BRONSON ALEXANDER

They Bite White Wolf Publishing

Humans have always played the game of predator and prey, but they've been mostly wrong about their part in it, unknowing of those who hunt them in the night, feeding on their blood. They are hidden in plain sight, dismissed as fictitious, their ever-present thirst waiting to be quenched. But there are some vampires who drink blood simply for the bouquet and taste. An entire van of blood is stolen at gunpoint from a corporate blood drive in Connecticut, and the culprits are two vampires: the staunch Christian and carefree Evan. The two have orders from their masters to drive the blood cross-country, delivering it to Los Angeles for their High Council's annual gala. Joining them on their trip is Bart Peters, a simple man with a secret: when the moon is out, he transforms into a werewolf, an uncontrollable beast of rage. Bart's job is to make sure the shipment of blood gets to Los Angeles; his paycheck depends on it, and nothing is going to easily get between him and his money. Dogging their tracks is Father Matthew, a priest and agent of the Vatican. Father Matthew is tasked with the recovery of the stolen blood and the elimination of those who took it. Armed to the teeth with guns, silver knuckles, and wooden stakes, the holy man tracks the vampires across the country, intent on completing his mission. Can Christian and Evan make the drive from Connecticut to Los Angeles, completing their task of getting the blood to their elders without killing each other first? Will Bart become more of a hassle than he's worth? What role will Father Matthew play as he tracks the vampires on their westward journey across America? Blood Drive is an action-comedy with a bloody twist, a fierce yet touching supernatural romp, traveling across the country with the unlikely foursome of the vampiric duo of Christian and Evan, their werewolf companion, and the Vatican-dispatched badass. Hop in and take the ride through one of the most wickedly satisfying adventures you'll ever love to join. This novel has the most unexpected side trips ever to be taken on a cross-country journey, wrought with danger, enemies, obstacles, and lots of necks to bite. Blood Drive is Budgie Bigelow's ninth book, bringing to life a version of America where vampires hide in the night, werewolves hunt under the light of the moon, and priests protect their flock from the dangers of the darkness with gun and stake. You'll be guessing to the last page, where you'll be loathing and fearing telling the dark and hunkering cast a melancholy goodbye.

White Wolf Game Studio Hardcover Publications: Tribes of the moon (WW30103) Lori Handeland
National Book Award Finalist: A "brilliant" study of the science and mythology of the wolf by the New

York Times–bestselling author of Arctic Dreams (The Washington Post). When John Fowles reviewed *Of Wolves and Men*, he called it "A remarkable book, both biologically absorbing and humanly rich, and one that should be read by every concerned American." In this National Book Award–shortlisted work, literary master Barry Lopez guides us through the world of the wolf and our often-mistaken perceptions of another species' place on our shared planet. Throughout the centuries, the wolf has been a figure of fascination and mystery, and a major motif in literature and myth. Inspiring fear and respect, the creature has long exerted a powerful influence on the human imagination. *Of Wolves and Men* takes the reader into the world of the *Canis lupus* and its relationship to humankind through the ages. Lopez draws on science, history, mythology, and his own field research to present a compelling portrait of wolves both real and imagined, dispelling our fear of them while celebrating their place in our history, legends, and hearts. This ebook features an illustrated biography of Barry Lopez including rare images and never-before-seen documents from the author's personal collection.

[Predator & Prey](#) Lori Handeland

They exist in myth and legend dating back to the earliest history of man. Different cultures have different names for the same creature, which has haunted the dark places of our collective psyche. Loup Garou, Werewolf, Lycanthropes, Rougaru, Michigan Dogman, The Beast of Land Between the Lakes, Olonga-Doglalla, Shunka Warak'in, Skinwalker. The beast is known by many names, but they all lead to the ultimate Apex Predator. A predator that has no equal. A predator that preys on man. Horrific murders plague a rural county, leaving bodies torn and partially eaten in their wake. Detective William Greyeagle of the Lacland County Sheriff's Office is assigned to the case. What he believes to be animal attacks awakens a dreaded fear from deep in his subconscious. It draws him deeper into his own heritage and the lore of beasts that prey on men. To find the killer, he must delve deeper into the teachings of his grandfather, a Lakota Medicine Man. Things he believed to children's stories are proven to be hauntingly true. There are things in the darkness that haunt the world of men. Humans are not the Apex Predator that they believed themselves to be. There is something far worse waiting just outside the light. The deep valleys and forests of the Ozarks prove to be the perfect hunting grounds. Predator versus prey in the ultimate game of life and death. Who will be the victor? Who will be the Apex Predator?

