<i>Leurs Enfants Apra S Eux Prix Goncourt 2018</i>	<i>2023-12-23</i>	Virginie Despentes for its writing that is at once “flippant and consumed by anxiety.” In <i>Love Me Tender</i> , Debré goes on to further describe the consequences of that life-changing decision. Her husband, Laurent, seeks to permanently separate her from their eight-year old child. Vilified in divorce court by her ex, she loses custody of her son and is allowed to see him only once every two weeks for a supervised hour. Deprived of her child, Debré gives up her two-bedroom apartment and bounces between borrowed apartments, hotel rooms, and a studio the size of a cell. She involves herself in brief affairs with numerous women who vary in age, body type, language, and lifestyle. But the closer she gets to them, the more distant she feels. Apart from cigarettes and sex, her life is completely ascetic: a regime of intense reading and writing, interrupted only by sleep and athletic swimming. She shuns any place where she might observe children, avoiding playgrounds and parks “as if they were cluster bombs ready to explode, riddling her body with pieces of shrapnel.” Writing graphically about sex, rupture, longing, and despair in the first person, Debré’s work is often compared with the punk-era writings of Guillaume Dustan and Herve Guibert, whose work she has championed. As she says of Guibert: “I love him because he says I and he’s a pornographer. That seems to be essential when you write. Otherwise you don’t say anything.” But in <i>Love Me Tender</i> , Debré speaks courageously of love in its many forms, reframing what it means to be a mother beyond conventional expectations.

<i>The Shadows in the Street</i> LePetitLitteraire.fr (new)		The Japanese believe that until the age of three, children, whether Japanese or not, are gods, each one an okosama, or "lord child." On their third birthday they fall from grace and join the rest of the human race. In <i>Amelie Nothomb's</i> new novel, <i>The Character of Rain</i> , we learn that divinity is a difficult thing from which to recover, particularly if, like the child in this story, you have spent the first tow and a half years of life in a nearly vegetative state. "I remember everything that happened to me after the age of two and one-half," the narrator tells us. She means this literally. Once jolted out of her plant-like , tube-like trance (to the ecstatic relief of her concerned parents), the child bursts into existence, absorbing everything that Japan, where her father works as a diplomat, has to offer. Life is an unfolding pageant of delight and danger, a ceaseless exploration of pleasure and the limits of power. Most wondrous of all is the discovery of water: oceans, seas, pools, puddles, streams, ponds, and, perhaps most of all, rain—one meaning of the Japanese character for her name. Hers is an amphibious life. <i>The Character of Rain</i> evokes the hilarity, terror, and sanctity of childhood. As she did in the award-winning, international bestseller <i>Fear and Trembling</i> , Nothomb grounds the novel in the outlines of her experiences in Japan, but the self-portrait that emerges from these pages is hauntingly universal. <i>Amelie Nothomb's</i> novels are unforgettable immersion experiences, leaving you both holding your breath with admiration, your lungs aching, and longing for more.

'[A] page-turner of a novel . . . I couldn't put the book down' - New York Times 'A multi-viewpoint panorama of thwarted aspirations, spiced with breathy sex scenes and nostalgic detail.' - Mail on Sunday August 1992. Fourteen-year-old Anthony and his cousin decide to steal a canoe to fight their all-consuming boredom on a lazy summer afternoon. Their simple act of defiance will lead to Anthony's first love and his first real summer - that one summer that comes to define everything that follows. Over four sultry summers in the 1990s, Anthony and his friends grow up in a France trapped between nostalgia and decline, decency and rage, desperate to escape their small town, the scarred countryside and grey council estates, in search of a more hopeful future. Nicolas Mathieu's eloquent novel gives a pitch-perfect depiction of teenage angst. Winner of the Prix Goncourt, it won praise for its portrayal of people living on the margins and shines a light on the struggles of French society today. 'Deeply felt . . . An exceptional portrait of youth' - Irish Times		From the Goncourt Prize-winning author of <i>And Their Children After Them</i> , a devilishly smart noir novella that finds uncomfortable truths in the everyday about romance, violence, and women’s desire and desirability. Nearing fifty, with a divorce and a string of other failed relationships behind her, Rose has given up on the idea of love, if not sex—though that always comes with risks. Determined not to let another man hurt her, she even ordered a .38 caliber handgun after an argument with her latest boyfriend almost turned violent. Now she carries it everywhere, just in case. As if on autopilot, Rose spends her days at work and then at the Royal, a familiar haunt where she knocks back one drink after another, sometimes with her best friend Marie-Jeanne. And then a sudden accident brings Luc into the bar, and Rose decides to give love one last chance.

