*The postcard that came home after 60 years | CNN*

"The Postcard Century" tells the story of the last hundred years in the words and images of the 1900s Two thousand full-color picture postcards and their messages give a vivid account of the day-to-day life of people

*Amazon.com: Customer reviews: The postcard century : 2000 cards*

Our review: When you reach the end of the book you'll realize that the mystery is rather contrived But by then you won't really care, because you'll have had such a good time getting there Adding to the fun is the story-within-a-story, nicely done in the deliberately dreadful style of '40s potboiler detective fiction
