A forbidden romance. A deadly plague. Earth's fate hinges on one girl . . . CINDER, a gifted mechanic in New Beijing, is also a cyborg. She's reviled by her stepmother and blamed for her stepsister's sudden illness. But when her life becomes entwined with the handsome Prince Kai's, she finds herself at the centre of a violent struggle between the desires of an evil queen - and a dangerous temptation. Cinder is caught between duty and freedom, loyalty and betrayal. Now she must uncover secrets about her mysterious

past in order to protect Earth's future. This is not the fairytale you remember. But it's one you won't forget.

Angelfall Fairy Tale

Lies, Spies, and As Cinderella retold: Fae, vampires, shifters, and a Godmother who'll grant you any wish—if you pay the price. For human slave Elle, it's just another night of breaking her stepmother's rules and sneaking out. Another night of using her unique skills for clients who want to ... forget. Get the job done. Get paid. Move one step closer to legitimately buying a wish. But when Elle runs face-first into a charming and handsome faerie—and then ends up in the clutches of a vampire—her usual fly-under-the-radar plans are knocked off course.

~ ~ ~ This is episode 1 of 6 of a SERIALIZED Cinderella retelling. It is not novel-length. Expect cliffhangers! Approximately 27,000 words or 120 print pages. **Prefer to binge-read all the episodes together? Look for City of Wishes: The Complete Cinderella Story** ~ ~ ~ In a world of fae, vampires and shifters, where wishes can be bought and bargained for, Elle is human, bound to her stepmother by a slave charm. Her only hope at freedom is to wish for it. But the Godmother rules the illegal wish trade, and the price she demands is steep. Is Elle willing to pay it?

As the frigid darkness of war descends upon

Onyx, Lady Cinder's nights are filled with King Tristan's warm glow. No matter how hard she tries to maintain the smooth exterior of the trained assassin that she is, deep down Cinder knows that she wants to keep Tristan by her side forever. And she'll kill to do it. But what will happen to her moon-soaked moments in the arms of the King if Brix lets it slip that Cinder originally joined Onyx's search for a future queen with the intention of murdering the King? While her brother's closest, most brutal confidant, stews in a prison cell in the bowels of Breakwater's castle, Cinder must recover from wounds by his hands. She's driven to find Brix's cell, make him pay for the havoc he wreaked,

slowly wrench answers from him about her own brother's allegiances, and then silence him forever before he burns Tristan's love for her to the ground. Sometimes dark actions are required to protect dark hearts.

If I didn't know better, I'd think my life is a fairytale. Orphan? Check. Evil stepmom? Check. The only problem with my theory is the lack of a dashing prince coming to my rescue. That is until Xander comes along. He's charming, gorgeous, and caring. With him my life doesn't feel like a neverending list of chores. After my stepmother does the unthinkable, my only hope is winning a

publishing competition. But when I find who Xander really is, even that becomes a lost cause. Midnight Ash is a sweet romance with a sexy kinky twist on the side, and a cast who don't quite behave as you'd expect.

Midnight Ash is a contemporary Cinderella retelling, and part of the MM Fairy Tale Romance series. All books are completely standalone and are modern retellings of classic fairy tales with a gay romance twist.

"Eloisa James writes with a captivating blend of charm, style, and grace that never fails to leave the reader sighing and smiling and falling in love." —New York

Times bestselling author Julia Quinn “Romance writing does not get much better than this.” —People
The Cinderella story moves to Regency England—with more than a few twists and turns along the way!
With *A Kiss at Midnight*, the remarkable Eloisa James spins a delicious tale involving a carriage, a godmother, a pair of rats...and a beauty with no interest whatsoever in getting married—and certainly not to a prince! Read *A Kiss at Midnight* and see why New York Times bestselling author Lisa Kleypas says, “Eloisa James is extraordinary.”

