**69 Sex Positions.  
Essential Moves to  
Spice Up Your Sex  
Life (with  
Illustrations)** Riley  
Ashwood  
the sexual positions

described in this book  
are very varied:  
everyone can find their  
account, whether he or  
she is a beginner in the  
art of love or that he or  
she has some practical  
experience in this  
domain. Likewise, the  
diversity of positions  
makes it possible to  
adapt to everyone's

desires (it is up to you to see if you want to be passive or more active during the act) or to your morphology. Certain postures are indeed more suitable than others, for example for a pregnant woman, a slightly round woman or even for a man who has a small sex or, on the contrary, a large sex.. This is more than a book: It's an interactive ticket to enticement and ecstasy. This book is a fun way to keep things exciting and put the spice and adventure back into your relationship and also you can draw your own expression in the face of the characters . With 89 positions of varying degrees of difficulty for every day of the year. - All at once informational and humorous. - Great gift.

*Sex Positions in Pictures* Createspace Independent Publishing Platform

"Taking Positions is an exploration of the place of the erotic in Renaissance art and culture, focusing on a notorious set of images created by the young Italian master Giulio Romano. In the early 1520s, Giulio made sixteen drawings of couples in various sexual positions. Known as I modi (the positions), the drawings were first circulated privately and then made into engravings that were distributed publicly. Only then did authorities begin to consider I modi obscene and threatening, going so far as to jail the engraver. Modeled in part on classical

sources, Giulio's drawings themselves became a model for erotica throughout the sixteenth century, first legitimized with a cover of ancient mythology, then later transformed into strange anatomical figures of the female body." "The book is generously illustrated and includes full translations of the infamous sonnets that Pietro Aretino wrote to accompany I modi. Exploring such issues as censorship, religious teachings about sex, and the influence of antique culture, *Taking Positions* is a major contribution to our understanding of the erotic in Renaissance culture."--BOOK JACKET.

The Kama Sutra of Vatsyayana

Vatsyayana - The Kama Sutra of

Vatsyayana by Richard Francis Burton is an edition of the ancient Indian text on sexuality and emotional needs.

Vatsyayana was an ancient Indian philosopher who lived during the second or third century. Although it is often thought of as a sex manual, it is much more, with

guides on living well, the nature of love, and finding a partner. Indeed, Vatsyayana says himself: 'This work is not to be used merely as an instrument for satisfying our desires'. Burton did not in fact translate the Kama Sutra - it was translated by the Indian scholar Bhagwan Lal Indraji. It was edited by Burton to suit prevailing British attitudes to sex, but was still banned in England and the United States until 1962. Other criticisms levelled at Burton's translation is that instead of using English words for the sex organs, he uses the words 'lingam' and 'yoni', despite those words not appearing in the original work. This was seen as an

attempt to distance them and make them 'other', rather than about English people's sexual organs. He also removes the agency of women, and where in the original, women's words are direct quotes, in the Burton translation, women's words are removed and put into the passive state (i.e., A woman saying 'Stop!' becomes 'She continually utters words expressive of prohibition'). Despite all this, it has been such an influential translation that even modern editions in the Hindi language are re-translations of the Burton version. The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit

literature written by Vaatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. "Kama" which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sutra" literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, Kama sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and

gracious living that discusses the nature of love, family life and other aspects pertaining to pleasure oriented faculties of human life.

If you want to fulfill your most hidden sex fantasies, make the best out of your sexual experiences and you want to benefit from the oriental art of Kama Sutra then keep reading... Sex is an essential part of our life. Many studies have shown how sex in addition to have very positive impacts on relationships can also improve our overall health and decrease the risk of getting some illness. It is also true that more than 90% of all people do

not exploit the full potential of sex and the enjoyment that comes from it. Also if you have been in a relationship whatever type for a while you may have entered the flat or "usual habits" phase. How can you avoid falling into the trap of habits? How can you have the best sex life and thrive in your relationship? Kama Sutra offers many practices and techniques that will answer all those questions and you have come to the right place to get them! This book has all the Kama Sutra knowledge you need to bring your sex life and relationship to the next level. You will also be helped by several illustrations. You will learn many new essential things which you have wished

to know before and you will not believe how you have done without until now! In this book you will discover: What is Kama Sutra and its benefits What is love for Kama Sutra How to succeed in flirting and courtship How can you become a master in seduction How to maximize intimacy and foreplay How enjoy at best the 100+ sex positions of the extended Kama Sutra including, standing, relaxing, woman dominates, man dominates, sitting, acrobatic positions How to excel at oral sex with several positions What to do if you want to try anal sex What masturbation techniques can you use to better discover yourself What type of orgasm should you aim at and how to get them

How can sex toys spice up your sex life In which cases you should go for a threesome and how can you enjoy at best this experience And much more! Most books on Kama Sutra focus only on sex positions and do provide enough illustrations; as well they fail to explain clearly all the aspects Kama Sutra and do not go deep enough in each area. This is instead a complete 360 degrees book on Kama Sutra! If you are a beginner, you can start your journey towards full sex enjoyment. If you have some experience, get ready to upgrade your level up! Do yourself, your partner and everyone else that you will potentially have sex with a favor, read this book! Give your

partner the present of informing yourself about how to bring them enjoyment like never before. What are you waiting for? Scroll up and get your copy by clicking the "Buy Now with 1-Click" button!

### **Sex Postions**

The "69 Modern Kamasutra Positions With A Simple Illustration and Easy Guide" is an inspiration

from ancient Indian techniques that was written to help teach men on how to have a happy marriage. A lot of people think that it's just about sex, but that's not strictly true. The Kamasutra is made up of 7 sections but only the second, called 'On Sexual Union', details different sexual positions. This part of it is illustrated with drawings to show couples different ways of having sex. Despite it being centuries old, The Kama Sutra is still just as fun to try today. Some of the positions are a little more challenging than others, but all are designed to give both of you pleasure. The book on sexual positions in the Kamasutra is still a very valuable work. This is the inspiration

for several of the cave sculptures of India, and they are also quite universal in their approach. Couples can derive much pleasure by trying out the different postures mentioned here. We've taken some of the most popular KamaSutra positions ( 69 positions ) to be a modern positions. *Kama Sutra*
