Memorial Day, May 30, 1898 St. Eadfrith Press

The controversial evangelical Bible scholar and author of *The Bible Tells Me So* explains how Christians mistake "certainty" and "correct belief" for faith when what God really desires is trust and intimacy. With compelling and often humorous stories from his own life, Bible scholar Peter Enns offers a fresh look at how Christian life truly works, answering questions that cannot be addressed by the idealized traditional doctrine of "once for all delivered to the saints." Enns offers a model of vibrant faith that views skepticism not as a loss of belief, but as an opportunity to deepen religious conviction with courage and confidence. This is not just an intellectual conviction, he contends, but a more profound kind of knowing that only true faith can provide. Combining Enns' reflections of his own spiritual journey with an examination of Scripture, *The Sin of Certainty* models an acceptance of mystery and paradox that all believers can follow and why God prefers this path because it is only this way by which we can become mature disciples who truly trust God. It gives Christians who have known only the demand for certainty permission to view faith on their own flawed, uncertain, yet heartfelt, terms.

The devil has fallen on hard times. Surveys say that even the majority of Christians doubt Satans existence. Burdened by doubts, skeptical believers find themselves divorced from Jesus dramatic confrontation with Satan in the Gospels and from the struggle that galvanized the early church. In *Reviving Old Scratch*, popular blogger and theologian Richard Beck reintroduces the devil to the modern world with a biblical, bold, and urgent vision of spiritual warfare: we must resist the devil by joining the kingdom of Gods subversive campaign to interrupt the world with love. Beck shows how conservative Christians too often overspiritualize the devil and demons, and progressive

Christians reduce these forces to social justice issues. By understanding evil as a very real force in the world, we are better able to name it for what it is and thus to combat it as Jesus did. Becks own work in a prison Bible study and at a church for recovering addicts convinced him to take Satan more seriously, and they provide compelling illustrations as he challenges the contemporary and strangely safe versions of evil forces. The beliefs of liberals and conservatives alike will be tested by Becks groundbreaking ideas, fascinating stories, and clear thinking. Because if Jesus took Satan seriously, says Beck, then so should we. Winner of the 2017 Book of the Year Award from The Academy of Parish Clergy!

Reviving Old Scratch Convergent Books

What does your spiritual DNA look like? In terms of your spiritual identity, where do you come from and where are you going? We live in an age when many Christians have experienced several denominational and religious communities. Many wonder what to do with these experiences. At the same time many congregations are made up of people who come from different traditions, and the question is how to bring these diverse experiences into the life of the congregation in an enriching way. If we take as our starting point, the call of Abraham and Sarah to take a journey to an unknown land with the promise that their descendants would be a blessing to the nations, what might this look like in terms of our spiritual lives? Join with the author as he draws on his spiritual journey that has taken him into several denominational traditions, as well as his experiences as a pastor and historical theologian, to discern values and concepts that can help congregations and individuals make sense of their diverse spiritual experiences, so that together we might fulfill the Abrahamic calling, reaffirmed in Christ, to be a blessing to the nations.

The Sin of Certainty Augsburg Fortress Publishing

Winner of the 2017 Illumination Award Jacqueline Bussie knows that too many Christians live according to unspoken "laws" that govern the Christian life: #1: Never get angry at God; #2: Never doubt; #3: Never question; #4: Never tell your real story; #5: Always speak in clichés about evil and suffering; and #6: Always believe hope comes easy for those who truly love God. Living according to these rules is killing real Christian life; *Outlaw Christian* proposes a rebellious, life-giving, authentic alternative. Through captivating stories and with disarming honesty, Bussie gives concrete, practical strategies to help readers cultivate hope, seek joy, practice accompaniment,

compost their pain, and rediscover the spiritual practice of lament. Tackling difficult questions without political divisiveness, Bussie speaks to both progressive and conservative Christians in ways that unite rather than divide. And in doing so, she provides a new way to handle the most difficult and troubling questions of life in a broken world that God will never abandon.