Chaos Hunt White Wolf Publishing

Hired gunslinger William Jessup Brady lived his life with one foot in the grave - until the day he finally found a reason to live. In one single act of brutal betrayal, he lost everything, including his life. Brought back by a Greek goddess to be one of her Dark-Hunters, he gave his immortal soul for vengeance and swore he'd spend eternity protecting the humans he'd once considered prey. Orphaned as a toddler, Abigail Yager was taken in by a family of vampires and raised with one belief: Dark-Hunters are the evil who prey on both their people and mankind, and they must all be destroyed. Brought together by an angry god and chased by ancient enemies out to kill them both, William and Abigail must find a way to overcome their mutual hatred or watch as one of the darkest of powers rises and kills both the races they've sworn to protect.

Blood Drive C. Gockel

Vampires. Werewolves. Beasts that hunt in the night. Step into Cynthia Eden's sexy paranormal world and you'll meet an alpha werewolf who will risk everything for the woman he loves...For the first time, all of the BLOOD AND MOONLIGHT novels are now available in one hot boxed set. BITE THE DUST - Book 1 When New Orleans Detective Jane Hart investigates her first official homicide case, she never expects to have her world ripped apart. But the murder she's investigating is part of a deadly war between vampires and werewolves...and now Jane is caught in that eternal battle. A battle that can't end well. Werewolf Aidan Locke has been running New Orleans for years. It's his job to keep the vamps out of the city. But when a Master Vampire comes to town, determined to unleash hell, Aidan knows it's time to fight with all the fury of his pack. Beast versus vamp, until the last breath. Then he meets Jane... One look, one taste, and Aidan knows that Jane is far more than she seems. Far more than she even knows herself to be. She's important in the paranormal war, not a pawn to be used, but a queen to be won. And if he can't keep her at his side, if he can't stop the darkness from descending on the town...then Jane Hart will become not just a fierce cop, not some guardian, but something deadlier. Darker. Aidan will fight heaven and hell to change her fate. To change their fate because he is more than just a predator. And Jane is more than prey. Far more. BETTER OFF UNDEAD - Book 2 Detective Jane Hart is just getting used to paranormal life in New Orleans. Monsters are real, and she's the lucky cop who has to deal with them on a daily basis. Werewolves, vampires, witches, and demons—she has to face them all and keep their paranormal madness in check. When a killer targets human men—and leaves their bodies scattered in local cemeteries—Jane suspects she may be looking at the crimes of a werewolf gone rogue. In order to hunt down the beast, Jane once again teams up with her werewolf lover, alpha Aidan Locke. But Aidan has been keeping secrets from Jane, dark secrets that will destroy her world. Because Jane isn't the hunter on her latest investigation. She's the prey. And when a vampire attack leaves her helpless, the woman that Jane was before will vanish. She'll become the one thing she fears most and Aidan... Her fierce lover may have to become her executioner. BITTER BLOOD - Book 3 New Orleans detective Jane Hart is a vampire. She craves blood, has supernatural strength, and when the mood hits her just right, she can grow one killer pair of fangs. She never counted on being a vamp, but she also never counted on falling hard for werewolf alpha Aidan Locke. Now she's mated to the wolf, and even though she's living the undead life, Aidan refuses to leave her side. But Jane is being watched, hunted...tested. And each deadly test that she faces puts Jane—and the people she loves—in the path of a determined killer. She has to find out who is setting her up, before it's too

late. Too late for Jane. Too late for Aidan. Jane's blood has infected Aidan and the wolf that lives within him is fighting for survival. Each battle...each dark test that their enemy puts in their path...each move slides Aidan closer to the edge. A darkness is growing inside of him. A darkness that is slowly consuming the man he's been... And leaving only the monster behind.

