The Phantom Regiment e-artnow

When on May 15, 1918 a French lieutenant warned Henry Johnson of the 369th to move back because of a possible enemy raid, Johnson reportedly replied: "I'm an American, and I never retreat." The story, even if apocryphal, captures the mythic status of the Harlem Rattlers, the African-American combat unit that grew out of the 15th New York National Guard, who were said to have never lost a man to capture or a foot of ground that had been taken. It also, in its insistence on American identity, points to a truth at the heart of this book--more than fighting to make the world safe for democracy, the black men of the 369th fought to convince America to live up to its democratic promise. It is this

aspect of the storied regiment's history--its place within the larger movement of African Americans for full citizenship in the face of virulent racism--that Harlem's Rattlers and the Great War brings to the fore. With sweeping vision, historical precision, and unparalleled research, this book will stand as the definitive study of the 369th. Though discussed in numerous histories and featured in popular culture (most famously the film *Stormy Weather* and the novel *Jazz*), the 369th has become more a matter of mythology than grounded, factually accurate history--a situation that authors Jeffrey T. Sammons and John H. Morrow, Jr. set out to right. Their book--which eschews the regiment's famous nickname, the "Harlem Hellfighters," a name never embraced by the unit itself--tells the full story of the self-proclaimed Harlem Rattlers. Combining the "fighting focus" of military history with the insights of social commentary, Harlem's Rattlers and the Great War reveals the centrality of military service and war to the quest for equality as it details the origins, evolution, combat exploits, and postwar struggles of the 369th. The authors take up the internal dynamics of the regiment as well as external pressures, paying particular attention to the environment created by the presence of both black and white officers in the unit. They also explore the role of women--in particular, the Women's Auxiliary of the 369th--as partners in the struggle for full citizenship. From its beginnings in the 15th New York National Guard through its training in the explosive atmosphere in the South, its singular performance in the French army during World War I, and the pathos of postwar adjustment--this book reveals as never before the details of the Harlem Rattlers' experience, the poignant history of some of its heroes, its place in the story of both World War I and the African American campaign for equality--and its full i

The Little Regiment DigiCat

The story of an astonishing band of Canadian soldiers and their part in the Allied victory in Italy. The Hastings and Prince Edward Regiment (the Hasty Ps) was Canada's most decorated regiment in the Second World War, winning thirty-one battle honours. Famed for their role in the Allied invasion of Sicily and the conquest of Italy, for six years the members of the regiment suffered brutal conditions, fighting bravely in the face of fierce opposition from the enemy, and ultimately triumphing. In *The Regiment* (originally published in 1955), Farley Mowat, famed

Canadian fiction writer and regiment member, tells the story of the Hasty Ps, from their recruitment in September 1939 until the end of the war. Mowat was a second lieutenant and platoon leader with the regiment, and writes movingly of the great suffering his fellow soldiers endured, their bravery in battle, and the lasting friendships he forged as a member of the group.

Rudyard Kipling Ultimate Collection: 5 Novels & 350+ Short Stories, Poetry, Historical Works and Autobiographical Writings (Illustrated) Lushena Books

From the bestselling author of The Real Bravo Two Zero comes the definitive history of the world's most elite fighting force - the SAS 'Breathtaking bravery, astonishing feats of endurance, raids and battles described with terrific immediacy and pace. Compelling and definitive . . . will surely not be bettered' Sunday Telegraph On 4 May 1980, seven terrorists holding twenty-one people captive in the Iranian Embassy in London's Prince's Gate, executed their first hostage. They threatened to kill another hostage every thirty minutes until their demands were met.

Minutes later, armed men in black overalls and balaclavas shimmied down the roof on ropes and burst in through windows and doors. In seconds all but one of the terrorists had been shot dead, the other captured. For most people, this was their first acquaintance with a unit that was soon to become the ideal of modern military excellence - the Special Air Service regiment. Few realized that the SAS had been in existence for almost forty years, playing a discreet, if not secret, role almost everywhere Britain had fought since World War II, and had been the prototype of all modern special forces units throughout the world. In *The Regiment*, Michael Asher - a former soldier in 23 SAS Regiment - examines the evolution of the special forces idea and investigates the real story behind the greatest military legend of the late twentieth century. 'Detailed, scathingly honest. Asher has brought the critical eye of the knowledgeable insider to his in-depth study of SAS operations and personalities' Herald Praise for Michael Asher: 'This is the most complete picture of the Sudanese campaigns that has yet been published . . . a vigorous and engrossing narrative' Philip Ziegler, Daily Telegraph 'A staggering achievement. Asher has delivered a scintillating tale of a period of history that deserves to be remembered' Guardian

RUSSIAN CLASSICS Ultimate Collection: Novels, Short Stories, Plays, Folk Tales & Legends Dundurn

From its early beginnings in World War II, the Special Air Service (SAS) has won renown in some of the most dramatic, dangerous and controversial military special operations of the 20th century. It is a secretive and mysterious unit, whose operations and internal structures are hidden from the public eye. Now, one of its longest-serving veterans offers a glimpse into the shadowy world

of the SAS. Rusty Firmin spent an incredible 15 years with 'The Regiment' and was a key figure in the assault of the Iranian Embassy in London in May 1980. Newly revised and available in paperback, this is the unforgettable chronicle of Rusty's combat experiences - a fascinating and intimate portrayal of what it was like to be part of the world's most respected Special Operations Force.

Harlem's Rattlers and the Great War DigiCat

Reprint of the original, first published in 1866.

The Little Regiment and Other Episodes of The American Civil War William Morrow

The men of the Eighth Georgia Infantry Regiment answered the Confederate call to arms in the spring of 1861, virtually at the moment that war was declared. They came from all corners of the state, some dressed in mismatched homemade uniforms, others in tailored finery. Proud and defiant, convinced that "one Southerner could whip ten Yankees," they plunged into the murderous heat of battle at Bull Run. Years later, after enduring

combat's most vigorous trials in Maryland, at Gettysburg, and throughout East Tennessee and the bloody horror of the Wilderness -- their ranks severely depleted by winter and sickness and Union cannon, shot, and sword -- they were at Appomattox to witness the ultimate defeat of their beloved homeland. Few men saw more hard fighting than those of the Eighth Georgia, and their remarkable story is the history of the South at war. A monumental work of heart and scholarship, *A Scythe of Fire* tells the remarkable story of a single regiment that held together through long years of victory, defeat, despair, and death, from the Civil War's opening salvo to the Confederate surrender. The magnificent product of meticulous research, Warren Wilkinson and Steven E. Woodworth's stirring chronicle of America's War Between the States brings the conflict alive as never before through the eyes of the courageous men who fought and died on the nation's battlefields. Based on personal accounts, diaries, letters, and other primary sources, here is a tale of bravery and fortitude; the true story of fighting men united by an intense love of their land and devotion to a way of life. From the first heady days of the Southern secession and dreams of rapid triumph through harrowing winter marches and action in some of the fiercest conflicts of the war, *A Scythe of Fire* is the history of the Eighth Georgia as experienced by those who carried its standard into battle: doctors and farmers, land owners and simple folk, each dedicated to victory yet proud and unbroken in the face of defeat. It is a vivid, unforgettable, and profoundly human story of hope, folly, loyalty, and courage that will stand among the most acclaimed chronicles of the nation's bloodiest and most terrible epoch.
