"It's not like I never thought about being mixed race. I guess it was just that, in Brooklyn, everyone was competing to be unique or surprising. By comparison, I was boring, seriously. Really boring." Culture shock knocks city girl Agnes "Nes" Murphy-Pujols off-kilter when she's transplanted mid-senior year from Brooklyn to a small Southern town after her mother's relationship with a coworker self-destructs. On top of the move, Nes is nursing a broken heart and severe homesickness, so her plan is simple: keep her head down, graduate and get out. Too bad that flies out the window on day one, when she opens her smart mouth and pits herself against the school's reigning belle and the principal. Her rebellious streak attracts the attention of local golden boy Doyle Rahn, who teaches Nes the ropes at Ebenezer. As her friendship with Doyle sizzles into something more, Nes discovers the town she's learning to like has an insidious undercurrent of racism. The color of her skin was never something she thought about in Brooklyn, but after a frightening traffic stop on an isolated road, Nes starts to see signs everywhere—including at her own high school where, she learns, they hold proms. Two of them. One black, one white. Nes and Doyle band together with a ragtag team of classmates to plan an alternate prom. But when a lit cross is left burning in Nes's yard, the alterna-prommers realize that bucking tradition comes at a price. Maybe, though, that makes taking a stand more important than anything.

The blogger behind Confessions of a Funeral Director—what Time magazine called a "must read"—reflects on mortality and the powerful lessons death holds for every one of us in this compassionate and thoughtful spiritual memoir that combines the humor and insight of Smoke Gets in Your Eyes with the poignancy and brevity of When Breath Becomes Air. We are a people who deeply fear death. While humans are biologically wired to evade death for as long as possible, we have become too adept at hiding from it, vilifying it, and—when it can be avoided no longer—letting the professionals take over. Sixth-generation funeral director Caleb Wilde understands this reticence and fear. He had planned to get as far away from the family business as possible. He wanted to make a difference in the world, and how could he do that if all the people he worked with were . . . dead? Slowly, he discovered that caring for the deceased and their loved ones was making a difference—in other people’s lives to be sure, but it also seemed to be saving his own. A spirituality of death began to emerge as he observed: The family who lovingly dressed their deceased father for his burial The act of embalming a little girl that offered a gift back to her grieving family The nursing home that honored a woman’s life by standing in procession as her body was taken away The funeral that united a conflicted community Through stories like these, told with equal parts humor and poignancy, Wilde offers an intimate look into the business and a new perspective on living and dying

"A beautiful, lyrical, and achingly brilliant story about love, grief, and family. Henry's writing will leave you breathless." —BuzzFeed Romeo and Juliet meets One Hundred Years of Solitude in Emily Henry's brilliant follow-up to The Love That Split the World, about the daughter and son of two long-feuding families who fall in love while trying to uncover the truth about the strange magic and harrowing curse that has plagued their bloodlines for generations. In their hometown of Five Fingers, Michigan, the O'Donnells and the Angerts have mythic legacies. But for all the tall tales they weave, both founding families are tight-lipped about what caused the century-old rift between them, except to say it began with a cherry tree. Eighteen-year-old Jack “June” O'Donnell doesn't need a better reason than that. She's an O'Donnell to her core, just like her late father was, and O'Donnells stay away from Angerts. Period. But when Saul Angert, the son of June's father's mortal enemy, returns to town after three mysterious years away, June can't seem to avoid him. Soon the unthinkable happens: She finds she doesn't exactly hate the gruff, sarcastic boy she was born to loathe. Saul's arrival sparks a chain reaction, and as the magic, ghosts, and coywolves of Five Fingers conspire to reveal the truth about the dark moment that started the feud, June must question everything she knows about her family and the father she adored. And she must decide whether it's finally time for her—and all of the O'Donnells before her—to let go.

MY MOTHER, A SELF-MADE OUTCAST I have a childhood memory of my mothers satisfied and smiling approval whenever I readily replied: Im English. Ive forgotten what exactly preceded that kind of exchange between us. Come to think of it, that was strange because no one had ever asked us whether we were English. My sister and I are English, through and through. Both of us were born in Horsham, Sussex. My abiding memory of my mother is her brown eyes and black long lashes as she kissed and tickled me. When I was in my teens, I wished I had her long black hair with a tint of brown. I imagined that my friends would admire the way my hair swayed as I walked. I could still see her glossy hair moving as she walked. My mother doesnt have the complexion of an English person. She resembles some of the Spanish women weve seen when weve been to Spain for our holidays. It was by accident that I found out that she comes from the Philippines. Weve never been to the Philippines. Shes never talked about the Philippines. Ive never seen anyone from the Philippines in our house. ROSA (2013): you have in many subtle ways spelled out the life journeys of so many Filipinos. WHAT BROUGHT YOU TO ENGLAND? (2014) is a very fascinating and enjoyable read. You have a gift of drawing your readers in and making them want to read on. I honestly couldnt put it down yesterday.