Stories of Calvary Unitarian Universalist Association of Congregations

The fall after I graduated from college, I spent a month living at a contemplative retreat center in high desert outside of Sedona, Arizona. Silence was the order of the day...and of the night. Those who lived or stayed at the center spoke only at meals or to give instructions for the daily work we did to maintain the center, and during our morning and evening worship services. The rest of our time was spent in silence. In the entrance to the retreat center's common space hung a banner with these words: Pilgrim, there is no way. You make it by walking.

You are what you love. But you might not love what you think. In this book, award-winning author James K. A. Smith shows that who and what we worship fundamentally shape our hearts. And while we desire to shape culture, we are not often aware of how culture shapes us. We might not realize the ways our hearts are being taught to love rival gods instead of the One for whom we were made. Smith helps readers recognize the formative power of culture and the transformative possibilities of Christian practices. He explains that worship is the "imagination station" that incubates our loves and longings so that our cultural endeavors are indexed toward God and his kingdom. This is why the church and worshiping in a local community of believers should be the hub and heart of Christian formation and discipleship. Following the publication of his influential work *Desiring the Kingdom*, Smith received numerous requests from pastors and leaders for a more accessible version of that book's content. No mere abridgment, this new book draws on years of Smith's popular presentations on the ideas in *Desiring the Kingdom* to offer a fresh, bottom-up rearticulation. The author creatively uses film, literature, and music illustrations to engage readers and includes new material on marriage, family, youth ministry, and faith and work. He also suggests individual and communal practices for shaping the Christian life.

We Get There by Walking Canterbury Press

Danny Hodges became the senior pastor of a young church fellowship known as Calvary Chapel in St. Petersburg, Florida, in April of 1984. Three years later when he was introduced to Pastor Chuck Smith and the Calvary Chapel movement, he felt an immediate sense of being at home and was grateful to God for leading him to this network of churches that upheld a simple, biblical philosophy of ministry and well-balanced doctrine. Calvary Chapel St. Petersburg soon became a fellowship of Calvary Chapel Costa Mesa, and since that time God has steadily grown the ministry from a handful of mostly young single adults to a large church full of families. It has been exciting to see God's Spirit bring many to salvation through Jesus Christ, see lives change and mature in

the Lord, see relationships bloom and grow, see ministries evolve and prosper, see a hunger for the Word of God and see a passionate desire to win the lost to Jesus. Pastor Danny and his wife, Wendy, consider it an honor to serve this growing body of believers together with their four children, Tanner, Hayden, Jairus and Audra.

Foreword INDIES Award Finalist IVP Readers' Choice Award In an age where neither society nor the church knows what to do with gay Christians, Greg Coles tells his own story. Let's make a deal, you

and me. Let's make promises to each other. I promise to tell you my story. The whole story. I'll tell you about a boy in love with Jesus who, at the fateful onset of puberty, realized his sexual attractions were persistently and exclusively for other guys. I'll tell you how I lay on my bed in the middle of the night and whispered to myself the words I've whispered a thousand times since: "I'm gay." I'll show you the world through my eyes. I'll tell you what it's like to belong nowhere. To know that much of my Christian family will forever consider me unnatural, dangerous, because of something that feels as involuntary as my eye color. And to know that much of the LGBTQ community that shares my experience as a sexual minority will disagree with the way I've chosen

to interpret the call of Jesus, believing I've bought into a tragic, archaic ritual of self-hatred. But I promise my story won't all be sadness and loneliness and struggle. I'll tell you good things too, hopeful things, funny things, like the time I accidentally came out to my best friend during his bachelor party. I'll tell you what it felt like the first time someone looked me in the eyes and said, "You are not a mistake." I'll tell you that joy and sorrow are not opposites, that my life has never been more beautiful than when it was most brokenhearted. If you'll listen, I promise I'll tell you everything, and you can decide for yourself what you want to believe about me.