'I have heard, Mr. Holmes, that you can see deeply into the manifold wickedness of the human heart'. Scandal, treachery and crime are rife in Old London Town. A king blackmailed by his mistress, dark dealings in Opium dens, stolen jewels, a missing bride - these are cases so fiendishly complex that only the great Sherlock Holmes would dare to investigate. For he, and he alone, has the extraordinary faculty of perception and almost unhuman energy which could solve them ...		A breathtaking story of unfulfilled dreams, unexpected second chances, and love in a present-day France turning against itself, from the Goncourt Prize-winning author of <i>And Their Children After Them</i> . Named a Best Book of the Year by The Times (UK) and the Los Angeles Public Library Winner of the 2018 Goncourt Prize, this poignant coming-of-age tale captures the distinct feeling of summer in a region left behind by global progress. August 1992. One afternoon during a heatwave in a desolate valley somewhere in eastern France, with its dormant blast furnaces and its lake, fourteen-year-old Anthony and his cousin decide to steal a canoe to explore the famous nude beach across the water. The trip ultimately takes Anthony to his first love and a summer that will determine everything that happens afterward. Nicolas Mathieu conjures up a valley, an era, and the political journey of a young generation that has to forge its own path in a dying world. Four summers and four defining moments, from “Smells Like Teen Spirit” to the 1998 World Cup, encapsulate the hectic lives of the inhabitants of a France far removed from the centers of globalization, torn between decency and rage.

A novel of lesbian identity and motherhood, and the societal pressures that place them in opposition. The daughter of an illustrious French family whose members include a former Prime Minister, a model, and a journalist, Constance Debré abandoned her marriage and legal career in 2015 to write full-time and begin a relationship with a woman. Her transformation from affluent career woman to broke single lesbian was chronicled in her 2018 novel <i>Play boy</i> , praised by		
		now that she seemingly has it all—a husband and two daughters, a successful career, and a custom-designed house near Nancy—she feels unfulfilled, as though the years have passed her by. Christophe just turned 40 and has never left his little corner of France, where he grew up with Hélène. No longer as handsome as he used to be, he’s led an unassuming life, preferring to party with friends than to apply himself. These days, he’s selling dog food, dreaming of playing hockey again like he did when he was 16, and living with his father and son—a quiet, indecisive existence, which could be seen as failure. And yet he fully believes that anything is still possible. Through the story of how their two disparate lives intersect once more, <i>Connemara</i> beautifully evokes the complex pain and joy of returning to your roots, and trying to make a relationship last in a rapidly changing, increasingly divided country.

		An NPR Best Book of the Year Winner of the 2017 Prix Goncourt, this behind-the-scenes account of the manipulation, hubris, and greed that together led to Nazi Germany’s annexation of Austria brilliantly dismantles the myth of an effortless victory and offers a dire warning for our current political crisis. February 20, 1933, an unremarkable day during a harsh Berlin winter: A meeting of twenty-four German captains of industry and senior Nazi officials is being held in secret in the plush lounge of the Reichstag. They are there to extract funds for the accession to power of the National Socialist Party and its Chancellor. This opening scene sets a tone of consent that will lead to the worst possible repercussions. March 12, 1938, the annexation of Austria is on the agenda: A grotesque day intended to make history—the newsreels capture a motorized army on the move, a terrible, inexorable power. But behind Goebbels’s splendid propaganda, an ersatz Blitzkrieg unfolds, the Panzers breaking down en masse on the roads into Austria. The true behind-the-scenes account of the Anschluss—a patchwork of minor flourishes of strength and fine words, fevered telephone calls, and vulgar threats—all reveal a starkly different picture. It is not strength of character or the determination of a people that wins the day, but rather a combination of intimidation and bluff. With this vivid, compelling history, Éric Vuillard warns against the peril of willfully blind acquiescence, and offers a reminder that, ultimately, the worst is not inescapable.

		The third in <i>Nathalie Léger's</i> acclaimed genre-defying triptych of books about the struggles and obsessions of women artists. <i>The White Dress</i> is the third in <i>Nathalie Léger's</i> award-winning triptych of books about women who “through their oeuvre, transform their lives into a mystery” (ELLE). In <i>Exposition</i> , Léger wrote about the Countess of Castiglione, the most photographed woman of the nineteenth century; in <i>Suite</i> for <i>Barbara Loden</i> she took up the actress and filmmaker <i>Barbara Loden</i> ; here, Léger grapples with the tragic 2008 death of Italian performance artist <i>Pippa Bacca</i> , who was raped and murdered while hiking from Italy to the Middle East in a

wedding dress to promote world peace. A harrowing meditation on the risks women encounter, in life and in art, *The White Dress* also brings to a haunting conclusion Léger's personal interrogation—sustained across all three books—of her relationship with her mother and the desire for justice in our lives.

