From a millennial media maker and award-winning social critic, an accessible, straightforward, and remarkable guide that "invites us beyond the old stories we've told about ourselves, and into the wonder of our dreams, hopes, and love—so we can find our truth and purpose" (Glennon Doyle, New York Times bestselling author) for a generation paralyzed by the pressures of life. Behind the glossy Instagram pictures, many people in their 20s and 30s are living frustrating lives: overwhelmed and confused, anxious and inauthentic, exhausted and afraid. They are leading lives that, unbeknownst to them, have been shaped by everyone but themselves. From social media to the workplace, the stories that they have believed have left them constantly seeking a better life but rarely ever finding it. Erica Williams Simon saw this all too well. At 27, she abruptly walked away from her career as a rising political media star to find her own truth

and a truth that would help others finally build a life worth living. She rejected the lies that the world had taught her, and rewrote the ideas that have the power to shape a generation. You Deserve the Truth is a "refreshingly blunt take on happiness" (Publishers Weekly) and is a masterclass in how to challenge the narratives about fear, work, identity, success, love, and life. This "smart and all too real guidebook for anyone striving to craft an authentic and inspired life from the ground up" (Franchesca Ramsey, host of MTV's *Decoded*) gives you the tools you need in order to break free from the narratives holding you back from starting an exciting new phase in a beautiful life.

The Secret FT Press

"A riveting and infuriating examination of criminal prosecutions, revealing how easy it is to convict the wrong person and how nearly impossible it is to undo the error." —Washington Post "No one has illuminated this problem more thoughtfully and persistently." —Bryan Stevenson, author of *Just Mercy* Jim McCloskey was at a midlife crossroads when he met the man who would change his life. A former management consultant, McCloskey had grown disenchanted with the business world; he enrolled at Princeton Theological Seminary at the age of 37. His first assignment, in 1980, was as a chaplain at Trenton State Prison. Among the inmates was Jorge de los Santos, a heroin addict who'd been convicted of murder years earlier. He swore to McCloskey that he was innocent—and, over time, McCloskey came to believe him. With no legal or investigative training to speak of, McCloskey threw himself into the case. Two years later, thanks to those efforts, Jorge de los Santos walked free, fully exonerated. McCloskey had found his calling. He established

Centurion Ministries, the first group in America devoted to overturning wrongful convictions. Together with his staff and a team of forensic experts, lawyers, and volunteers—through tireless investigation and an unflagging dedication to justice—Centurion has freed 65 innocent prisoners who had been sentenced to life or death. *When Truth Is All You Have* is McCloskey's inspirational story, as well as those of the unjustly imprisoned for whom he has fought. Spanning the nation, it is a chronicle of faith and doubt; of triumphant success and shattering failure. It candidly exposes a life of searching and struggle, uplifted by McCloskey's certainty that he had found what he was put on earth to do. Filled with generosity, humor, and compassion, it is the soul-bearing account of a man who has redeemed innumerable lives—and incited a movement—with nothing more than his unshakeable belief in the truth.

"The truth about Alicia was that she wasn't that stable to begin with. So when she did what she did, no one was very surprised.

Still it was shocking, the way she followed them from the hardware store to the woman's house, the way she broke the sliding glass door with the tire jack, the way she found them in bed. It was more than she could take, her being seven months pregnant and all. It only took two shots. . . . " Alicia is not the only woman with problems. In these stories about contemporary and traditional Latinas, Ana Consuelo Matiella uses sensitivity and wit to address issues faced by women of color and women everywhere—issues largely having to do with love: between men and women, mothers and daughters, women and friends. In engaging stories about family myths, gossip, and lies, comadres converse over afternoon *café con leche*. "I'm sure that I was the only wife whose husband was teaching their daughter to do Cheech Marin imitations," remarks one of Matiella's characters. Another sings the praises of the chocolate milkshake diet: "That's one advantage of living on the border. You get to try all the latest gringo inventions as soon as they hit the streets." Through encounters with angels, conversations with dogs, and relationships with men overly concerned with the dimensions of their manhood, Matiella offers a new exploration of the human condition—none showing us that if we cannot laugh at life, no matter how tragic the circumstances, we are surely doomed. With humor and insight that come only through close observation of her fellow human beings, this gifted writer brings new twists to familiar scenes. *The Truth about Alicia and Other Stories* is an authentic portrayal of the world of contemporary Chicanas that will delight everyone who enters it.
