A recognized
master

fantasist,
Tanith Lee has
won numerous
awards for her
craft,
including the

World Fantasy Award for Life Achievement and the Bram Stoker Award for Lifetime Achievement in Horror. Rediscover her classic, most popular fantasy series, Tales from the Flat Earth, where demons and gods grant wonders and wreak havoc. Visit the Upperearth, where dwell the gods; the Underearth, the realm of nightmarish demons; the Innerearth, domain of the dead; and the Flat Earth itself, the

home of mortals. Supreme amongst them all is the demon god Azhrarn, Night's Master, whose deadly whims could change the lives of those in the Flat Earth. Azhrarn holds in his heart a mystery which could alter the very existence of the Flat Earth forever. **Night's Master** Open Road Media Hailed by The New York Times as "a compelling dystopian look at paranoia from one of the most

unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life — use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the

author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. Anthem anticipates the themes Ayn Rand explored in her later masterpieces, *The Fountainhead* and *Atlas Shrugged*. Publisher's Weekly acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated. The Greatest Works of French Literature (English Edition) S. Chand Publishing Stephen Crane's immortal masterpiece about the nightmare of war was first published in 1895 and brought its young author immediate international fame. Set during the Civil War, it

tells of the brutal disillusionment of a young recruit who had dreamed of the thrill and glory of war, only to find himself fleeing the horror of a battlefield. Shame over his cowardice drives him to seek to redeem himself by being wounded—earning what he calls the “red badge of courage.” Praised for its psychological insight and its intense and unprecedented realism in portraying the

experience of men under fire, *The Red Badge of Courage* has been a beloved bestseller for more than a century. *Close-Up Magic for the Night Club Magician* Houghton Mifflin Harcourt Now available in a deluxe keepsake edition! A Time Best YA Book of All Time (2021) Run away to the Metropolitan Museum of Art with E. L. Konigsburg’s beloved classic and

Newbery Medal-winning novel *From the Mixed-Up Files of Mrs. Basil E. Frankweiler*. When Claudia decided to run away, she planned very carefully. She would be gone just long enough to teach her parents a lesson in Claudia appreciation. And she would go in comfort—she would live at the Metropolitan Museum of Art. She saved her money, and she invited her brother Jamie to go, mostly

because he was a miser and would have money. Claudia was a good organizer and Jamie had some ideas, too; so the two took up residence at the museum right on schedule. But once the fun of settling in was over, Claudia had two unexpected problems: She felt just the same, and she wanted to feel different; and she found a statue at the Museum so beautiful she could not go home until

she had discovered its maker, a question that baffled the experts, too. The former owner of the statue was Mrs. Basil E. Frankweiler. Without her—well, without her, Claudia might never have found a way to go home. *The Holy Bible* Hill and Wang Working with the complete collection of *Tender is the Night* manuscripts in the Princeton University Library, Matthew J. Bruccoli reconstructs

seventeen drafts and three versions of the novel to answer questions about F. Scott Fitzgerald's major work that have long puzzled critics of modern literature. In 1934, nine years after the appearance of *The Great Gatsby*, Fitzgerald permitted publication of *Tender is the Night*. Disappointed by its critical reception, Fitzgerald suggested that the structure of the novel should be

drastically rearranged. In 1951, eleven years after his death, Charles Scribner's Sons brought out an edition that incorporated Fitzgerald's changes. Controversy arose over the merits of the two published versions and over the "nine lost years" in Fitzgerald's life between his two great novels, years of rewriting before publication of *Tender is the Night* that resulted in six cartons of notes and drafts. After

analyzing this wealth of material, Brucoli reconstructs every working stage in the novel and reaches his own conclusions about which edition is the most valid. **Night** Diamond Pocket Books Pvt Ltd Christopher Milbourne presents a selection of classic magic tricks originally published over the course of 50 years in "The Sphinx," the most famous magazine for

magicians. **The Curious Incident of the Dog in the Night-Time** University of Pittsburgh Pre The American-born author describes her family's experiences and impressions when they were forced to relocate to a camp for the Japanese in Owens Valley, California, called Manzanar, during World War II, detailing how she, among others, survived in a place of oppression,

confusion, and
humiliation.