By the early 1940s, when Ukrainian-born Irène Némirovsky began working on what would become *Suite Française*—the first two parts of a planned five-part novel—she was already a highly successful writer living in Paris. But she was also a Jew, and in 1942 she was arrested and deported to Auschwitz: a month later she was dead at the age of thirty-nine. Two years earlier, living in a small village in central France—where she, her husband, and their two small daughters had fled in a vain attempt to elude the Nazis—she'd begun her novel, a luminous portrayal of a human drama in which she herself would become a victim. When she was arrested, she had completed two parts of the epic, the handwritten manuscripts of which were hidden in a suitcase that her daughters would take with them into hiding and eventually into freedom. Sixty-four years later, at long last, we can read Némirovsky's literary masterpiece. The first part, "A Storm in June," opens in the chaos of the massive 1940 exodus from Paris on the eve of the Nazi invasion during which several families and individuals are thrown together under circumstances beyond their control. They share nothing but the harsh demands of survival—some trying to maintain lives of privilege, others struggling simply to preserve their lives—but soon, all together, they will be forced to face the awful exigencies of physical and emotional displacement, and the annihilation of the world they know. In the second part, "Dolce," we enter the increasingly complex life of a German-occupied provincial village. Coexisting uneasily with the soldiers billeted among them, the villagers—from aristocrats to shopkeepers to peasants—cope as best they can. Some choose resistance, others collaboration, and as their community is transformed by these acts, the lives of these men and women reveal nothing less than the very essence of humanity. *Suite Française* is a singularly piercing evocation—at once subtle and severe, deeply compassionate and fiercely ironic—of life and death in occupied France, and a brilliant, profoundly moving work of art.

"Fatima Daas carves out a portrait, like a patient, attentive sculptor...or like a mine searcher, aware that each word could make everything explode." —Virginie Despentes Drawn from the author's experiences growing up in a Paris banlieue, a powerful, lyric debut that explores the diverse, often conflicting facets of her identity—French, Algerian, Muslim, lesbian. The youngest daughter of Algerian immigrants, Fatima Daas is raised in a home where love and sexuality are considered taboo, and signs of affection avoided. Living in the majority-Muslim suburb of Clichy-sous-Bois, she often spends more than three hours a day on public transportation to and from the city, where she feels like a tourist observing Parisian manners. She goes from unstable student to maladjusted adult, doing four years of therapy—her longest relationship. But as she gains distance from her family and comes into her own, she grapples more directly with her attraction to women and how it fits with her religion, which she continues to practice. When Nina comes into her life, she doesn't know exactly what she needs but feels that something crucial has been missing. This extraordinary first novel, anchored and buoyed by the refrain "My name is Fatima," is a vital portrait of a young woman finding herself in a modern world full of contradictions. Daas's journey to living her sexuality in spite of expectations about who she should be offers a powerful perspective on the queer experience. Aged fifteen, as Franco's forces begin their murderous purges and cities across Spain rise up against the old order, Montse has never heard the word *fascista* before. In any case, the villagers say *facha* (the *ch* is a real Spanish *ch*, by the way, with a real spit). Montse lives in a small village, high in the hills, where few people can read or write and fewer still ever leave. If everything goes according to her mother's plan, Montse will never leave either. She will become a good, humble maid for the local landowners, *muchísimas gracias*, with every Sunday off to dance the *jota* in the church square. But Montse's world is changing. Her brother José has just returned from Lérida with a red and black scarf and a new, dangerous vocabulary and his words are beginning to open up new realms to his little sister. She might not understand half of what he says, but how can anyone become a maid in the Burgos family when their head is ringing with shouts of *Revolución*,

International bestseller *Not Everybody Lives the Same Way* is a powerfully original and unusual novel. Masterfully translated by David Homel and brilliantly animated by Jean-Paul Dubois's keen feeling for humanity and intense revolt against all forms of injustice, it asks the question: What does it take to live a dignified life? Winner of the Prix Goncourt for Fiction Paul Hansen is in prison. He's been in this prison on the outskirts of Montreal for a couple of years now, sharing a cell with a murderous Hells Angel who often reminds Paul that he could kill him at any moment. What did Paul do to end up here? And why does he jeopardize his life and release by refusing to show remorse? Before prison, there were his parents. There were his friends at the Excelsior, the luxury apartment complex where Paul worked as caretaker as well as restorer of souls and comforter of the afflicted. And there was his partner, Winona, an intrepid seaplane pilot, and their beloved dog, Nouk. Many of those closest to him are gone now, but Paul still talks to them; they appear in his dreams and as ghosts in his cell. From France in the sixties to the asbestos mines of Québec, from the sand dunes of the peninsula where the Baltic connects to the North Sea to the wild lakes and mountains of Canada, Jean-Paul Dubois's extraordinary novel *Not Everybody Lives the Same Way*, follows this man, Paul Hansen, as he reviews his life. A life of equilibrium, it has given Paul both tragedy and gifts—that is, until the moment when fate presents him with someone capable of breaking his balance.

An English-language debut that reveals and subverts contemporary conceptions of normative sexuality, capitalist culture, and environmental degradation. Winner, Prix du Livre Inter, 2019 Shortlisted for the Prix Femina, Prix Medicis, Prix de Flore Longlisted for the Prix France-Culture, Prix Wepler Farah moves into Liberty House—an arcadia, a community in harmony with nature—at the tender age of six, with her family. The commune's spiritual leader, Arcady, preaches equality, non-violence, anti-speciesism, free love, and uninhibited desire for all, regardless of gender, age, looks, or ability. At fifteen, Farah learns she is intersex, and begins to go beyond the confines of gender, as she explores the arc of her own desires. What, Farah asks, is a man or a woman? What does it mean to be part of a community? What is utopia when there are refugees nearby seeking the shelter who cannot enter? Emmanuelle Bayamack-Tam delivers a magisterial novel, both a celebration and a critique of innocence in the contemporary world.