Cinders & Sparks is a fresh, funny, and

fabulous take on Cinderella for everyone who loves series like *Whatever After* and *Grimmtastic Girls*. *Cinders* isn’t supposed to know how to do magic. Her dog, *Sparks*, isn’t supposed to talk. And they’re definitely not supposed to go to the fancy palace ball.... But with a fairy godmother named Brian, do we really think that’s going to stop them?
Bestselling author Lindsey Kelk makes her children’s debut with the first book in a ridiculously entertaining trilogy filled with adventure, talking dogs, and pure comic silliness. Perfect for readers age 8-12.
Interstellar Cinderella Chronicle Books
An orphan girl. A dark and twisted kingdom. An ongoing shadow

war resulting in enslaved fairies. This is the world of Cinder. A world where a girl like her can be sold to be human prey for a ritualistic hunt. But on this night, even the predators might have something to fear. On this night, even a royal prince might find himself trapped by the expectations of the Dark King...and a girl like no other. Don't miss this fairy tale thriller by the world-wide bestselling author Susan EE.

Sootypaws: A Cinderella Story

Random House
Australia

Everything you've been told is wrong. Oh, not everything, I suppose. Yes, I turned a pumpkin into a coach and mice into horses. The stroke of midnight, the glass slippers, and the prince searching for a girl whose foot fit the shoe & hose were all part of the story. And yet, the prince

didn't just fall in love with Cinderella because she looked good at the ball. Pigeon feathers and pollywogs! Could you respect him if he did? I most certainly could not. No, no, there was vastly more that happened before the night of the ball, and a great deal of international intrigue after. Cinderella was a warrior who saved the life of the prince and defended her kingdom from oppressors who were plotting to overthrow the king. They didn't tell you that part? It's time, past time, for you to know the true story of the real Cinderella. *Cinderelliot* Jim C. Hines
Her world was turned to ashes and soot, now she's out to return the favor. One knife to the

heart at a time. War destroyed her lands and killed her parents. In the seven years since, Cinder forged herself into a killer at the behest of her brother, Duke Ash. Now, she acts as a highly trained assassin, dealing out justice on behalf of the Duke. The siblings dream of exacting the ultimate revenge upon King Tristan, the man they think is responsible for the death of their parents. When opportunity strikes, Duke Ash dispatches Cinder to King Tristan's palace to masquerade as one of the King's potential future brides. King Tristan would have never imagined that a Lady and a potential bride would arrive with a knife hidden in her dress and a heart full of cinders.

Cinder Reign Simon and Schuster
 A playboy prince in want of a decoy bride. A servant girl desperate for a disguise... Raven shifter Prince Franco is every social climbing debutante's dream. He's handsome, heir to the Lunar Court throne, and deliciously single. Every young woman wants to bed him, wed him, or steal a moment of his time. Except, of course, for Ember Montgomery. Half-fae Ember craves freedom from her conniving stepfamily. As if they weren't enough to deal with, a chance encounter with the arrogant Prince Franco leaves her humiliated and in a fiery rage. Nothing could convince her the prince is anything but a rake. But when the

opportunity to evade her scheming stepmother falls into her lap, she'll pay the price-even if it means impersonating the prince's newest flame... To prove himself a worthy heir, Prince Franco must marry a princess. But after far too many unsatisfying trysts, he's given up on love. With the social season in full swing, and bringing with it a horde of husband-hungry socialites, he'll do anything to delay the pressures of both marriage and the crown. And what better solution than an alliance with a desperate servant girl glamoured as his false future bride? Locked in a bargain, Ember must pose as a princess until midnight at the full moon ball. Until then,

all she has to do is wear the glamour, pretend to court the prince, and above all else, not fall in love. But when feelings emerge on both sides, she starts to wonder if there's more to their contrived courtship than either of them planned... Can Ember and Franco find love when the masks come off? Or will illusions and lies prove stronger than their hearts? ACOTAR meets Bridgerton in this standalone fairytale retelling of Cinderella. If you like slow burn romance, fake engagements, and snarky fae royals, then you'll love this swoon-worthy story in the Entangled with Fae series. *NOTE this book is upper YA/NA featuring mature situations and some

adult language. The romance is slow burn but leads to moderate steam. Heart of the Raven Prince is a complete stand-alone novel set in the same world as The Fair Isle Trilogy. Journey back to Faerwyvae or begin your adventure for the first time with this enchanting tale. Each book in the Entangled with Fae series can be read on its own and in any order. Happily ever after guaranteed!

Prince Cinders Cedar Fort

Eldon Cinder would give anything to see Prince Xavier one last time, but only women are invited to the royal ball. When the local witch offers to make Eldon female for just one night, he agrees. One spell. One night. One dance. What could possibly go wrong?