ing author of
Jaws 2 and
Jaws: The
Revenge:
“One of his

best-known novels . . . the story of a troubled couple at sea” (People). It was supposed to be a relaxing vacation for a hard-working lawyer and his wife, but one slip and what begins as an adventure quickly becomes terrifying. When Mitch Gordon opens his eyes to find his wife missing in the middle of the ocean, he panics. He is seventy miles from Tahiti on a forty-foot ketch and there is no

sign of help. Join Hank Searls, the creator of Jaws 2 and Jaws the Revenge, in this beautiful but frightening tale of love, trust, and survival. [Farewell to Manzanar](#) e-artnow The explosive first installment of the internationally bestselling Night Watch series, back in print. Set in contemporary Moscow, the Night Watch series tells the story of the Others, an ancient race

of magicians, shape-shifters, vampires, and other supernatural beings that live among us, and swear allegiance to either the powers of Darkness or the forces of Light. For the past 1000 years, the two sides have been locked in an uneasy truce, keeping their powers in balance as each side secretly plots to take the advantage for themselves. The forces of the Light tasked with keeping the Dark Others in

check are the Night Watch. Night Watch features Anton Gorodetsky, a mid-level Light magician, who during his first field assignment, stumbles upon a cursed young woman—an Other of tremendous potential power who has yet to choose between Light and Darkness. As the two sides prepare for battle, Anton discovers that their destinies are closely intertwined, and the slightest

wrong move could cause the destruction of Moscow, or even the world. With darkly comic style and a plot that's equal parts urban fantasy, spy thriller, and chess match, Night Watch will keep readers hooked until the last page, and eager for more.

hate. Author was interested in mysticism and used to enjoy her solitude outdoors. This novel consists of those elements. It is now considered a classic of English literature. It was published under the pseudonym - "Ellis Bell" The story is full of high creativity and very imaginative. It narrates revenge also. It revolves around the main character, Heathcliff. Wuthering Heights is his

farmhouse. Heathcliff is a young orphan, who was brought by Earnshaw at Wuthering Heights, 30 years ago. Earnshaw loves him (Heathcliff) so much, even neglects his own children. After death of Earnshaw, his elder son Hindley becomes the new master of Wuthering Heights and he allows Heathcliff to stay there only as a servant. Catherine is in love with Heathcliff, but doesn't show

due to her social statue. The story thus seems very interesting and it ends with sights of the ghosts of Catherine and Heathcliff. It consists of many ups and downs Readers will Surely going to enjoy the novel. It's Heartthrobing and it's very difficult to getup without reading the novel - fully. *A Wedding for All Seasons* Prabhat Prakashan They're the hottest men on ice...and they're falling fast. BYLINES

& BLUE LINES
 A one-night stand hot enough to melt the hardest ice... Brody Mitchell is a damn good hockey player with the NHL contract to prove it. He loves the game but hates the hype, the spotlight and the puck bunnies trying to score an athlete husband. He's been burned before. He's not looking to repeat that mistake. But one night with an anonymous beautiful brunette and

it's game on. HARD LINES & GOAL LINES
 The odds are stacked against them... As the backup goalie for the Philadelphia Colonials, Tim Stanton earned his nickname "Tank" by being an immovable force in net. Hockey has always come first in his life but, at thirty-one, he has an expiration date practically stamped on his ass. It's time to make hard decisions about his future. Retire

on his terms or play until his body gives out? And if he stays in net, will he miss his shot to pursue the woman he loves?
 DEADLINES & RED LINES
 Looking to score love... Sugar Donahue is determined to live life on her own terms, even if that means working three dead-end jobs to make ends meet. The only bright spot in her day is the moment the hottest player on the Philadelphia

