The ABCs of Making

Teddy Bears Pavilion

A book about how much we love our stuffed animals.

Do Super Heroes Have Teddy Bears?

Taylor Trade Publishing Gund, America's oldest and most recognized stuffed-toy manufacturer, has produced millions of quality toys for more than one hundred years. Since Adolf Gund launched the company in Norwalk, Connecticut, in 1898, Gund has prided itself on its founding values of quality, workmanship, and "huggability." The photographs in Gund document significant events in the company's history, including prestigious awards, lovable products, and important people. Gund was making

stuffed bears four years before teddy bears became the namesake of President Theodore "Teddy" Roosevelt. From Snuffles the bear to Muttsy the dog, these plush playthings fill millions of homes and hearts.

The Teddy Bear Companion Bellwether Media

A book about how much we love our stuffed animals. *Baby Bears* Sleeping Bear Press Over 600 images present teddy bear toys, from the earliest made in 1902 to today. Among the makers are Ideal, Steiff, Bing, Columbia Manufacturing, Gund, North American Bears, Merrythought, and Bruin Manufacturing. The text provides a history of the bears,

their manufacturers and artists, and collectors who have pursued them. A bibliography, index, and values in the captions are included.

Christie's Century of Teddy Bears Mitchell Beazley

More of the most up-to-date guide for both novice and experienced collectors, *The Teddy Bear Companion*, Vol. II focuses on descriptions and the collectible value of teddy bears and other soft toys. The book includes a complete description, a color photo and an approximate current value for each collectible bear or soft toy.

Teddy Bears Abrams

It's no surprise that teddy bears are favorite stuffed animals. They look just

as huggable as real baby bears! Take a peek inside this book for beginning readers to find bear cubs being adorable in the wild. When you reach the end, you just might want a bear hug!

Teddy Bears

Bloomsbury Shire Publications

Teddy Bear and his toy friends take a train ride to the beach and spend the day enjoying the sun, playing in the sand, and having a picnic.

Restoring Teddy Bears and Stuffed Animals

Stemmer House Publishers

When a teddy bear invites his stuffed animal friends to a party at his house while the humans are away, they have a wild time and the police arrive on the scene.

The First Teddy Bear

For the first time ever, professional restorers Christel and Rolf Pistorius share their techniques, tips and advice in this informative, instructive and charming book. The German couple provide easy-to-understand, step-by-step instructions for repairing and restoring old and new teddy bears and stuffed animals. More than 200 detailed colour photographs guide the reader in tasks such as: selecting and caring for materials;

cleaning; replacing voice boxes, applying ears and stitching noses and mouths. This is an invaluable resource for anyone interested in preserving or restoring their plush toys.

How Teddy Bears are Made: a Visit to the Vermont Teddy Bear Factory Courier Corporation
Easy-to-follow guide provides patterns, simple instructions for creating a delightful polar bear, a wartime bear from 1940, and 25 other huggable little Bruins.

Teddy Bear Tears Schiffer Publishing
Beginners and experienced crafters alike will appreciate this expert guide to making one-of-a-kind teddy bears and their outfits. It presents step-by-step

instructions, basic patterns, and instructions on how to customize the bears in order to create truly personal keepsakes and gifts. Illustrations include over 150 diagrams, plus 16 color and 11 black-and-white photographs.

Teddy Bear Art Running Press
Award-winning photographer Mark Nixon has created a trove of quirky and nostalgic portraits of teddy bears and other stuffed animals that have been lovingly abused after years of play. MuchLoved collects 60 of these images along with their accompanying background tales. An exhibit in the photographer's studio led to a small sensation on the Internet when a few of

the pictures circulated unofficially on scores of blogs and on many legitimate news sites. Viewers have been intrigued by the funny, bittersweet images and their ironic juxtaposition of childhood innocence and aged, loving wear and tear. When you see these teddy bears and bunnies with missing noses and undone stuffing, you can't help but think back to childhood and its earliest companions who asked for nothing and gave a lot back. Praise for *Much Loved*: "Much Loved is impossibly endearing in its entirety." —Brain Pickings
Gund Corporation
Expert Australian teddy bear maker Jennifer Laing shows you her techniques for sewing

the world's most huggable bears. This is a book for those of you who have tried the commercial patterns, have caught the bear making 'bug' and are now wanting to take that next step -- the most exciting one of all. Designing and creating your own teddy bears can bring magic into our life.

Teddy Bear Studio

Random House Canada
For ages 4-8. This is the quintessential book about the teddy bear, telling the story of the beginnings of the huggable stuffed animal loved all over the world by children and grown ups alike. It is a wonderful story because it celebrates not one but four fathers, as well as a life-saving deed that warmed the heart and inspired the head of

the sweet shop man who actually made the first teddy bear. The author relates charmingly how each of the four became a father of Teddy and all because a powerful president spared the life of one little bear, and another man celebrated the life-sparing act with a toy bear whose descendants have inspired love around the world ever since. This is a new, larger size edition of this much-loved classic.

I'm Afraid Your Teddy Is In Trouble

Today Gareth Stevens Publishing
The Untold Story of the Teddy Bear solves a mystery in the history of the Teddy Bear. When the Steiff Company of Giengen, Germany created what we know as the classic

Teddy Bear in the fall of 1902, the first to be made of mohair with movable arms and legs, no one would buy it. After being presented to toy buyers in the United States and Europe, no one was interested, partly due to its cost, size, and weight. Then along came a toy buyer, in the spring of 1903, who saw it on display at the Leipzig Spring Fair in Germany, and bought 3,000. According to the Steiff Company, they have no document that reveals the buyer's name. The only record they have is the amount of the sale, though they know he was an American representing an American company. Having financial troubles at the time, Margarete's small shop

of handmade toys was about to be taken over by its creditors, so it was this sale of the little bears that saved the company. Not having that many toy bears on hand to fill such a huge order, however, many townspeople were enlisted to help so that the shipment would arrive at its destination in time for Christmas. As revealed in *The Untold Story of the Teddy Bear*, the first true history of the Teddy Bear, the author's grandfather was the American buyer, representing Carson Pirie Scott & Co. of Chicago, who placed that first large order of Steiff's new toy bear and gave it the name "Teddy," now referred to as the "Teddy" bear. The author tells the

dramatic story of her grandfather's life and the difficulties he had to overcome, before becoming a successful international buyer, and the remarkable story of Margarete Steiff, founder of her little company of handmade toys. The text also documents the history of the now famous toy bear, in advertisements and editorials, from the time it arrived in the United States in 1903 to its sudden rise in popularity by 1907. Included is the story of the revival of handmade Teddy Bears after World War II, with colorful photographs that illustrate the work of today's talented, award-winning artists. With this book, the author ties together the people, dramatic

events, and circumstances that resulted in the establishment of the world's most beloved

toy and what these endearing bears have come to mean to children and adults all over the world.
