of key directors, major stars and important music directors and screenplay writers. Historically important films have been included along with certain cult movies and top box office successes. No guide to Hindi film would be complete without discussing: Mother India, the national epic of a peasant woman's struggle against nature and society to bring up her family; Sholay, a 'curry western' where the all-star cast sing and dance, romance and kill; Dilwale Dulhania le jayenge, the greatest of the diaspora films, in which two British Asians fall in love on a holiday in Europe before going to India where they show their elders how to incorporate love into family traditions; Junglee, showing how love transforms a 'savage' (junglee) who yells 'Yahoo!' before singing and dancing like Elvis, creating a new youth culture; Pyaasa, dramatically shot in black and white film

with haunting songs as the romantic poet suffers for his art in the material world; Fans of Bollywood film can debate Rachel Dwyer's personal selection of these 101 titles while those new to the area will find this an invaluable introduction to the best of the genre.

New York Times • Times Critics Top Books of 2021 The Times (of London) • Best Books of the Year Excerpted in The New Yorker Profiled in The Los Angeles Times Publishing for the centenary of her birth, Patricia Highsmith's diaries "offer the most complete picture ever published" of the canonical author (New York Times). Relegated to the genre of mystery during her lifetime, Patricia Highsmith is now recognized as one of "our greatest modernist writers" (Gore Vidal). Beloved by fans who were unaware of the real psychological turmoil behind her prose, the famously secretive Highsmith refused to authorize a biography, instead sequestering herself in her Switzerland home in her final years. Posthumously, her devoted editor Anna von Planta discovered her diaries and notebooks in 1995, tucked in a closet—with tantalizing instructions to be read. For years thereafter, von Planta meticulously culled from over eight thousand pages to help reveal the inscrutable figure behind the legendary pen. Beginning with her junior year at Barnard in 1941, Highsmith ritualistically kept a diary and notebook—the former to catalog her day, the latter to brainstorm stories and hone her craft. This volume weaves diary and notebook simultaneously, exhibiting precisely how Highsmith's personal affairs seeped into her fiction—and the sheer darkness of her own imagination. Charming yet

teetering on the egotistical, young “Pat” lays bare her dizzying social life in 1940s Greenwich Village, barhopping with Judy Holliday and Jane Bowles, among others. Alongside Flannery O’Conner and Chester Himes, she attended—at the recommendation of Truman Capote—the Yaddo artist colony in 1948, where she drafted *Strangers on a Train*. Published in 1950 and soon adapted by Alfred Hitchcock, this debut novel brought recognition and brief financial security, but left a heartsick Highsmith agonizing: “What is the life I choose?” Providing extraordinary insights into gender and sexuality in mid-twentieth-century America, Highsmith’s diaries convey her euphoria writing *The Price of Salt* (1951). Yet her sophomore novel would have to be published under a pseudonym, so as not to tarnish her reputation. Indeed, no one could anticipate commercial reception for a novel depicting love between two women in the McCarthy era. Seeking relief from America, Highsmith catalogs her peripatetic years in Europe, subsisting on cigarettes and growing more bigoted and satirical with age. After a stay in Positano with a new lover, she reflects in her notebooks on being an expat, and gleefully conjures the unforgettable *The Talented Mr. Ripley* (1955); it would be this sociopathic antihero who would finally solidify her true fame. At once lovable, detestable, and mesmerizing, Highsmith put her turbulent life to paper for five decades, acutely aware there must be “a few usable things in literature.” A memoir as significant in our own century as Sylvia Plath’s journals and Simone de Beauvoir’s writings were to another time, *Patricia Highsmith: Her Diaries and Notebooks* is an historic work that chronicles a woman’s rise against the conventional tide to unparalleled literary

prominence.

In 2009, the Delhi High Court's historic judgment overturning Section 377 as violative of the Indian Constitution referred to *Same-Sex Love in India*. So did the 2018 Supreme Court decision which upheld that judgment. All the petitions against this anti-sodomy law have cited this landmark book to prove that homosexuality is not a Western import. *Same-Sex Love in India* is the book that brought to light the long, incontestable history of same-sex love and desire in the Indian subcontinent. Covering over 2000 years, from the Mahabharata to the late twentieth century, the book contains excerpts from stories, poems, letters, biographies and histories in fifteen languages. The editors' introductions to each period and text trace the changing depictions of and debates around same-sex relations, illuminating their social, political and literary contexts. These essays have been called 'outstanding works of scholarship'. Including writings that range from romantic to analytical, playful to thoughtful, this classic work will help you see Indian culture and society with new eyes.

Super Thinking Simon and Schuster Drawing on conversations with hundreds of women about their genitalia, the author presents a collection of performance pieces from her one-woman show of the same name.

50 Films That Changed Bollywood, 1995-2015 Simon and Schuster Manu Gandhi, M.K. Gandhi's grand-niece, joined him in 1943 at the age of fifteen. An aide to Gandhi's ailing wife Kasturba in the Aga Khan Palace prison in Pune, Manu remained with him until his assassination. She was a partner in his final yajna, an experiment in Brahmacharya, and his invocation of Rama at the moment of his death. Spanning two volumes, *The Diary of Manu Gandhi* is a record of her life and times with M.K. Gandhi between 1943 and 1948. Authenticated by Gandhi himself, the meticulous and intimate entries in the diary throw light on Gandhi's life as a prisoner and his endeavour to establish the possibility of collective non-violence. They also offer a glimpse into his ideological conflicts, his efforts to find his voice, and his lonely pilgrimage to Noakhali during the riots of 1946. The first volume (1943-44) chronicles the spiritual and educational pursuits of an adolescent woman who takes up writing as a mode of self-examination. The author shares a moving portrait of Kasturba Gandhi's illness and death and also unravels the deep emotional bond she develops with Gandhi, whom she calls her 'mother'.