Colonials hockey team walks into the diner where she works. Too bad he's so far out of her league he might as well be on another planet. RJ Mitchell wants Sugar any way he can have her—on a table, up against a wall, whatever he can get. He's at the top of his game and a fan favorite, but his life feels stuck in neutral. He's not willing to risk his heart, but he'll take whatever Sugar's willing to give. Three full-length,

standalone hockey romances sure to melt the hardest ice. Their Eyes Were Watching God Pearson UK Term Book *Night Watch* BEYOND BOOKS HUB How electric light created new spaces that transformed the built environment and the perception of modern architecture. In this book, Sandy Isenstadt examines electric light as a form of architecture—as a new,

uniquely modern kind of building material. Electric light was more than just a novel way of brightening a room or illuminating a streetscape; it brought with it new ways of perceiving and experiencing space itself. If modernity can be characterized by rapid, incessant change, and modernism as the creative response to such change, Isenstadt argues, then electricity—ins tantaneous, malleable,

ubiquitous, evanescent—is modernity's medium. Isenstadt shows how the introduction of electric lighting at the end of the nineteenth century created new architectural spaces that altered and sometimes eclipsed previously existing spaces. He constructs an architectural history of these new spaces through five examples, ranging from the tangible miracle of the light switch to

the immaterial and borderless gloom of the wartime blackout. He describes what it means when an ordinary person can play God by flipping a switch; when the roving cone of automobile headlights places driver and passenger at the vertex of a luminous cavity; when lighting in factories is seen to enhance productivity; when Times Square became an emblem of

illuminated commercial speech; and when the absence of electric light in a blackout produced a new type of space. In this book, the first sustained examination of the spatial effects of electric lighting, Isenstadt reconceives modernism in architecture to account for the new perceptual conditions and visual habits that followed widespread electrification. *Federal Register* Astra Publishing

their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the

killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own

family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debuts in years: a comedy, a tearjerker, a mystery story, a novel of

exceptional literary merit that is great fun to read. "The" Holy Bible, According to the Authorized Version (A.D. 1611): Joshua, Judges, Ruth, Samuel, Kings | Wildside Press LLC Bestselling author Peter F. Hamilton returns to his acclaimed Commonwealth series in this thrilling follow-up to *The Abyss Beyond Dreams*. Featuring Hamilton's trademark blend of intricate plotting, riveting

suspense, high-concept science, and vivid characters, *A Night Without Stars* brings the story to a fully satisfying finish. After centuries trapped inside the Void, the planet *Bienvenido*—a long with its inhabitants, both human and Faller—has been expelled into normal space. But the survivors are millions of light-years from the Commonwealth, which knows nothing of their existence. As

the two races plunge into mortal conflict for sole possession of the planet, the humans seem destined to lose—despite the assistance of the mysterious Warrior Angel, who possesses forbidden Commonwealth technology. With the Fallers' numbers growing, and their ability to mimic humans allowing them to infiltrate all levels of society, it's only a matter of time before they surge to victory. Then,

on a routine space flight, Major Ry Evine inadvertently frees a captive vessel that crash-lands on Bienvenido carrying the last, best hope for human survival: a baby. But a far from ordinary one. The child not only ages at a remarkable rate but demonstrates knowledge and abilities far beyond those of Bienvenido's humans. Hunted by Fallers and humans alike, she is a crucial link to humanity's

lost past—and a glorious future already almost out of reach. Praise for *A Night Without Stars* “Roars relentlessly along in utterly mesmerizing style, with edge-of-the-seat plotting, thrilling action, and knife-edge tension that will leave readers gasping. An atomic blast of a yarn. Hamilton in peak form and absolutely not to be missed.”—Kirkus Reviews (starred review) “[An]

interstellar adventure with espionage, old-style space exploration, and the story of a fugitive who carries the hope of salvation.”—Publishers Weekly “An action-packed page-turner . . . It's a joy to witness such a master of science fiction at work.”—SFFWorld Praise for Peter F. Hamilton's *The Abyss Beyond Dreams* “Incredibly robust and exciting and rousing,

sharing flavors of Jack Vance, John Wright, China Miéville, Orson Scott Card, and A. E. van Vogt . . . Hamilton's deployment of lots of grand super-science is utterly deft and convincing."—Locus

"Engrossing . . . The characters, always Hamilton's strength, remain as distinctive as ever."—Kirkus Reviews

"Everything one wants in sf—great characters, mind bending stuff, adventure, politics, romance, revolution . . . just superb."—Fantasy Book Critic

"The work of an author at the top of his game."—SFF World
