Iced Walker Books
Already an international sensation and prize-winning bestseller in France, an evocative coming-of-age story of a young boy, a lost childhood

and a shattered homeland. SHORTLISTED FOR THE ALBERTINE PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY ESQUIRE • LONGLISTED FOR THE ANDREW CARNEGIE MEDAL FOR EXCELLENCE IN FICTION • LONGLISTED FOR THE ASPEN WORDS LITERARY PRIZE Burundi, 1992. For ten-year-old Gabriel, life in his comfortable expatriate neighborhood

of Bujumbura with his French father, Rwandan mother and little sister Ana, is something close to paradise. These are carefree days of laughter and adventure - sneaking Supermatch cigarettes and gorging on stolen mangoes - as he and his mischievous gang of friends transform their tiny cul-de-sac into their kingdom. But dark clouds are gathering over this small

country, and soon their peaceful existence will shatter when Burundi, and neighboring Rwanda, are brutally hit by civil war and genocide. A novel of extraordinary power and beauty, Small Country describes an end of innocence as seen through the eyes of a child caught in the maelstrom of history. Shot through with shadows and light, tragedy and humor, it is a stirring tribute not only to a dark chapter

in Africa's past, but also to the bright days that preceded it.

Hogarth Hirohiko Araki is the author of one of the longest-running and most beloved manga of all time, the epic fan favorite Jojo's Bizarre Adventure.

According to him, manga is the ultimate synthesis of all forms of art, and in this book he reveals the secrets behind how to make the magic happen using concrete examples from his own work. Read all about his "golden ratio"

for drawing, the character histories he draws up for each of the characters he creates, his methodology for storytelling inspired by the great Ernest Hemingway, and many more aspects of manga creation in this how-to guide penned by an industry legend. -- VIZ Media *Humble Math - 100 Days of Timed Tests* Penguin THE HOTLY ANTICIPATED SEQUEL TO THE NO. 1 BESTSELLER CARRY ON

Simon Snow is back and he's coming to America! The story is supposed to be over. Simon Snow did everything he was supposed to do. He beat the villain. He won the war. He even fell in love. Now comes the good part, right? Now comes the happily ever after... So why can't Simon Snow get off the couch? What he needs, according to his best friend, is a change of scenery. He

just needs to see himself in a new light. That's how Simon and Penny and Baz end up in a vintage convertible, tearing across the American West. They find trouble, of course. (Dragons, vampires, skunk-headed things with shotguns.) And they get lost. They get so lost, they start to wonder whether they ever knew where they were headed in the first place. With Wayward Son, Rainbow

Rowell has written a book for everyone who ever wondered what happened to the Chosen One after he saved the day. And a book for everyone who was ever more curious about the second kiss than the first. It's another helping of sour cherry scones with an absolutely decadent amount of butter. Come on, Simon Snow. Your hero's journey might be over - but your life has just begun.

HarperCollins National Bestseller Olivia Dade bursts onto the scene in this delightfully fun romantic comedy set in the world of fanfiction, in which a devoted fan goes on an

unexpected date with her celebrity crush, who's secretly posting fanfiction of his own. Marcus Caster-Rupp has a secret. The world may know him as Aeneas, star of the biggest show on television, but fanfiction readers call him something else: Book!Aeneas WouldNever. Marcus gets out his frustrations with the show through anonymous stories about the internet's

favorite couple, Aeneas and Lavinia. But if anyone discovered his online persona, he'd be finished in Hollywood. April Whittier has secrets of her own. A hardcore Lavinia fan, she's long hidden her fanfic and cosplay hobbies from her "real life"—but not anymore. When she dares to post her latest costume creation on Twitter, her plus-size take goes viral. And when

Marcus asks her out to spite her internet critics, truth becomes stranger than fanfiction. On their date, Marcus quickly realizes he wants more from April than a one-time publicity stunt. But when he discovers she's Unapologetic Lavinia Stan, his closest fandom friend, he has one more huge secret to keep from her. With love and Marcus's career on the

line, can the two of them stop hiding once and for all, or will a match made in fandom end up prematurely cancelled?
