*The 48 Laws of Power* Nelson Business

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Jorge Valdano parte de la idea de que todo equipo es "un estado de ánimo" y expone cuáles son, desde su punto de vista, las características necesarias y los poderes de un líder que se encuentre al frente de un equipo de alto rendimiento. El fútbol es un juego tan poderoso que tiende puentes con la sociedad, con la cultura, con la comunicación y, como demuestra este libro a través de múltiples ejemplos, también con la empresa. Valdano aprovecha experiencias del ámbito del deporte para hablar de liderazgo, trabajo en equipo, motivación y todo lo que agita a un equipo de alta competición. A través de once grandes valores (la credibilidad, la esperanza, la pasión, la humildad, el estilo, la palabra, la curiosidad, el talento, el vestuario, la simpleza y el éxito), ejemplificados por entrenadores, jugadores y momentos dramáticos del deporte que mueve el mundo, el autor resume los elementos claves del liderazgo en el siglo XXI. ENGLISH DESCRIPTION Any team sport that is set up to be viewed by millions is a great life model that tests individual limits and the team-player spirit. Through his experience in the world of sports and soccer, Jorge Valdano poses the keys to leadership based on how a company operates, from teamwork, to motivation, and the tools necessary for a highly competitive team to succeed. Through eleven key concepts, illustrated by unique players, brilliant coaches, and juicy anecdotes, the author talks about the principles that a 21st century leader should have: credibility, hope, passion, humility, curiosity, and talent, among others. Jorge Valdano, champion of the 1986 World Cup, coach, general manager, and Real Madrid club player, in this essential book offers a reflection on the world of business, in which he takes up the principles and values of the sport as a teaching tool and as a vehicle to empower people and help them achieve success. As Pep Guardiola states, "a leader is one who makes others better". "This book is one of Valdano's great goals: a required reading for his fans, essential for businessmen, and delightful for any reader." -Santiago Segurala, journalist.

Caught in a war between the rebels and the invading colonizers, Jetta must make an impossible choice—save her people or protect her sanity. The second book in Heidi Heilig's acclaimed *Shadow Players* trilogy blends traditional storytelling with ephemera to weave an enthralling fantasy that fans of Leigh Bardugo and Sabaa Tahir will sink into. Jetta is a wanted criminal. The army wants her for treason against the crown, for the sabotage of Hell's Court temple, and for the murder of General Legarde. They also want her for the power in her blood—the magic that captures wandering spirits to give life to puppets, to rocks, to paper . . . to weapons. They're willing to trade the elixir that treats Jetta's madness for the use of her blood. The rebels want her, too, to help them reclaim their country. Jetta may be the one who can tip the scales in this war. But Jetta fears using her power will make her too much like Le Trépas, the terrifying and tyrannical necromancer who once held all Chakrana under his thumb—and who is Jetta's biological father. She's already raised her brother from the dead, after all. And scared off Leo, the only person who saw her as she truly is. With Le Trépas at large and a clash between the army and the rebels becoming inevitable, Jetta will have to decide if saving her country is worth sacrificing her soul. Acclaimed author Heidi Heilig creates a rich world inspired by Southeast Asian cultures and French colonialism. Told from Jetta's first-person point-of-view, as well as with chapters written as play scripts and ephemera such as songs, maps, and letters, *A Kingdom for a Stage* is a vivid, fast-paced journey that weaves magic, simmering romance, and the deep bonds of family with the high stakes of epic adventure. It will thrill fans of Stephanie Garber and Renée Ahdieh.

**My Turn** HarperCollins Leadership

Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God's wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon's conclusion. Edwards puts it this way, "And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners." While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, "Before the sermon was done there was a great moaning and crying through the whole House, 'what shall I do to be saved; oh, I am going to hell, etc.'" The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, "the amazing and astonishing power of God" was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.
