 Cassandra Darke is an art dealer, mean, selfish, solitary by nature, living in Chelsea in a house worth £7 million. She has become a social pariah, but doesn't much care. Between one Christmas and the next, she has sullied the reputation of a West End gallery and has acquired a conviction for

fraud, a suspended sentence and a bank balance drained by lawsuits. On the scale of villainy, fraud seems to Cassandra a rather paltry offence - her own crime involving 'no violence, no weapon, no dead body'. But in Cassandra's basement, her young ex-lodger, Nicki, has left a surprise, something which implies at least violence and probably a body . . . Something which forces Cassandra out of her rich enclave and onto the streets. Not those local streets paved with gold

and lit with festive glitter, but grimmer, darker places, where she must make the choice between self-sacrifice and running for her life.

Golden & Grey (An Unremarkable Boy and a Rather Remarkable Ghost)
Marshall Cavendish

Once a thriving working class neighborhood on Chicago's south side, the "Bottomyards" is now the definition of urban blight. When an aspiring fashion designer named Darla and her image-obsessed friend, Cynthia, descend upon the neighborhood in

search of cheap rent, they soon discover something far more seductive and sinister lurking behind the walls of their new home. Like a cross between Jordan Peele's *Get Out* and John Carpenter's *The Thing*, Daniels and Passmore's *BTTM FDRS* (pronounced "bottomfeeders") offers a vision of horror that is gross and gory in all the right ways. At turns funny, scary, and thought provoking, it unflinchingly confronts the monsters—both metaphoric and real—that

are displacing cultures in urban neighborhoods today.

Ishmael is finally a senior and things are beginning to look up. His nemesis, Barry Bagsley, has decided to leave him alone at last and with help from his 'Reverse Cool' mates, Scobie and Razza, Ishmael is in with a chance of winning the school cup. Has he broken free of the dreaded Ishmael Leseur's Syndrome at last? Could life at St. Daniel's actually

be described as 'normal'?
Absolutely not.

The Herme`s scarf is a
style icon. Worn by
royalty and celebrities,
coveted and admired, and
now avidly collected, this
deceptively simple square
of silk is much more than
just a fashion accessory: it
is the stuff of legend.
Since the first scarf made
its debut in 1937, the
House of Herme`s has
produced more than two
thousand different
designs. From the classic
scarves that embody the
Herme`s tradition to the

wildly imaginative stylings
of contemporary
designers, the House is
always forging new paths
and yet is never afraid to
take a fresh and often
witty approach to its own
heritage. A scarf is not the
work of a single
individual; at each stage
of its creation, talent and
craftsmanship combine to
create a work of art.
These qualities shine
through in the
illustrations, by turns
playful and poetic, which
lead the reader into a
richly colored world with a
multitude of motifs. They

range from the equestrian themes that are internationally associated with the Hermès brand, through French history and the natural world, to global cultures. From vibrant opulence to subtle harmony, every scarf conveys a mood and every one tells a story.

Clifford Allyn Abernathy III (just Cliff, for short) is the oldest of six kids in a family that does everything—fighting, laughing, playing, eating, telling stories, and celebrating the

holidays—in a big, often outlandish, and sometimes poignant way. Taking the family from Christmas to Christmas, the chapters of Fig Pudding, narrated by eleven-year-old Cliff, are complete short stories in themselves. Read together, they tell the tale of life in a large, loving family. Besides a fresh look, this edition includes a brand new story.

Sélection Officielle Angoulême 2018 In a forsaken corner of the Italian countryside, Guido and his friends Moreno and Katango spin out their days in languor and boredom intermixed with desire and, occasionally, violence. Nearby live the Stančič, a family of Romani who escaped the communist regime of Marshal Tito and settled here just after World War II. Guido's coming-of-age is changed by the

evolving relationship that the rural town has with this group of outsiders, these “gypsies.” The author is unsparing in his depiction of the townspeople’s cruelty. And yet, there are also many instances of solidarity between Guido’s community and the Stančič. Reviati’s first book in English, *Spit Three Times* is an extraordinary story of young men, disillusioned and trying to find their way, caught in the breach between post-war exuberance and the

stagnation of the early twenty-first century. *Celandine* Pan Books Limited
Although inflation is much feared for its negative effects on the economy, how to measure it is a matter of considerable debate that has important implications for interest rates, monetary supply, and investment and spending decisions. Underlying many of these issues is the concept of the Cost-of-Living Index (COLI) and its controversial role as the methodological

foundation for the Consumer Price Index (CPI). *Price Index Concepts and Measurements* brings together leading experts to address the many questions involved in conceptualizing and measuring inflation. They evaluate the accuracy of COLI, a Cost-of-Goods Index, and a variety of other methodological frameworks as the bases for consumer price construction. [Girlsplaining](#) Seven Stories Press
Ariol's best friend,

Ramono, is a pig. He's also loud, impulsive, irresponsible, and has a big snout that looks like a light socket. Sneaking into a parking garage to play with fuses, carting grandpa's dog around in a wheelbarrow, wrestling matches with his sister; you may have thought Ariol was trouble enough, but you've never seen Ramono on the loose!

For fans of Kid Gloves and Waves comes a new original graphic novel by cartoonist Katja Klengel tackling the subjects that have shaped her life: from body shaming to the exploration of her sexuality, from the representation of women in the media to the social pressure on women who

have not yet started a family. Why do we fear the word “vulva”? Do we really have to be ashamed of our body hair? Why do gender roles in children’s toys seem to be stuck in the ‘50s? With a sense of humor, an open heart, and unsparing candor, Klengel draws inspiration from her own life as she examines what being a woman today means to her (and really, a whole lot of us!). Please Note: This is for Mature Readers.