The Wolfen White Wolf Publishing

Douglas Sands had no idea sinister forces dominated the world. The revelation nearly killed him, and being imbued drove him from his home, Iron Rapids. Now he returns with a new sense of purpose and the conviction to take a stand. However, he and his surviving companions find themselves in the middle of a struggle between undead monsters and the agents of an ultrasecret conspiracy who claim to have mankind's best interests at heart.

The European Witch-Hunt Eve Langlais

After the death of his beloved "childe", Michael Luther of Clan Toreador must once again face the ugliness of the world and ensure that this death is avenged. This is the first book in a series of six concerning vampires, werewolves, mages, and the newly born hunters who seek to purge the world of monstrous evil.

Hunting Ground: the Rockies Lulu.com

The European Witch-Hunt seeks to explain why thousands of people, mostly lower-class women, were deliberately tortured and killed in the name of religion and morality during three centuries of intermittent witch-hunting throughout Europe and North America. Combining perspectives from history, sociology, psychology and other disciplines, this book provides a comprehensive account of witch-hunting in early modern Europe. Julian Goodare sets out an original interpretation of witch-hunting as an episode of ideologically-driven persecution by the 'godly state' in the era of the Reformation and Counter-Reformation. Full weight is also given to the context of village social relationships, and there is a detailed analysis of gender issues. Witch-hunting was a legal operation, and the courts' rationale for interrogation under torture is explained. Panicking local elites, rather than central governments, were at the forefront of witch-hunting. Further chapters explore folk beliefs about legendary witches, and intellectuals' beliefs about a secret conspiracy of witches in league with the Devil. Witch-hunting eventually declined when the ideological pressure to combat the Devil's allies slackened. A final chapter sets witch-hunting in the context of other episodes of modern persecution. This book is the ideal resource for students exploring the history of witch-hunting. Its level of detail and use of social theory also make it important for scholars and researchers.

Silver Fang and Glass Walkers White Wolf Publishing

She's human. I'm not. She's prey. I'm the predator. She's off-limits and I'm over the line. I'm not supposed to hunt her, I'm not supposed to want her, but I do. She's on the run from the MC, making a new life for herself deep in the Louisiana bayou, and only a bastard would go after her. Did I mention that I'm not a nice guy - Grant Grant "Blade" Dean spent years fighting for the Breed motorcycle club. He's sworn fealty to the MC's Alpha, and pack comes first... until he rescues a human female from a territory war. He's no white knight, and he's tired of the fighting. He's found

his woman, and now he'll do whatever it takes to keep her...Blade is fifty shades of wrong and Leah Holmes knows it. She knew it when she gave him her virginity four years ago and she knows it when he talks his way onto her houseboat. He's a bad boy biker, a killer-and a wolf. Giving a big, bad wolf a second chance is stupid... isn't it?

Supernatural Scientific Investigative Team Reports on the Different Breeds of Werewolf, Separate Species of Vampire and Human/animal Shape Shifters by Elisha Worthall and Dr. Xavier Bell Simon and Schuster

they're real, and they're here.... Prowlers Jack Dwyer can see dead people, and they can see him. In fact, he has made a regular practice of communicating with his dead friend Artie from the Ghostlands, where Artie's spirit wanders. Artie helps keep Jack apprised of Prowler activity, and Jack, along with his sister, Courtney, and their friends, tracks these violent killers down and stops them. Artie's latest piece of information is startling: a vicious beast known as the Ravenous is stalking the Ghostlands. It's Jack's turn to help the endangered spirits -- without endangering himself. He's got some help from a woman who is not quite as young as she seems -- but the Ravenous has got his scent. Meanwhile Jasmine, pack leader and dangerous hunter, has issued a hit on Jack and his friends. But if he consults his allies in the Ghostlands for help, Jack will attract the Ravenous. It's a double-edged sword -- and Jack's not sure he can avoid being cut....