This is a collection of stand-alone dark thriller romances with a common theme: narrators draw their listeners in to their haunting tales, and these stories have a shocking, life-changing connection to the listeners. "The story, The Mystery Box, that gives this set its name, is worth the price (and much more) all by itself. It's very hard to classify. Sometimes it's a mystery, sometimes predictable. It's both a horror story and a love story. It will leave you outraged sometimes, crying at others. It will set your nerves on edge, and tug (hard) at your heartstrings. Reading it is like being on a very strange rollercoaster. It will run your emotions from one end to another. In several places, it's hard to read without shuddering, shivering, cheering,

rejoicing, and crying. The characters are so well written, the plot so intricate, and yet so simple, that it involves you fully in the story without being aware of it. You start in a simple life, with a bored housewife. By the end, if you aren't crying, or at least have tears in your eyes, you are a stronger person than I. It's one of the best stories I've read in my 74 years on this earth."--Allyn, Goodreads Reviewer ★★★★★ "I would have loved to have three separate books instead of a box set. Each one is a gem by itself; three absolutely different themes, each with special ethos. Imagine what will happen if you can travel faster than light! How about becoming an archaeologist! Each plot has been well conceived, properly laid out in a free flowing manner. It is difficult make a choice between the three divergent books. Only choice is to vote them all in!"--venky, Goodreads Reviewer ★★★★★ "I just finished The Mystery Box Set and all I have to say is be ready for three amazing stories that will keep you reading well into the early morning hours. Many nights I had to set down my Kindle to get some sort of sleep."--Rachel R. ★★★★★ "I have only read The Mystery Box and Mystery Man, but although the "Box" is very, very good, the "Man" is excellent. I did not want it to end. Fabulous writing! Kudos to Eva Pohler, who has not disappointed thus far."--Amy C. ★★★★★ "After reading this box set, I am now a new fan of Eva Pohler! Three totally different mysteries that grabbed me from the first page and had me reading until I was finished. Each one as good as the others. I can't wait to read more of her books!"--Jennie Ersari ★★★★★ "I loved this box set. All 3 books were absolutely gripping. The story lines were totally different, but each so very good. So thought provoking, with surprise twist and turns. I read all 3 books in just a few days, as I couldn't put the kindle down."--Goodreads Reviewer ★★★★★ Grab your copy to begin these chilling adventures today! Related Authors: Julie Clark, M.M. [Best Laid Plans](#) A Cape Cod Bed & Breakfast Story

A fragmented, lyrical essay on memory, identity, mourning, and the mother. Writing is how I attempt to repair myself, stitching back former selves, sentences. When I am brave enough I am never brave enough I unravel the tapestry of my life, my childhood. —from *Book of Mutter* Composed over thirteen years, Kate Zambreno's *Book of Mutter* is a tender and disquieting meditation on the ability of writing, photography, and memory to embrace shadows while in the throes—and dead calm—of grief. *Book of Mutter* is both primal and sculpted, shaped by the author's searching, indexical impulse to inventory family apocrypha in the wake of her mother's death. The text spirals out into a fractured anatomy of melancholy that includes critical reflections on the likes of Roland Barthes, Louise Bourgeois, Henry Darger, Theresa Hak Kyung Cha, Peter Handke, and others. Zambreno has modeled the book's formless form on Bourgeois's *Cells* sculptures—at once channeling the volatility of autobiography, pain, and childhood, yet hemmed by a solemn sense of entering ritualistic or sacred space. Neither memoir, essay, nor poetry, *Book of Mutter* is an uncategorizable text that draws upon a repertoire of genres to write into and against silence. It is a haunted text, an accumulative archive of myth and memory that seeks its own undoing, driven by crossed desires to resurrect and exorcise the past. Zambreno weaves a complex web of associations, relics, and references, elevating the prosaic scrapbook into a strange and intimate postmortem/postmodern theater.

Award-winning novelist Minae Mizumura demystifies the notion of the selfless Japanese mother and the adult daughter honor-bound to care for her. Mitsuki Katsura, a Japanese woman in her mid-fifties, is a French-language instructor at a private university in Tokyo. Her husband, whom she met in Paris, is a professor at another private university. He is having an affair with a much younger woman. In addition to her husband's infidelity, Mitsuki must deal with her ailing eighty-something mother, a demanding, self-absorbed woman who is far from the image of the patient, self-sacrificing Japanese matriarch. Mitsuki finds herself dreaming of the day when her mother will finally pass on. While doing everything she can to ensure her mother's happiness, she grows weary of the responsibilities of a doting daughter and worries she is sacrificing her chance to find fulfillment in her middle age. Inheritance from Mother not only offers insight into a complex and paradoxical culture, but is also a profound work about mothers and daughters, marriage, old age, and the resilience of women.
