Diary of a Currency Trader is Samuel J Rae's no-nonsense, full disclosure look at his approach to the retail foreign exchange markets. Samuel takes you through his personal journey and how he got to where he is today followed by a step by step, illustrated description of the strategy he uses and the principles that underlie his approach. Having described the way he trades, Samuel then journals ninety days' worth of market operations with full explanations as to how and why he enters each and every trade, the results he achieves and his thoughts on the markets he operates in. Fully illustrated and set out in an easy to follow format, Diary of a Currency Trader takes you into the daily operations of a retail trader to an unprecedented level. If you are looking to discover what it actually means to trade Forex full time, this book is for you.