Predator and Prey (The Shifter Chronicles 9) White Wolf Publishing

It takes more than silver bullets to kill a werewolf. This is an omnibus edition of the three books in the *Autobiography of a Werewolf Hunter* trilogy. Sylvester James knows what it is to be haunted. His mother died giving birth to him and his father never let him forget it—until the night he was butchered by a werewolf. Alone in the world, Sylvester is taken in by Michael Winterfox, a Cheyenne mystic. Winterfox, once a werewolf hunter, trains the boy to be a warrior—teaching him how to block out pain, stalk, fight, and kill. Bit by bit all that makes Sylvester human is sacrificed to the hunt. Now, Sylvester's hatred has become a monster all its own, robbing him of conscience and conviction as surely as the Beast's bite. As he follows his vendetta into the outlands of the occult, options become scarce. And he learns it takes more than silver bullets to kill a werewolf—to kill a werewolf, it takes a hunter with a perfect willingness to die. This edition features the previously published *Autobiography of a Werewolf Hunter*, *Heart of Scars*, and *The Lineage* in Brian P. Easton's *Autobiography of a Werewolf Hunter* trilogy.

Wolf John Hunt Publishing

Using modern biology and history to investigate a series of grisly deaths in the countryside of 18th-century France. Something unimaginable occurred from 1764 to 1767 in the remote highlands of south-central France. For three years, a real-life monster, or monsters, ravaged the region, slaughtering by some accounts more than 100 people, mostly women and children, and inflicting severe injuries upon many others. Alarmed rural communities—and their economies—were virtually held hostage by the marauder, and local officials and Louis XV deployed dragoons and crack wolf hunters from far-off Normandy and the King's own court to destroy the menace. And with the creature's reign of terror occurring at the advent of the modern newspaper, it can be said the ferocious attacks in the Gévaudan region were one of the world's first media sensations. Despite extensive historical documentation about this awesome predator, no one seemed to know exactly what it was. Theories abounded: Was it an exotic animal, such as a hyena, that had escaped from a menagerie? A werewolf? A wolf-dog hybrid? A new species? Some kind of conspiracy? Or, as was proposed by the local bishop, was it a scourge of God? To this day, debates on the true nature of La Bête, "The Beast," continue. With historical illustrations, composite sketches by the author, on-the-

scene modern-day photographs, autopsy analysis, and fictionalized accounts, *Beast* takes a fascinating look at all the evidence, using a mix of history and modern biology to advance a theory that could solve one of the most bizarre and unexplained killing sprees of all time: France's infamous Beast of the Gévaudan.

Nothing Good Happens After Midnight Reaktion Books

In the dark, they are watching... They are waiting for you. No one has ever lived to tell the horrifying truth about them. Yet even now the Wolfen are gathered in the night-dark alleys ... unseen, poised ... ready to destroy their helpless human prey. Only one man and one woman, trained cops, willing to risk their lives, stand in the way.

Predator and Prey Red Witch Press

They say a mother will do anything for her child . . . I'm living proof This nightmare began when I got the call every parent dreads. My daughter, Jenna, was missing from her college campus. Of course, my mind went to the worst place. After all, my late husband was a powerful senator. Was this some political payback? I call in a favor and soon I'm partnered with an FBI sex trafficking agent. He tells me local girls have been disappearing for some time now, and he finally has a lead. But what we find at that abandoned warehouse is something out of a horror movie. Werewolves! Two rival packs, their alphas fighting, winner take all--the pack and the trafficked girls. The werewolves must replenish their breeders, recently decimated by a virus that killed only the females. But Jenna's been keeping a secret, which only makes two of us. Though I should be angry, I know the lies I've told play a huge role in why we're here. I'll do anything to make it right. No way is my girl going to become a sacrificial mate for the greater good--even if she is the 'chosen one.' So, I do what any mother would do, I take her place, offering myself to Gideon, the winning alpha, as his mate. Gideon's goal is to live in harmony with the human world, but there are others who exist for the power, for the violence, and they don't plan to let peace prevail. There's a civil werewolf war brewing and I am right in the middle of it. From the voice of New York Times bestselling author Lori Handeland, a new volume in her Nightcreature world, complete with the humor, depth of characterization and fast-paced plot lines she is known for while showcasing the author's incredible range.
