"In our highly literate
culture, orality is all-
pervasive. Different
kinds of media and
performance - theatre,
film, television, story-
telling, structured play
- make us ask what is
the relation between
improvisation and
premeditation,
between transcription
and textualization,
between rehearsal,
recollection and re-
narration. The
challenge of writing
down what is spoken is
partly technical, but

also political and
philosophical. How do
young writers
represent the spoken
language of their
contemporaries? What
are the rules governing
the transcription of oral
evidence in fiction and
non-fiction? Is the
relationship between
oral and written always
a hierarchical one?
Does the textualization
of the oral destroy,
more than it
commemorates or
preserves, the oral
itself? Twelve wide-
ranging essays, the
majority on
contemporary Italian
theatre and literature,
explore these
questions in the most
up-to-date account of
orality and literacy in
modern Italian culture
yet produced. With the
contributions: Michael
Caesar, Marina Spunta-

Istituto veneto di scienze, lettere ed arti Routledge Drawing on published collections and also

manuscripts from Mantuan archives, *Commedia dell' arte* and the Mediterranean locates *commedia dell' arte* as a performance form reflective of its cultural crucible in the Mediterranean. The study provides a broad perspective on *commedia dell' arte* as an expression of the various cultural, gender and language communities in Italy during the early-modern period, and explores the ways in which the art form offers a platform for reflection on power and cultural exchange. While highlighting the prevalence of Mediterranean crossings in the scenarios of *commedia dell' arte*, this book examines the way in which actors embodied characters from across

the wider Mediterranean region. The presence of Mediterranean minority groups such as Arabs, Armenians, Jews and Turks within *commedia dell' arte* is marked on stage and 'backstage' where they were collaborators in the creative process. In addition, gendered performances by the first female actors participated in 'staging' the Mediterranean by using the female body as a canvas for cartographical imaginings. By focusing attention on the various communities involved in the making of theatre, a central preoccupation of the book is to question the dynamics of 'exchange' as it materialized within a spectrum inclusive of both

cultural collaboration but also of taxation and coercion.

Storia letteraria d'Italia: Dante; storia della Commedia, di M. Apollonio. e.ed.

1964-65 (2 v.) Walter de Gruyter GmbH & Co KG

Commedia all'italiana, or Comedy, Italian style, became popular at a time of great social change. This book, utilizing comedies produced in Italy from 1958-70, examines the genre's representation of gender in the everyday spaces of beaches and nightclubs, offices, cars, and kitchens, through the exploration of key spatial motifs.

Storia letteraria d'Italia, scritta da una società di professori Viella

Libreria Editrice

I contributi riuniti nel volume, presentati per la prima volta in occasione del I Convegno dell' AISPEB (Associazione di Studi Portoghesi e Brasiliani), tenutosi nel 2012 presso le sedi dell'Università di Roma "La Sapienza" e dell'Università di Roma Tre, offrono un panorama di temi, linguistici e letterari, legati sia al contesto portoghese che a quello brasiliano. I saggi d'argomento letterario rinnovano il contributo italiano allo studio della letteratura luso-brasiliana, rimanendo nel solco di una tradizione nazionale ricca di spunti, che ha visto arrivare proprio dall'Italia alcuni contributi storici, filologici ed

ermeneutici tuttora indispensabili per comprendere l'opera dei maggiori autori di lingua portoghese. I saggi di argomento linguistico sintetizzano invece alcuni dei risultati prodotti dalle cattedre di lingua, di recente istituzione in Italia, privilegiando in particolar modo tematiche legate al binomio lingua-traduzione.

I Precursori del secolo XIX. in Italia. Discorso. Estratto dalla Rivista

Europea Vita e Pensiero

"The central importance of the actor-author is a distinctive feature of Italian theatrical life, in all its eclectic range of regional cultures and artistic traditions. The fascination of the figure is that he or she

stands on both sides of one of theatre's most important power relationships: between the exhilarating freedom of performance and the austere restriction of authorship and the written text. This broad-ranging volume brings together critical essays on the role of the actor-author, spanning the period from the Renaissance to the present. Starting with Castiglione, Ruzante and the commedia dell'arte, and surveying the works of Dario Fo, De Filippo and Bene, among others, the contributors cast light on a tradition which continues into Neapolitan and Sicilian theatre today, and in Italy's currently fashionable 'narrative theatre', where the

actor-author is centre stage in a solo performance."

Paolo Rolli and the Italian Circle in London, 1715-1744

Alinea Editrice

Il Volume contiene le più belle e famose commedie di Carlo Goldoni: Le avventure della Villeggiatura Le Baruffe Chiozzotte Bertoldo, Bertoldino e Cacasenno La Bottega del Caffè Il Bugiardo Il Burbero Benefico Il Campiello Gli Innamorati La Locandiera I Rusteghi Il Servitore di due padroni Il Ventaglio La Commedia di Goldoni è detta "borghese" perché porta in scena la vita quotidiana della borghesia veneta. Essa supera i tipi fissi della commedia dell'arte, personaggi che rappresentavano tipologie sociali

piuttosto statiche, senza tratti personali e piuttosto appiattiti su stereotipi ricorrenti. Goldoni poi introduce il testo scritto, che nella commedia dell'arte non esisteva: gli attori recitavano sulla base di appunti, su cui i comici improvvisavano le loro battute. Goldoni si accorge che il teatro stava morendo: i personaggi erano privi di spessore, le battute noiose e ripetitive, scontate e volgari, tagliate su misura sul popolino dalla bocca facile. Per portare la Borghesia a teatro, quella che paga il biglietto, bisogna creare personaggi reali, con un profilo psicologico marcato. Il tipo fisso non basta più.

Gremese Editore

Italia: Civiltà e Cultura

offers a comprehensive description of historical and cultural development on the Italian peninsula. This project was developed to provide students and professors with a flexible and easy-to-read reference book about Italian civilization and cultural studies, also appropriate for cinema and Italian literature classes. This text is intended for students pursuing a minor or a major in Italian studies and serves as an important learning tool with its all-inclusive vision of Italy. Each chapter includes thematic itineraries to promote active class discussion and textual comprehension check-questions to guide students through the reading and understanding of the

subject matter.

"The topic of this second edition of the Gaetano Salvemini Colloquium is one of the most complex in Italian history. In just a few years, between July 1943 and April 1948, a rapid succession of events took place that are critical to understand the history of post-fascist Italy along with the political and institutional process that led to the approval

of the Constitution and
the birth of the
Republic."
